OFFICE OF THE
DIRECTOR OF PUBLIC INSTRUCTION,
Madras, Dated 29th Sept. '48.

FROM

THE DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS.

THE SECRETARY TO GOVERNMENT,
EDUCATION & PUBLIC HEALTH DEPARTMENT,
Fort Saint George, MADRAS.

SUB: Colleges - Presidency College, Madras - Zoology and
Botany Students - Instructional tours - Sanction
of expenditure.

72913

IN connection with Part II of the Budget Estimate for
1949-50 the Principal, Presidency College, Madras has submitted
proposals for the sanction of expenditure towards the instruc-
tional tours of the Pass and Honours students of the Zoology and
Botany departments. Similar sanction has been accorded in res-
pect of the students of the Geology Department - Vide G.O.No.713
Education dated 9th April 1947. The Principal states that it has
been the practice to take the students of Natural Science also on
~~long~~ and short distance tours and that the payment of T.A. to the
students by Government may be revived as in the case of Geology
students. The number of students in the Zoology and Botany Depart-
ments is 50 and 57 respectively. As it will be very hard for the
students to meet the expenditure I recommend that an expenditure
of Rs.5,600/- per year with effect from ⁹149-50 may be sanctioned
towards the instructional tours of the students of Zoology and -
Botany Departments.i.e. Rs.2,600/- for Zoology Department and Rs.
3000/- for Botany Department. This expenditure covers only the
transit charges.

*Please see
page 10*

I am including the necessary provision in Part II of the
Budget Estimate for 1949-50.

Yours faithfully,

P. M. S.

for DIRECTOR OF PUBLIC INSTRUCTION.

Presidency College, Madras - Zoology and

Please see the D.P.S.'s letter on H and S of
A natural science students were not paid t.a.
in the past and as t.a. if paid in these
cases will lead to claims from other students
in other subjects i.e. History, Geography etc. the
proposal may be negatived. The students of the
geology dept were allowed t.a. as a special case
as ^{they were getting} it before 1932 and also
because Dr. West, Director, Geological Survey
of India, recommended the revival of the
system of paying t.a. to them. Finance may
