Schools-Aided- Secondary-Levy of fees in excess of standard rates. Prescription of a maximum.

Memo. No. 60292/47-B1-1 - Education dated 30-7-47

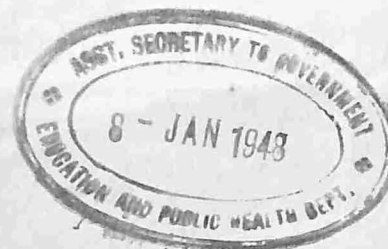

Representations have been made that in many aided secondary schools in the Province, fees are being levied in excess of the standard rates and that in certain schools the rate of fees in Forms IV to VI has been raised to Rs.7/- and in Forms I to III to Rs.4/- besides the number of instalments being increased to ten. The D.P.I. is requested to ascertain and report whether this is a fact and ~~report~~ whether a maximum ^{limit} ~~may~~ may be fixed. He is also requested to report whether in view of the fact that the managements are now getting additional income on account of the increase in the number of instalments and the rates of fees they may be compelled to adopt to their teachers the scales of pay fixed for those in Govt. service for the staff under their employ.

Sir,

* SUB:- Schools = Aided = Levy of fees in
excess of standard rates = Pres-
cription of amaximum.

REF:- Government Memorandum No.60292/47/
B.1/1 Education, dated 30th July 47. *Plante*

With reference to the Government Memorandum
quoted above, I have the honour to state that from
the reports received from the Inspecting Officers,
it is found that it is a fact that managements are
collecting fees in excess of the standard rates and
that in certain schools the rates of fees in Forms
IV to VI has been raised to Rs.7 and in Forms I to
III to Rs.4/-. I may add, that such levy is being
made by managements with reference to the discretion
permitted by Rule 83 (Chapter VII) of the Madras
Educational Rules. As some of the managements are
already levying Rs.7/- at 10 instalments and Rs.4/-
at 10 instalments for the forms IV to VI and I to
III respectively and to avoid all troubles with the
managements the following upper limits are suggested
as I agree that there should be an upper limit.

Forms IV to VI ... Rs.70/- (i.e. 10 instalments
at Rs.7/-)
Forms I to III ... Rs.40/- (i.e. 10 instalments
at Rs.4/-).

As regards the adoption of the scales of pay
fixed for those in Government service for the staff
under private managements, Government have already
passed orders insisting on managements to adopt at-
least the local body scale of pay. Therefore it
seems desirable to wait and watch the extent to
which managements give effect to the above orders
of Government.

I understand that in many schools throughout the province, the fees in forms IV to VI has been raised to Rs.7 or above and in forms I to III to Rs.4 and this for ten months. I shall be glad if a circular could be ~~sent~~ issued and the facts elicited. In view of certain representations that I have received, we shd. look into the matter and ~~see~~ see whether a maximum could be fixed and also whether in view of the increased fees that we are getting we should not compel them to pay at Government rates.

Memo no 60222/47-1 Edu dated 30.7.1947
From the D.P.D. RC. 613 5/47 & 5.1.48

p1 of
p3 of

The standard rates of fees for secondary schools under the management of Govt and local bodies are laid down in Rule 89-A of the M.E.R. According to these rates, the instalment of fees for Forms IV to VI works out to Rs 4-0 and for forms I to III to Rs 2-12-0. Under rule 83 of the M.E.R. the rate of the levy of fees is left to the discretion of the managers in aided secondary schools but they may be required to levy reasonable fees. The D.P.D. reports that it is a fact that managements of aided secondary schools are collecting fees in excess of the standard rates and that in certain schools the rates of fees in Forms IV to VI has been raised to Rs 7 per instalment and in Forms I to III to Rs 4 per instalment. In order to avoid all troubles with the managements he suggests that the upper limit for forms IV to VI may be fixed at Rs 70

(i.e. 10 instalments at Rs 7) and for Forms I to III Rs 40 (i.e. 10 instalments at Rs 4). For orders whether the Director's suggestion may be accepted. This will legalize the existing practice.

2. According to G.O. no 115428u & 5.6.47.

Managements of aided secondary schools should at least adopt for the staff under their control, the revised scales of pay fixed for teachers in secondary schools under local bodies. It is open to them to adopt the scales of pay fixed for those in Govt service if they can afford to do so. In regard to the suggestion made by Mr. (Hon) that they should be compelled to pay at Govt rates, the D.P.D. considers that it would be desirable to wait and watch the extent to which the managements give effect to the orders of Govt before proceeding further. The Director's view may be accepted. If all private managements were to be compelled to adopt the Govt scales, they might apply for more financial assistance from Govt and Govt will be put to additional expenditure

by way of teaching grant even if the basis of assessment is not increased above two thirds. In view of the present financial stringency and in the circumstances stated by the Director, it is perhaps unnecessary to compel managements of aided secondary schools to adopt the Govt scales of pay for their teaching staff.

3 For purposes of assessment of teaching grants, expenditure incurred by managements in payment of salaries, not exceeding those admissible to Govt servant in corresponding grades is treated as approved expenditure. The question whether a press Communiqué should be issued in this regard so that such of the managements as can afford to adopt the revised scales of pay fixed for teachers in Govt schools may adopt them & claim the teaching grant on the revised basis has been raised separately. The same has been circulated for orders.

4 This may be circulated to HM (Edn) for orders with reference to his minutes on pt ante. May be deferred for the present.
