Re. No. 200 H.1/47

Station MADRAS, Dated the 31st October 1947.

From (Name) Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
(Designation) Director of Public Instruction

To The Secretary to the Government of Madras,
Education and Public Health Department.

Sir,

The Accountant General, Madras in his audit report on the accounts of the workshop attached to the College of Engineering, Guindy for the year 1946-47 has pointed out that about 60 c.ft. of Teakwood costing more than Rs.1000/- was purchased locally during the year from Mr. N.V. Abdullah instead of through the Forest Utilisation Officer. An extract of the Accountant General's audit note para X 4(1) is herewith furnished.

Para 4 - Purchase of Teakwood from the Local market.

(1) About 60 c.ft. of teakwood as shown below costing more than Rs.1000/- was purchased during the year from Mr. N.V. Abdullah instead of through the Forest Utilisation Officer. In view of the fact (1) that two consignments of teakwood of 400 C.ft. each were received on 30th September 1946 and 6th December '46 and that there is a balance of 171 C.ft of teakwood on the date of inspection (30-4-47) and (2) that the purchase through the Forest Utilisation Officer should have been far cheaper, the reasons for making these local purchases of 60 c.ft. may please be communicated to audit. There is nothing on record to show that the rates paid to Mr. N.V. Abdullah were compared with what the

with what the purchases through the Forest Utilisation Officer would work, taking into account all incidental charges such as transport (Railway freight etc).. Sawing and wastage. This comparison may be done now and the loss to Government owing to this local purchase worked out and reported to Government.

Indent No.	Date.	Quantity purchased C.ft.	Rate. Rs.
W.S. 36	10-3-47	20 - 10 - 0	16 - 12 - 0
W.S.L.15	do	do	do
W.S.37	12-3-47	20-0-0 (Planks)	24 - 0 - 0
W.S.36	10-3-47	7 - 3 - 6 (Rupees)	15 - 8 - 0

In the Principals' reply to the points raised in the audit note it was stated that owing to urgent requirements of furniture for the newly started Anantapur College, the scantlings and planks were purchased locally from the lowest tenderer. The loss to Government owing to the local purchase works out to Rs.75-8-9.

I am enclosing herewith a copy of the letter Rc.No.34 S.K/47 dated 17-10-47 of the Principal, College of Engineering, Guindy for information. In the circumstances stated therein the local purchase of timber instead of from the F.U. Officer may be approved. I may also add that there was delay in getting the supply from the F.U. Officer owing to the shortage of waggon. However with the improvement in position in regard to transport, ventek and other timbers required in large quantities for instructional purposes by the college are now being obtained through the Forest Department.

R.C.No.34/S.K./47.

College of Engineering, Guindy,
Madras 15: dated 16/17-10-47.

To

The Director of Public Instruction, Madras.

Sir,

Sub:- Audit Report on the accounts of the Workshop attached to Engineering College, Guindy by the Accountant General, Madras.

Ref:- Proceedings R.C.No.200-H-1/47 dated 7-10-47.

With reference to above, my remarks are submitted as follows:-

The cost of teakwood (68-11-6) cft. purchased from Mr. N.V. Abdullah works out to Rs.1290-15-0.

To get (68-11-6) cft. of Teakwood in the shape of planks and reapers, (137-11-0) cft. of Teakwood in the form of Logs would have had to be purchased from the Forest Utilisation Officer, since the wastage in cutting the logs to proper sizes comes to 50%. The wastage is in the form of saw dust, wood shavings and chips.

The cost of (137-11-0) cft. of Teak logs from the Forest Utilisation Officer at Rs.8-13-0 per cft. (includes all incidental charges) works out to Rs.1215-6-3.

The loss to the Government owing to this local purchase works out to Rs.75-8-9.

Owing to urgent requirements of furniture for the Anantapur College, this local purchase of teakwood was inevitable.

Sd/ J.J. RUDRA,
PRINCIPAL.

The draft order may be accepted
 subject to following remarks:
 (The loss involved is Rs. 75-8-9.)

The loss is worked out on the basis that
 (137-11-0) cft. of teakwood was in the form of
 logs would have had to be purchased from the Forest Utilization
 Officer allowing for wastage of 50%. E.P.H. may be requested
 to verify from the C.E. of Forests whether this estimate is
 correct before issuing the draft order overleaf as the allowance for
 wastage seems to be excessive. D. S.P.H.
