R.C.NO.216-M/48 dated 18--8--1948.

Sir,

Sub: Basic Education - Opening of a Special Camp for training
Manual Training Instructors in Basic Education.

REF: Your D.O.No.48890-B2/481 Education dated 10th July 1948.

The Hon'ble Minister for Education in his minutes dated 2-7-1948 suggests that spinning may be introduced in all Higher Elementary Training schools by appointing A.I.S.A. trained men. They have very poor general educational qualifications, if at all and they will become a burden upon our schools, since what is required now is not personnel for mere craft teaching but for teaching crafts as bases for instruction in general knowledge. Hence I consider that it is not desirable to draft A.I.S.A. trained spinning instructors in Training Schools.

The Hon'ble Minister for Education also suggests in his minutes that all manual training instructors may be given training in Basic Education for three months and that a special camp may be opened for the purpose. It is found that there are only about 10 Weaving Instructors in Training schools and that the rest are trained in rattan work, wood work etc. I consider that it is enough if the Weaving Instructors are alone ~~are~~ given a refresher course in Khadi spinning and weaving and the rest may be allowed to continue their particular crafts in the schools concerned. These weaving instructors may be deputed to Tiruppur or other Khadi Weaving Centres for observation and participation in the Khadi production processes for a period not exceeding 2 months. I shall submit detailed proposals in this regard on receipt of a reply from the Secretary A.I.S.A. Tiruppur who has been addressed in the matter.

The intention of the Hon'ble Minister for Education seems to be that cloth craft should be introduced in all the Training Schools as early as possible. Training in spinning and weaving should go together; the yarn produced in every school must be woven into cloth in the same school or in a neighbouring school and not sent to any long distance. It is only then that any defects in spinning will be diagnosed and checked then and there. Hence it is quite necessary to have teachers capable of teaching both spinning and weaving as a composite process. It is also necessary.....

4 2
also necessary that teachers who impart instruction in spinning and weaving in Training Schools should be atleast secondary --- grades if not graduates. Then only they will be able to present the craft in a background of the related general knowledge.

I, therefore suggest that 40 Secondary grade teachers from Government Training Schools in Tamil Districts may be selected and trained in Spinning and weaving at the Basic Training School for Men Cuddalore for a period of 6 months from 1st November 1948. The teachers deputed from training may be paid a stipend of Rs.18/- per mensem during the period of training in addition to their pay and the usual allowance. The period of training may be treated as duty. A

To teach the subjects it is necessary to have two weaving instructors in the Basic Training School for men, Cuddalore. I, therefore, request that 2 posts of weaving instructors in the -- scale of 45-3-60-2-90 the scale admissible to the Assistant Manual Training Instructors in wood work (in Men's branch) may be sanctioned for a period of 7 months from 1st October 1948. Before the class is actually started it is essential that the instructors should have atleast a month's time to equip the class and to make necessary arrangements so that the class may begin to function from 1st November 1948. W

The cost on account of the proposal during 1948-49 and the ultimate cost will be Rs.14300 and Rs.21,300/- respectively as - shown hereunder:

	COST IN 1948-49. From Nov.48 to March 1949.	ULTIMATE COST.
Stipends for 40 teachers @Rs.18/- per mensem	2,880 ..	4,320
Pay and allowances for 40 substitutes to be appointed in the place of teachers deputed in the scale of Rs.45-90. I	7,200 ..	10,800
Dearness allowance for the sub- stitutes @Rs.22/- ..	3,520 ..	5,280
2 posts of Weaving Instructors in the ~~Basic~~ scale of 45-3-60-2-90 I	450 ..	630
each. I (from 1-10-48)	220 ..	308
Dearness allowance @ Rs.22/- (from 1-10-48.)	14,270 or ..	21,338 or
	14,300 ..	21,300.

The other expenses can be met from the normal allotment sanctioned for the Basic Training School, Cuddalore (for Men). The expenditure during the current year can be met from the lump sum provision sanctioned by the Government for the expansion of Basic Education. I request the Government.... B

Government to approve of the proposal.

As for the Telugu District, I am writing to the Secretary, A.I.S.A. Masulipatam requesting to say whether it would be possible for him to arrange for a 6 months training course for 40 -- Secondary Grade teachers in spinning and weaving. On hearing from him I shall write to Government in the matter.

I request the favour of early orders.

Note for circulation to Health Ministers

Sub:- Training of teachers in Spinning and Weaving for Govt. Training Schools.

