Rc.No.2016 B1/48 dated 15-10-1948.

Sir,

Sub: Running of camp conferences in individual districts for the benefit of the non-gazetted subordinates of the department running of camp conference at Coimbatore.

Ref: Letter Rc.No.426 C/48 dated 14-9-1948 from the Divisional Inspector of Schools, Coimbatore Dn.

In submitting herewith a copy of the letter of the Divisional Inspector of Schools, Coimbatore, cited, I am to request Government that necessary sanction may be accorded for the incurring of an expenditure not exceeding Rs.200/- for the running of the Conference at Coimbatore.

2. I am permitting the Divisional Inspector of Schools, Coimbatore Division to organise a camp conference at Coimbatore for the non-gazetted subordinate officers of the department in the Coimbatore District to begin with. He is also being requested to submit the details of scheme of work in this regard.

Yours faithfully,

for Director of Public Instruction.

KHR.18-10.

In the course of my conversation with the Hon'ble Minister for Education at Salem on 12-9-1948 the Hon'ble Minister suggested that training camps in each district should be organised on the same lines as the Saidapet Camp Conference and this district conference will be for the Deputy Inspectors including Junior Deputy Inspectors and school assistants. He added that at least in Coimbatore Division it would be easy to organise these camps as some campers might visit Perianaickenpalayam and some of the actual workers in the Basic Training schools might be invited to give a talk and demonstration to the campers. He desired that such conferences should as far as possible be personally conducted by the Divisional Inspector. I request the favour of your kind instructions in the matter.

In this connection I have to submit that in the running of such camps some contingent expenses have inevitably to be incurred in the matter of arranging for accommodation, carriage of furniture and other articles and expenses in connection with bringing in outsiders to give talks and demonstrations. All these items of expenditure are not covered by the ordinary allotments. It would therefore be necessary to give special sanction for incurring such expenditure and I would suggest that a small sum, say about Rs.200/- may be placed at the disposal of the District Educational Officer who may be authorised to incur the necessary incidental expenses from out of this amount as the occasions may demand and render accounts. It may perhaps be laid down that the expenditure should be limited to Rs.5/- or Rs.10/- ~~per~~ a day. Such expenditure may, I think, not exceed Rs.200/- a year for each district.

In the course of my conversation with the Hon'ble Minister for Education at Salem on 13-2-1948 the Hon'ble Minister suggested that training camps in each district should be organised on the same lines as the Sahasrabhaya Camp Conference and this district conference will be for the Deputy Inspectors including Junior Deputy Inspectors and school assistants. He added that at least in Coimbatore Division it would be desirable to organise these camps as some camps might visit Perambur and some of the actual workers in the Basic Training schools might be invited to give a talk and demonstration to the camps. He desired that such conferences should be far as possible be personally conducted by the Divisional Inspector. I request the favour of your kind instructions in the matter.

In this connection I have to submit that in the running of such camps some contingent expenses have inevitably to be incurred in the matter of arranging for accommodation, carriage, of furniture and other articles and expenses in connection with bringing in outsiders to give talks and demonstrations.
