Lt.Col. M. A. Hamid, M.B.E.,
c/o Grindlays Bank Ltd.,
54 Parliament Street,
LONDON, S.W.1.

15th September, 1948.

Secretary to the Government,
Education Department,
Government of Madras.

through

The High Commissioner for India,
India House, LONDON, W.C.2.

Sir,

Owing to orders of the Government of India on my representation to them on the subject of my leave salary being so long delayed, I spent a considerable part of my leave in India and left for the U.K. only in July 1948.

Having come to Europe at considerable expense I feel that I should not miss the opportunity to study the latest advances made by North Western European countries like Sweden, Norway, Denmark, Holland, Belgium and France and the United Kingdom in school management and improved methods of teaching in the last three years. Such a study is bound to be of great value to anyone engaged in Education.

Before leaving Madras for the U.K. I met the Honourable the Minister for Education twice, when I explained that my object in visiting Europe was to study modern trends in Education before resuming my appointment in the Education Department. I was fortunate to have the Honourable Minister's approval of my plan.

I have, since my arrival in the U.K. last month, been accordingly pursuing that study and the Office of the High Commissioner for India are kindly arranging for me to visit the countries named in paragraph 2 in order to study improvements on the spot. *on 29th Oct? — (F) / 1*

My present leave expires on 31st October 1948, and the time at my disposal is very short. As it would be a great pity, having come here at so much expense not to get some tangible results out of the visit, I request that Government be pleased to sanction me an extension of leave for four months, and study leave allowances with effect from 1.9.48. The last request is very important as my leave allowance is utterly inadequate to meet travel and upkeep expenses, especially with the present inflation in Europe.

Yours faithfully,

M. A. Hamid

Sir,

I am forwarding the application from Lt. Colonel M. A. Hamid, M.B.E., in which he has asked for four months of study leave with effect from 1.9.48. Colonel Hamid has been granted leave until October the 31st 1948 but he would like to have a period of four months for the purposes of studying educational methods and recent advances in educational reorganisation and administration in some of the countries of Western Europe. The Education Department of the Office of the High Commissioner for India is arranging a suitable programme of visits to educational institutions in the United Kingdom, and will be glad to sponsor Colonel Hamid's visit to select centres on the Continent. Colonel Hamid is at present utilising his leave in studying the public system of education in the U.K. In forwarding this application, I venture to recommend the sanction of this leave in accordance with terms and conditions offered to members of the permanent service who are deputed for short periods of study abroad. Under these terms Colonel Hamid will be eligible to Bed and Breakfast, plus 15/- (Fifteen shillings) per day while in England, and similar terms on the Continent.

Sir,

SUB: MADRAS EDUCATIONAL SERVICE - Lt.Col.M.A.Hamid,

2. In view of the fact that it would be advantageous to the Department if Lt.Col.M.A.Hamid is enabled to study the latest advances in education in the United Kingdom and other North-Western European Countries, taking advantage of the facilities now offered to him, I recommend that he may be granted study leave for a period of 4 months with effect from 1-11-1948 in continuation of the leave already granted to him in G.O.No.MS.517 Education dated 15-3-1947, after relaxing rule 2 of the Subsidiary Rules under F.R.84, as a special case. As regards leave-salary and allowances admissible to him, attention is invited to Subsidiary Rules 7 and 12 under F.R.84 and also to G.O.MS. No. 2165 Education dated 2-9-1948.

Further to our letter dated 14th September 1948, I have great pleasure in informing you that a letter has now been received from the Swedish Institute for Cultural Relations. The Director of the Institute writes:-

"We were very interested to hear that Lt. Col. M.A. Hamid is intending to visit Sweden to study elementary and secondary school education there. We shall be very glad to -- arrange contacts for him and to draw up a programme for him including, if he so wishes, visits to the Folk High Schools for which Scandinavia is so well known.

"If Lt. Col. Hamid will let us have his exact dates as soon as they are settled and also any particular wishes he may have or any special aspects he desires to study, we shall be delighted to do all we can to help".

PERSONAL

BY AIRMAIL

My dear Avinashalingam Chettiar,

I am writing this personal letter on behalf of Lt. Colonel M. A. Hamid, M.B.E., who is at present in the United Kingdom on leave. I have addressed an official communication to the Secretary of the Ministry of Education, Government of Madras, forwarding Colonel Hamid's application for the grant of study leave for a period of four months beginning the 1st of September. Colonel Hamid is now utilising his time in this country in thoroughly acquainting himself with the many post-war developments in the field of education in the U.K. He is desirous of spending about three months on the Continent, partly to study educational organisation in Sweden, Denmark, Belgium and France. In view of your own plans for development in the Province of Madras, it may be a great advantage to have an Officer of your educational service thoroughly acquainted with recent developments in this part of the world. If this suggestion commends itself to you, I am sure you will give the necessary directive to the Secretary of the Ministry of Education sanctioning study leave for Colonel Hamid, together with Travelling and Daily Allowances towards journeys performed. The Office of the High Commissioner for India are arranging to obtain the necessary facilities for Colonel Hamid in his study tour.

With best regards,

The Hon'ble Mr. Avinashalingam Chettiar,
Minister of Education,
MADRAS.

Yours sincerely,

M. S. Sundaram
M.S. SUNDARAM.

Confidential

5-10-1948.

My Dear Sundaram,

I am rather surprised at Colonel Hamid's action. He had 24 months of leave to his credit. He could have gone earlier to England for training if he had been really very much interested in Education. But instead he has cared to while away his time here and go at the fag end of his leave to England and asks for extension of leave with pay. In these circumstances, I don't think it will be possible for this Government to give him leave with allowances.

Yours sincerely,

Sd. T. S. A.

and upkeep expenses. This request he makes only after
going to England. He is due to retire in Novr. 1951 and
^{after his return to India} thus his services will be available ^{only} for little less than
3 years. If he had gone overseas during an earlier
~~part of his leave~~ ^{when he was} ~~drawing half-pay~~,
inadequacy of allces. would not have arisen. There
seems to be no justification whatever to comply with
this request. He may be granted only such leave (quarter
average pay leave or even extraordinary leave, if neccy)
as he may be eligible for.

The proposal of the
is to grant ^{only that} leave to which

Let Col. Hamid, permanent Dist. Inspr of Schools is eligible in continuation of the leave already granted to him out of India to enable him to study the latest trends in modern education in some of the northwestern European countries. They do not however recommend the request of Lt Col Hamid for study allowances in U.K or in the Continent. Finance may agree with the new of ERPA

A copy of the High Commissioner's letter was apparently sent to the D.O. The Air. has now written to Govt. to recommend the grant of study leave to Lt. Col. M.A. Hamid for 4 months from 1.11.48 in relaxation of the relevant rules under the F.Rs, with leave of study allowances. This dept. may continue to remain of the views expressed at P.I. and may recommend that the Govt.'s proposal need not be accepted.

This is rather surprising. The man has had 24 months leave. He spends the time willy-nilly throughout the period and at the end he goes to England of his own accord and even from there, wants with allowances. If he had been so interested in education, he must have gone much earlier within his leave itself. His request need not be complied with. Only such leave to which he is entitled to may be granted.

The A.G. has certified that Lt. Col. Hamid "is eligible for extn. of extraordinary leave for 4 months from 1.11.48 or leave on 1/4 average pay if supported by medical certificate". As the extn. of leave applied for by the officer is not for medical reasons & the condition underlined is not fulfilled, extraordinary leave may be sanctioned. A draft order is subd. No specific consent of the officer for extraordinary leave being sanctioned seems necessary as the effect of B above is that no other leave
