Reference vehicle issue order from G.H.O. (1) A.P.O. New Delhi
Gr/101/G Os -4c dated August 1948

I am directed to state that according to the scale of ~~scale~~ of the N.C.C. Senior Division 9 trucks 15 Cwt 4x2 G.B will have to be supplied to the Senior Division of the N.C.C. in this Province, four for the 1st Infantry Battalion with headquarters at Madras four for the second Infantry bat-talion with headquarters at Tiruchirapalli and one for the Engineering Platoon at the Engineering College Guindy. I am directed to enquire whether the vehicles intended for supply to these units have been completed and are ~~ready~~ ready for issue. I am also directed to Enquire whether arrangements will be made for the despatch of the vehicles to the headquarters of each unit if so desired or whether the vehicles should be taken delivery at Avadi itself.

Yours faithfully.

Copy of letter from the Commandant 1st Madras Bn N.C.C.No 133/N-C dated 5-10-48

The colleges are all situated in Madras. Inorder to have a control on vehicles centrally it is proposed to hold all the 4x15 C.W.T in one place i.e near the headquarters of the battalion.

In the meanwhile could a transport of any description from the pool of P.W.D. be made available. Under the circumstances move from place to place on duty cannot be made. Suggest car 4x4 Jeep

One 15 CW.T truck held in charge of the U.O.T.C. is to be handed over to the S.T.O vide Hq Madras Sub-area letter No 01119 G dated 17-9-48

Copy of para 3 of the letter from the officer Commanding 3rd
Madras Engineering Platoon No 0003/48/3 Engineer/N.C.C. dated
4 -10-48

Supply of transport As per regulations of the N.C.C. Engineer
Unit is authorised for one new 4x2 Ford Truck with a civilian driver.
It need not be over emphasised that in the preliminary stages of
raising a unit, lack of transport or transport facilities will be a
severe handicap. Hence it is requested that this will receive
immediate attention and priority.

Extract from the letter from the officer commanding 2nd Madras Bn
N.C.C. dated 7-10-48 No N.C.C./88/48

The one truck mentioned in para 1 of your letter has been in use
with the U.O.T.C. for the last six years and I do not think it is
desirable to take this over for the N.C.C. as any money paid towards
its cost will be a waste. Hence I suggest that all the four trucks
that is allotted to the Unit be taken over and the present truck
in use be returned to the Ordnance. As the two companies are loca-
ted outside Trichinopoly it will be necessary to have the two
trucks sent over to these two companies headquarters and two trucks
be kept in the headquarters at Trichinopoly. Arrangements will be
made in due course for the garages at the respective places.

Platoon, Madras. The C.O.O, Vehicle Depot Avadi, who was advised in the matter has reported that Army Headquarters (1) G.O. order NO G.V./101/2/08-4C & 8-7-48 has already been cancelled and that no further action can be taken by the depot in the matter - (Vide copies of correspondence enclosed). The Commandants of the Units are pressing for the supply of these trucks as in the preliminary stages of raising a unit lack of transport or transport facilities will be a severe handicap. I am therefore directed to request you to ~~advise~~ the Army Headquarters and arrange for the supply of these trucks as expeditiously as possible ^{at the headquarters} of each unit. If it is not possible to supply ^{all} the trucks immediately at least 3 trucks may be supplied, one for the 1st Madras Bn, one for the 2nd Madras Bn ^{at Tiruchirappalli} and one for the 3rd Madras Engineering Unit ^{at Quindry} and the remaining vehicles ^{may} be supplied later on.

In this connection, I am directed to enquire whether it is necessary to maintain as many as four trucks for the 1st Madras Bn as all the four companies ~~are~~ are located in Madras and it is proposed to keep these trucks in one central place for the use of all the companies.

Yours faithfully.

The Commandant of the First Battalion of the N.C.C. told me he is making tentative arrangements for the appointment of a Driver for the truck which he expects to get to Madras. Who is the appointing authority for a Driver?

If it has not been fixed yet, would it be possible to nominate the Commandant as the appointing authority?

If there should be any difficulty ^{we} for this on the ground that he is not an officer of this Govt. to ^{while} appoint the driver who will be attached to the civilian cadres of this Government, I think ~~the~~ arrangements may be made for the Commandant, who would be the officer immediately in supervision of these drivers, to be the selecting authority, and for formal orders being issued by a competent authority as per the selection of the Commandant.

National Cadet Corps - Senior Division - Supply of 1500 Trucks
The Commandant of the First Battalion, N.C.C.,
showed me a telegram which have been received by the
Commr. of Police and forwarded to him, showing that the
trucks intended for the Senior Division of the N.C.C.

have been despatched and are expected to arrive in
Madras to-day. The telegram does not make it clear
whether all the 9 trucks which are on the schedule for
the Senior Division are coming down or only those inten-
ded for the First Battalion. Anyway, the Commandant,
First Battalion, is making arrangements to have them
taken delivery of and driven to the premises of the
Police Station in the Fort where they will be kept under
the custody of the Police. He has made these arrange-
ments in consultation with the Commr. of Police. Now
that the trucks have arrived, drivers will be necessary
to look after the respective vehicles and I have asked
the Commandant to make temporary appointments of drivers
for the four trucks intended for this Battalion, on the
same scales of pay as is paid to our civilian Government
Motor Transport drivers, and to send a report to us.

15-10-48.

Secretary.

In view of the above note, it does not seem
necessary now to address the Director National Cadet
Corps now in regard to the supply of these trucks.
The draft letter below has been withheld from issue.

2. As the trucks have arrived, it seems unnecessary
to make temporary arrangements for the supply of
a motor transport from the P.W.D. pool to the Commandant
of the 1st Madras Battalion.

3. The file relating to the fixation of pay of
Motor Drivers & cleaners has been sent to P.W.D. Office.
As the question referred to in para 2 above need not
be considered now, P.W.D. may be requested to pass on
the file to Finance.

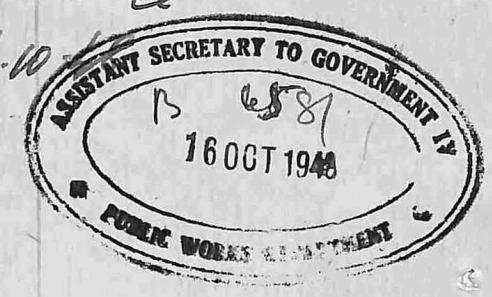

4 with reference to Secy's note on page 8 of it is noted that rules have not yet been framed governing the appointments of the Curlew staff of the rec. Pending the issue of rules there is no objection to the Commandants of the Units making temporary appointments of drivers & cleaners if sanctioned.

It has been ordered that the appointment of drivers for the lorries attached to the N.C.C. Units should go before the Standing Finance Committee - although we pressed, having regard to the fact that the lorries are expected to be taken delivery of shortly, that the emergency procedure might be adopted.

I believe that, in the meanwhile, we have issued instructions directing the Commandant of the First Battalion to appoint drivers in anticipation of Govt. sanction. I am not sure whether we issued further instructions giving the sanction also, or whether we authorised the Commandant of the Second Battalion and of the Engineering Unit also to appoint drivers. Anyway it is now necessary that the whole matter should be re-examined in view of the decision that the question should go before the Standing Committee and all orders withdrawn except instructions for appointment of temporary drivers on daily wages to take delivery of the vehicles from White Field. Please take immediate action accordingly.
