pages 39-40 of (R) In their order No.MS.2356 Education,dated 11.10.1937,
Government authorised the Director to sanction an annual grant
for the Mandapam Camp Elementary School, Rannad District, res-
tricted to one half of the net cost, subject to a maximum of
Rs.1200/-... Government have also ordered that this school should
be treated as a school, under public management and not under
private management.

p.7 of 8 (F) 2. Subsequently, in 1946, in G.O.No.2240 MS.Education dated
22.11.1946, Government have approved the proposal to increase
the maximum grant payable towards the cost of maintenance of
the above school, by Rs.210/- so as to cover one half of the
additional expenditure on the opening of standard VI in the
school, it was also ordered that similar increase will be sanc-
tioned for each of the standards VII and VIII as and when they
are opened.

P.T.O.

3. The Superintendent of the school now states that standards VI & VII have been opened in 1946 and 1947 and that standard VIII will be opened in 1948 and that the cost of maintenance of the school has increased. He also states that the Government will not be able to spend such large amounts on the education of Indian children if the Madras Government does not come forward to pay the management the minimum teaching grant paid to the other managements or half the net expenditure whichever is lower.

4. Now that the position of Ceylon has changed I consider that it will be more appropriate to treat this school as an aided institution and to pay the teaching grant according to the rules relating to aided elementary schools.

5. I request that Government may kindly approve the above proposal for treating the school as an aided elementary school, and for payment of the grant to the school with effect from the year 1946, according to the rules relating to Elementary schools.

With reference to the Government Memorandum
referred to above, I have the honour to state that the
additional expenditure that will have to be incurred
by Government if either of the two proposals are adopted
will be as follows:

Taking into account the maximum subsidy admissible
for the school with reference to the present system
i.e. Rs.1,200/- plus Rs.630/- in respect of standards
VI to VIII i.e. Rs.1,830/-, the extra cost to
Government by adopting either of the suggestions
referred to in the Government Memorandum, will be
Rs.3,831/- and Rs.5,355/- respectively.

Regarding para 2 of the Government Memorandum
referred to above, it is submitted that as the Superin-
tendent of the School is pressing for the sanction of
increased grant it does not seem desirable to defer the
proposal for consideration as "Part II scheme for 1949-50".
I accordingly recommend the request of the Superintendent
and request orders of Government in the current year itself

YOURS FAITHFULLY,

FOR DIRECTOR OF PUBLIC INSTRUCTION.

 Schools, Higher Elementary Schools,
 Mandapam Camp - Grant of aid

R/10 The Ceylon Govt. are running an elementary school attached to the Grama Niladhari Camp at Mandapam for the benefit of the children of the masts employed there who are all Indians. Prior to 1937, this Govt. permitted the Dt. Educational Council, Pannal to grant recognition and aid to elementary school as for a private school. In 1937, when the Ceylon Govt. enquired whether this Govt. would make a half grant towards the cost of construction of a building for the elementary school, the view was taken that the school should be classified properly as a public school and not as a private school and that the grants if any to be paid either for buildings or maintenance should be sanctioned by the Govt. (and not by the D.E.C) as a special grant. Accordingly orders were issued in Go. 2356 Edn d. 11-10-37 authorizing the D.P.S. to sanction an annual grant for the school as for a public school restricting it to one half of the net cost of running the school. The maximum limit for the grant was fixed at Rs. 1200/- The building grant asked for was not sanctioned. 2. In 1946, the Director reported to the Ceylon Govt. that opened a Mandapam school and that they planned to open Mandapam school in the succeeding
