To The Secretary to the Government of Madras,
EDUCATION & PUBLIC HEALTH Department.

Sir,

Ref: Government Memorandum No. 33051-A1. Edn.
dated 26th May 1948.

I have the honour to submit herewith a
copy of my letter R.C.No. 4987-K3/46 dated 25-2-1947.

FOR DIRECTOR OF PUBLIC INSTRUCTION.

P.T.O.

Copy of letter Rc.No. 498-K3/46 dated 25-2-1947.

Sub: Public Services - Revision of pay ~~xxx~~ scales -
Recommendation of the Cabinet salaries - Committee.

Ref: G.O.No. 223 Edn. P.H. dated 23-1-1947.

I have the honour to submit the following remarks on the Cabinet Committee recommendation.

1. Recommendation No. 4. -- No remarks to ~~efficiency~~ offer.

2. Recommendation No. 5.

The offices of the District Educational Officers and Inspectress of Girls Schools have ~~set~~ to eight clerks for each office and each officer has got only one upper division clerk as Head clerk in the scale of Rs. 55-70. On account of this, there is practically little chance for a lower division clerk to be promoted to upper division within a reasonable time. I, therefore recommend that each office of the District Educational Officers should have three upper division posts and that of the Inspectress two posts. One of these upper division clerks will be a supervising clerk who will draw the supervising allowance as contemplated in recommendation No. 23. I may in this connection state that there are no upper division posts in the office of the Deputy Inspectors and Sub Assistant Inspectress of Schools and the chances of the Lower Division clerks in these offices for promotion to the upper division are only to the posts in the ~~office~~ other offices so that the posts now required in the upper division are quite essential in order to give a fair chance for promotion for the lower division clerks. The number of these clerks including those working in the office of Deputy Inspectors, Sub Assistant Inspectress and Secondary and Training schools is approximately 600. Taking this ~~into~~ into account the promotion of upper division to lower division posts in this subordinate offices would work out only to one to six. The proposals regarding the re-organisation of my ~~office~~ office are being submitted separately.

(3) Recommendation No. 17.

This department employs work-charged establishments in the Engineering College, Guindy and my remarks ~~and my remarks~~ on bringing them as a permanent basis will be submitted later on in consultation with the Principal of the College.

(4) Recommendation No. 18. My proposals will be submitted later on.

(5) Recommendation No. 19. At present the policy of the Government is to make a post permanent only after it has continued as a temporary measure for 5 years. If the intention of Government is to make a change in the present policy as suggested in the recommendation I welcome it. I am of opinion that there is no necessity to keep posts on a temporary basis for such a long time where there is a necessity to continue the posts for a long time.

(6) Recommendation No. 23. Apart from the Superintendents in my office, the Librarian and Assistant Librarian in the Government Oriental MSS Library, Madras I have got the following posts in the Department above the usual upper division scale of Rs. 55-70.

(1) Four posts of Managers of the office of Divisional Inspectors of Schools on B. 85-140

(2) Accountant - College of Engineering, Guindy, on Rs. 70-100.

(3) Headclerks of office of the I.E.S. Madras and Presidency College, Madras on Rs. 70-100.

P.T.O.

I consider that the managers of the office of Divisional Inspectors should be classed as Superintendent on the scale of Rs. 140-190. The Accountant, College of Engineering, Guindy has to do very responsible duties and I recommend that the post may be converted to a Superintendent post on 140-190 as in the case of Managers of Divisional Inspector's office. The Headclerks of the offices of the I.E.S. Madras, and Presidency College, Madras may be upper division clerks with the special pay for supervisory work.

14574 C.No. 42849-A. From the D.P.I. No.4987-K3/46 dt.4-6-48.

Engineering College, Guindy - Conversion of the post of Accountant into that of Superintendent.

In 1947 the Cabinet Salaries Committee made certain general recommendations for improving the conditions of service of Government servants. These recommendations were communicated to Heads of Depts. and they were asked to submit proposals to give effect to the recommendations.

The D.P.I.'s proposals on the various recommendations have been received and orders also have been passed on some of the proposals. This file deals with his proposal that the post of Accountant in the college of Eng., Guindy, may be converted into that of a Superintendent on Rs.140-190.

In G.O. No. 78 Fin. dt.6-2-47 ~~in~~ all Head clerks, Accountants, cash keepers, Supdts. etc. who were in the scale of Rs.100-125 were given a higher scale of pay Rs.140-190 and all posts of U.D. clerks including Head clerks, Accountants, Cash keepers, Store-keepers etc. who were in the scale of Rs.70-100 were given the higher scale of Rs.80-125. The Accountant in the Eng. college, Guindy, comes under the latter category. In view of this ^{revision of} ~~revised~~ pay no further revision seems necessary. Further, the posts of Head-clerks in the Presidency College and Queen Mary's college belong to the same category and if a higher scale of pay is allowed to the Accountant of the Eng. college, Guindy, that higher scale will have to be given to the Head-clerks in the Presidency and ^{the} Queen Mary's college also. It is also unnecessary to change the designation of the post into that of Supdt. Public and Finance may see for remarks.