In July last H.M. (Edn.) ordered that arrangements be made for getting sufficient number of teachers trained in spinning and weaving so that the services of these teachers ^{might} be utilised for imparting instruction in ^{these subjects} spinning and weaving to candidates undergoing training in Govt. Training Schools. The D.P.I., who was asked to submit proposals in the matter suggested that 40 secondary grade teachers from the Govt. Training Schools in Tamil districts might be selected and deputed for training for a period of 6 months in the Govt. Basic Training School at Cuddalore. During the period of training each teachers ^{will be} ~~was to~~ be allowed a stipend of Rs.18/- p.m. in addition to pay and allowance admissible to them in Govt. service. As the course of training was to commence from the 1st November 1948 orders had to be issued on the proposals urgently. It was not, therefore, possible to place the matter before the Standing Finance Committee and the Cabinet. The procedure ^{laid down} ~~fixed~~ for cases of extreme urgency, (i.e., circulation to H.M. (Edn.), H.M. (Fin.) and H.Pr.) was adopted. ^{in cost of Rs. 14,200 in the current year and Rs. 28,800 ultimately} The matter may be reported to the other H.M.s. for information.

I think that all Higher Grade Training Schools should forthwith be equipped with a Spinning Instructor trained in the All India Spinners' Association. Proposals may be made in consultation with the Basic Education Officer immediately for that purpose or better still the present Manual Training Instructors in the Training Schools may be trained for 3 months in Basic Education. Arrangements for this purpose may also be made immediately. A Special Camp may be opened through the A.I.S.A. for this purpose, the cost of which may be met out of the 9 lakhs of rupees allotted for basic education in this year.

If steps are to be taken in this direction, they must be taken immediately. ~~and time should not be taken~~

Please see the remarks and the proposals submitted by the D.P.S. in his letter on pp3-5 c.f. with reference to the minutes of H.M. above.

In the proposal of H.M. to equip all Higher grade Training Schools with a spinning Instructor trained in the All India Spinners' Association, the D.P.S. thinks that ~~the suggestion~~

Copy to the D.P.I.

2
It is not desirable to draft All-India Spinner's Association trained Spinning Instructors in Training schools as they have poor general educational qualifications.

2. As regards the training to be given for three months in Basic education for the Manual Training Instructors employed in Government training schools and the opening of a special camp for the purpose through the A.I.S.A., the D.P.I. considers that it is enough if such training is given to ten weaving instructors now employed in training schools. He states that detailed proposals for this purpose will be submitted to Govt. shortly. His proposals may be awaited.

3. At the same time, the Director proposes that 40 secondary grade teachers from Govt. training schools in Tamil Districts may be selected and deputed to the Govt. Basic Training School at Cuddalore for training in spinning and weaving for a period of six months from 1-11-48. He requests that stipends at usual rate of Rs.18/- per mensem may be paid to the trainees and that two posts of weaving Instructors in the scale of Rs.45-3-60-2-90 may be sanctioned for the Basic Training School for a period of seven months from 1-10-48 for reasons given at N on p.4 c.f. The cost in 1948-49 and the ultimate cost on the proposal have been indicated at Z on p.4 c.f. The D.P.I. suggests that the cost in 1948-49 may be met out of the lump sum provision made in the current year's budget for the expansion of Basic Education. Since the proposal to introduce spinning and weaving in Govt. Training schools may accelerate the spread of Basic Education, it may be accepted. The proposals in respect of Telugu Districts promised by the Director may be awaited.

4. Finance may see for remarks before circulation.

Finance (E.III).

Please see the minutes of H.M.(Edn.) and the notes of E.P.H. on pp.1-2 above.

In the circumstances explained, the proposal to

give training to 40 secondary-grade teachers employed in the Government Training School in the Tamil districts, involves an extra cost of Rs.28,800 as follows may be accepted.

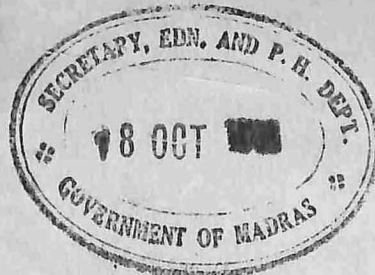

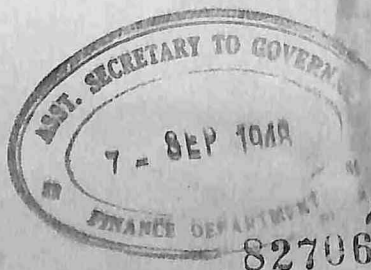

(i) Stipends at Rs.18 p.m. for 40 teachers for 6 months	Rs. 4,320
(ii) Pay of substitutes for 6 months	23,160
(iii) Pay of 2 weaving instructors for 7 months	1,351
	28,831
	or 28,800.

In the circumstances explained, this Deptt. may agree with the views of the E.P.H. 7. Basic Education - voted.

2. As the cost exceeds Rs. 20,000, it will have to be placed before the S.F.C. and the Cabinet before issue of orders.

'X' above. As the proposed training class are to begin from 1-11-48, there will not be sufficient time to place the proposal before the S.F.C. & the Cabinet. The procedure for cases of extreme urgency may be adopted (circulation to H.M. Edn., H.M. Fin. & H.P.).
