Education and Public Health Department.

Sir, Sub: Madras House Allowance - Sri A.M.Sevannah, Technical Educational Officer - Admissibility of Madras House Allowance - approval - Requesting of

In G.O.No.251 Edn dated 5th Feb. 1948, sanctioning of the post of Technical Educational Officer, temporarily, in the Madras Educational Service, on the scale of pay of Rs.230-700, it has not been specified that Madras House Allowance will be admissible to the incumbent of the post. Since the officer is in the regular cadre of Madras Educational Service, I presume that there is no objection to the grant of Madras House Allowance to the officer.

Yours faithfully,

for Director of Public Instruction.

The note at p.1 N.f. of G.O.2021-Edn., dated 14-8-48, applies, with necy. modfns., to the Technical Education Officer in the M.E.S. also. M.H.A. may be sanctioned to him just as it was granted to the Basic Education Officer. Finance may

Under Rule 13 (2) (b) and Note 1 thereunder in the Madras Manual of Spl. pay and allowances (Vol. I), Govt. servants who, though not liable to be employed in the mufassal, draw up a scale in force both in the city and in the mufassal will be eligible for the M.H.A. Such allowance will not, however, be admissible to the incumbent of the post in the city merely on the ground that the pay sanctioned for the post is identical with some mufassal post. The duties of the posts must be comparable. In the present case it is no doubt true that the post of Technical Educational officer has been included

in the cadre of M.E.S. The post, however, is an isolated city post, the qualifications and duties of which are technical and it does not, therefore, satisfy the test at K overleaf. It may be, however, mentioned in this connection that M.H.A. has been allowed to the incumbents of somewhat similar isolated city posts of Chief Inspector of physical Education, and Basic Education Officer, borne on scale of Rs.230-700 in the cadre of M.E.S. Such cases will be very few and may be dealt with on their merits. It is for consideration whether on the same analogy of the cases cited, M.H.A. may be allowed to the Technical Education officer.

Yes. Clearly on merits M.H.A. should be granted in this case.
