Sir,

Ref: G.O.No.Ms.1916 Education dated the 3rd August 1948 approving the revised proposals of the Commissioner for Government Examinations regarding the conduct of a Supplementary S.S.L.C.Examination.

I have the honour to inform you that the Syndicate at its meeting held on the 18th September 1948 considered the G.O. under reference and resolved that you be informed that with reference to paragraph (2) of the G.O., the Syndicate is of opinion that it would be a hardship to candidates who appear for the October 1948 Examination and fail, to be deprived of the opportunity of taking the examination again in March and it would postpone their chance of joining a college by one more year.

In communicating the above resolution of the Syndicate, I have to request that the question be reconsidered in the light of the above decision of the Syndicate with a view to enabling the candidates who appear and fail at the S.S.L.C.Examination of March 1948 to apply for the examination again in March 1949 and the decision in the matter may be communicated to me at a very early date.

Yours faithfully,

R. R. Sundaram

Sir,

In G.O.No.1916 Education, dated 3-8-1948, Government ordered that candidates who fail in the Supplementary S.S.L.C. Public - Examination of October 1948 will not be admitted to the examination held in March 1949. This was done on account of the administrative difficulty and the strain involved in scrutinising the applications and deciding the admission and preparing the nominal list of a few thousands of candidates in connection with the examination in March, - within less than two months after the announcement of the results of the October examination early in January 1949 and as it would be very difficult for many candidates who have to appear for English or a Regional language to study the new text-books and acquire the required attainment. In spite of the supplementary examination in October, it is expected that no less than about 65,000 pupil candidates might be presented for the examination in March 1949, there being no detention of the Sixth Form pupils from appearing for the examination and to make arrangements at the last moment for the examination of about another 5000 candidates is a severe strain for my office. However, as the Syndicate of the Madras University has represented that it would be a hardship to candidates who appear for the October examination and fail, to be deprived of the opportunity of taking the examination again in March ~~and~~ it would postpone their chance of joining a college by one more year, and as there is a popular demand likewise, I intend to admit the October failed candidates also for the examination in March. The last date for the receipt of applications from the October failed candidates will be 31st January 1949. I request that my action may be approved.
