"CONFIDENTIAL"

Education Department.

From THE DIRECTOR OF PUBLIC INSTRUCTION,  
Madras.

To The Secretary to Government,  
Education and Public Health Department,  
Madras.

R.C. No. 3204 C.1/48, Dated 2<sup>nd</sup> November  
October, 1948.

Sir,

Subject:- Madras Educational Service - Professor of  
Civil Engineering, College of Engineering,  
Anantapur - Vacancy - Filling of - Proposals

\*\*\*

Reference:- (1) G.O. Ms. No. 2482 Edn., dated 28th September 1948.

(2) Government Memorandum No. 65336 C.2/48-1  
Edn., dated 17th Sept., 1948.

Appointing Major B.H. Marley  
Prof. as Principal  
of College temporarily

CONSEQUENT on the appointment of Major B.H. Marley as  
Principal, College of Engineering, Anantapur, the post of Profes-  
sor of Civil Engineering in that College is vacant with effect  
from 28th September 1948. As there is no qualified and suitable  
person available for regular appointment to this vacancy an  
appointment under emergency provisions has to be made.

2. In this connection I may state that ~~except~~ apart from the  
following two Instructors, all the other Instructors in the Civil  
Engineering Branch are holding their appointments as Instructors  
in the Madras Educational Service under emergency provisions and  
have not put in even two years of service in the ~~Madras~~ posts  
of Instructors, and hence their claims need not be considered for  
the present vacancy.

1. Sri T.S. Venkataramanan: B.A., B.E. (Civil),  
Assistant Engineer in the Highways Department  
and regularly officiating as Instructor in  
Highway Engineering, College of Engineering,  
Guindy, in the Madras Educational Service,  
with effect from 19th July 1945. *checked with list*
2. Sri N. Viswanatha Ayyar: B.A., B.E. (Civil)  
Assistant Engineer in the Public Works Department  
and regularly officiating as Instructor in  
Hydraulics, College of Engineering, Guindy,  
in the Madras Educational Service, with ef-  
fect from 20th December 1945.

Both the above Officers have completed the prescribed period of  
probation in the Madras Educational Service but the necessary  
declarations of their satisfactory completion of probation have  
not yet been issued. Of the two Officers Sri T.S. Venkataramanan  
is senior in the Madras Educational Service. A copy of his peti-  
tion dated 27th August 1948 ~~xxxx~~ setting forth his claims for pro-  
motion and a copy of the remarks of the Principal, College of  
Engineering, Guindy, thereon, are submitted herewith. I con-  
sider that Sri T.S. Venkataramanan will be suitable for tempo-  
rary appointment as Professor of Civil Engineering and accordingly  
I recommend that the Government be pleased to appoint him to offi-  
ciate as Professor of Civil Engineering, College of Engineering,  
Anantapur, under Rule 31(a) of the General Rules for the Madras

pp 3-4 infra

B.H. 112

2.

Madras Provincial and Subordinate Services.

3. If the Government are pleased to accept the above, I recommend that the resultant vacancy in the post of Instructor in Highway Engineering, College of Engineering, Guindy, may be filled by the appointment of Sri C.G. Swaminathan, B.A., B.E. (Civil), M.Sc. (Lond.), D.I.C. (Lond.), who is expected to return to India, shortly.--vide Government Memorandum No. 65336 C.2/48-1 Edn., dated 17-9-1948. Pending detailed examination of qualifications and suitability for the particular post, I recommend that Sri C.G. Swaminathan may be appointed as Instructor under emergency-provisions as is being done in the case of other private scholars returning from overseas.

4. I solicit the favour of early orders.

Yours faithfully,

*[Signature]*

For DIRECTOR OF PUBLIC INSTRUCTION.

NB/29-10.

Extract  
taken for  
action  
separately

Copy of petition dated 27th August 1948 from T.S. Venkatramanan, Instructor in Highway Engineering, College of Engineering, Guindy to the Director of Public Instruction, thro' the proper channel.

I was appointed to this college as Instructor in Highway Engineering in G.O. No. Ms. No. 998 Edn., dated 6-6-1945 under rule 9(a)(i) of the general rules relating to Provincial and Subordinate Services, and I joined this post on 19-7-45. Since then, my appointment has been regularized with effect from the date of joining, in the proceedings of the Director of Public Instruction, Madras in Dis. No. 5613/47 dated 1-12-1947.

I am a double graduate of the University of Madras having taken my B.A. degree (Mathematics) in March 1927 and B.E. degree (Civil) in March 1931. Soon after finishing my practical course in the P.W.D. for 12 months, in 1932, I joined the India Sugar and Refineries Ltd., Hospet, as an apprentice Engineer. As the only Civil Engineer, I was personally responsible for the preparation of plans, estimates and execution of all the civil side of the construction of the factory including the factory buildings water supply, etc.

From 1934 to 1945 I served in the Bellary District Board as a Section officer and Assistant Engineer. In the course of my service in that district, I was responsible for the design, construction and maintenance of various buildings, major bridges and roads in the district.

In 1944 I am selected as a King's Commissioned officer in the Army (after a series of examinations and tests) and I was called to the Army in letters Nos. 73474/S.P.2 dated 16-3-44, No. 74263/S.P. dated 22-8-44 and No. 74506/S.P.2 dated 18-10-44 of the Adjutant General in India, Meerut. But on all the occasions I was not permitted by the Government to leave my post "due to acute shortage of experienced staff in the province" (a copy of Memorandum of the Secretary to Government is enclosed).

In recognition of my services in the communications Department and my experience, I was proposed for appointment as Instructor in Highway Engineering in this college which post I am holding today. I have worked hard and organized this new department as best as I could, and have built up a laboratory, and am handling lecture, design, drawing and laboratory classes making a total of 21 periods per week. Three batches of students have taken their B.E. degrees with credit since I joined this department.

In addition to my work in the college, I am also in charge of the hostel of the college for the past two years. This is perhaps the biggest hostel in the Province, and I have organized and managed the administration of this hostel to the satisfaction of the authorities and most of the students as well during this period.

I am a member of the following Professional Institutions:-

1. Associate Member of the American Society of Civil Engineering.
2. Member of the Institution of Highway Engineers (London).
3. Associate Member of the Institute of Engineers (India).
4. Member of the Indian Roads Congress.

With my practical experience of over 12 years and my teaching experience of over 3 years in this college I am keeping myself in touch with the latest development in Engineering by my association with the above Institutions.

I therefore request you to be kind enough to consider my claims to be appointed as a Professor of Civil Engineering in any of the Engineering Colleges of the Province.

Copy of letter dated R.C.No.1-49 A/48 dated 16th Sept. 1948 from the Principal, College of Engineering, Guindy to the Director of Public Instruction, Madras.

Sub: Application of Sri T.S. Venkataramanan, Instructor in Highway Engineering of this college for appointment as Prof. of Civil Engineering in one of the Engineering Colleges.
