LOCAL ADMINISTRATION DEPARTMENT

From Sri. Rao Bahadur S. Joseph Reddy B.A., B.L.,
Special Officer, District Board, Kurnool
P.C.C.1. 2787/48

To The Secretary to Government
Education Department, Madras.

Sir,

Sub:-ELEMENTARY-Education Kurnool District Board Compulsory-
Elementary Education and Public Health for 1948-49-Requested.

While submitting the Budget proposals of this District Board for Elementary Education Account for 1948-49 provision for a sum of Rs.3,27,000/- was made towards the subsidy due from Government under compulsory Elementary Education scheme. Though the official year is almost coming to a close orders sanctioning the grant are not received from the Government. In addition to the above 45 more new centres were opened in July 1948 for which no grant is yet sanctioned. Already the revised budget for the Elementary Education fund account for 1947-48 close with a deficit of Rs.1,29,160/- and application for subsidy to wipe off the deficit is separately pending with the Government. Till now the General balance of the board was encroached upon toward payment of salaries, of the Elementary school teachers including teachers employed under compulsory Education scheme and now it is found not possible to meet day to day expenditure any further unless the above grants are sanctioned atonce.

From 1-4-48 till 31-10-48 a sum of Rs.1,50,000/- has been spent, towards the salaries of teachers employed under compulsory scheme. Thus it can be seen that the General Funds have been encroached upon to a total extent of Rs.1,29,160 + 1,50,000 till now. Owing to this diversion I am unable to find sufficient funds to meet the pressing demands of the Divisional Engineer towards expenditure on roads. If the same state of affairs is allowed to continue, I am afraid that it may not be possible to make regular monthly payment of salaries of the General establishment also. The salaries of Elementary school teachers for October have not not paid so far. The arrear bills towards the payment of enhanced Dearness Allowance and advance increment are also not paid for want of funds. Last year on a similar reference made from this office the Government was pleased to sanction the payment of an advance grant of Rs.170000/- in their order No.2246 Education dated 21st October 47, I therefore request that the Government may be pleased to sanction the payment of an advance grant of atleast Rs.200000/- in view of special circumstances explained above.

Sir,

Sub:- Education-Elementary-compulsion-subsidy sanctioned in
G.O. No. 2852.74n., 6/-2-11-48 supply of books and slates
permission to extend in 1949-50. sought for.

Re:- G.O. No. 2852.74n., 6/-2-11-48.

I have to state that in the Government order cited above a
subsidy of Rs. 6,000/- was sanctioned towards the cost of supply of
books and slates to poor pupils studying in Board elementary schools
of compulsory areas of 1945-46 to 1947-48, along with the subsidy of
compulsory education distributed for the year 1948-49. This was noticed
at the time of claiming the arrears subsidy for the months of April '48
to November '48 on receipt of the Accountant General's authorisation in
January 1949. The Dt. Educational Officer, Cuddalore was addressed in
February 1949 to furnish the school-war particulars of slates and class
text books required to be supplied to various schools and the particulars
are being received from the schools and the Dy. Inspectors of schools.
Since the complete particulars have not been received, it is submitted
that within the short time available it may not be possible to get the
supply of slates and books and extend the subsidy before the close of
the official year 1948-49 calling for quotations etc., according to rules.

During 1946-47, the Government were pleased to accord permission
in their Memo. No. 23290-B2/47.2.4/-17-4-47 to extend the grant sanctioned
early in April '48 and to report through the Director of Public
Instruction, Madras for acceptance.

-ooo-

I have to state that in the Government memorandum
cited above, the District Board, Cuddapah was permitted to
utilise the advance subsidy of Rs.6,000/- sanctioned in
G.O.No.2852,Edn, dated 2.11.1948 for the supply of books and

Accordingly books and slates to the value
of Rs. (4,835-12-0) Four thousand eight hundred and thirty
five and annas twelve only) were got supplied to the schools
during the year 1949-50. Since the firms failed to supply
certain books in time due to want of stock it was not possible
to expend the whole subsidy of Rs.6000/-.

A certificate in duplicate of expenditure actually
incurred on the supply of books and slates to board elementary
schools of compulsory centres in 1949-50 and the statement
showing the details of books etc., purchased and their cost
are sent herewith for information.

I request you therefore, to kindly obtain the
sanction of Government for the expenditure of Rs.(4,835-12-0)
Four thousand eight hundred and thirty five and annas twelve
only actually spent and for expending the balance of the
subsidy of Rs.(1164-0-0) One thousand one hundred and sixty
