Please see the starred question in the c.f.

The position is as follows:-

After the merger of Pudukottai State in the Madras Province the Govt. ~~then~~ informed the D.P.I. that the Rajah's College, Pudukottai, should be deemed to be a Madras Government College and that all the

Madras rules regarding qualifications, pay and etc., should be applied to the staff. The Director therefore issued instructions for the collection of tuition fees in the Pudukottai college at the rates in force in the Madras Province. Representations were received from people in Pudukottai complaining against the enhanced rate of fees. These representations were referred to the Director and he recommended that the old rate of fees in the college might be continued. The Govt. accepted the Director's recommendation and have issued orders that during 1948-49 tuition fees may be levied
