From the Director of Public Instruction, dated 8th January 1948, Re. No. 2745-G/47.

Order—No. 295, Education, dated 14th February 1948.

In connection with the grant of the allowance to headmasters of secondary schools sanctioned in G.O. No. 975, Education, dated the 10th May 1947, with retrospective effect from 1st January 1947, the question has been raised whether it can be paid to those who were actually on duty on 1st January 1947 irrespective of their seniority or tenure of appointment and whether the strength of classes IV and V should be taken into account in fixing the rate of allowance payable to headmasters. The allowance is for performing the duties attached to the

post of headmaster and it should therefore be paid to those who were actually on duty and the amount of the allowance should be fixed with reference to the strength of the school in which they were serving during that period. The transfers effected with reference to paragraph 6 of the Government Order referred to above should not affect the claim for the allowance. The strength in classes IV and V should also be taken into account for the purpose of fixing the amount of allowance payable to headmasters of

secondary schools, as the allowance really relates to the number of pupils whom the headmaster has actually to manage.

2. The Director of Public Instruction is requested to communicate the above orders to the managements of aided secondary schools.

RC.No.A.13.27921/47 dated 3.12.1947

Sir,

Sub: ESTABLISHMENT - Secondary Schools - Payment of allowance to Headmasters - information - requested -
Ref: G.O.Nos.975 and 1852.Education dated 10.5.1947 and 22.8.1947.

Allowances at the rates of Rs.10/- and Rs.25/- have been sanctioned by Government for headmasters of board secondary schools with retrospective effect from 1st January 1947.

2. Sri T.S. Velayutham Pillai, B.A., L.T., the senior-most of the headmasters in service was Headmaster of the Board High School, Papanasam from 1.1.1947 to 12.6.1947 but the strength of this school was below 500. He was transferred in June 1947 to the Board High School, Tiruvarur the strength of which is over 1000. He has been paid the allowance of Rs.25/- only after his transfer to Tiruvarur.

3. Sri S. Santanam, M.A., L.T., was officiating as Headmaster, Board High School, Kodavasal in a permanent vacancy from 1st January 1947 to 17th June 1947 and had to be transferred to the Board High School Orathanad and another headmaster senior to him posted in his place. Kodavasal has been having more than 500 pupils on the rolls while Orathanad has less than 400. Sri Santanam was to be paid the allowance of Rs.25/- for the period he had actually worked at Kodavasal after 1.1.1947.

4. Sri S. Panchanatham Pillai, M.A., L.T., Assistant, acted as Headmaster of the Board High School, Pattukottai in a leave vacancy from 18.10.1946 to 6.4.1947. This school has been having more than 500 pupils on its rolls. But the allowance of Rs.25/- was not paid to him for the period from 1.1.1947 to 6.4.1947 and he is asking for its payment.

5. It will thus be seen that senior headmasters entitled to this allowance have not been paid this allowance as they happened to work in schools with less than 500 pupils. Juniors who worked in bigger schools have also not been paid this allowance. Only seniors who had actually worked in schools with 500 pupils and more on and after 1.1.1947 have been paid retrospectively by this district board.

6. There is one other point in respect of which doubts have been raised. A few secondary schools have the fourth or fifth class or both classes working besides forms I to VI. The strength in the two classes is sometimes a hundred and more and pulls up or pulls down the strength of pupils in a school. While schools with a large number of pupils in the forms may not exceed the 500 limit in the absence of the fourth and fifth classes, other schools with a smaller number of pupils in the forms may exceed 500 merely on account of the fourth and fifth classes still continuing in these schools.

7. I therefore request Government may be pleased to issue instructions:

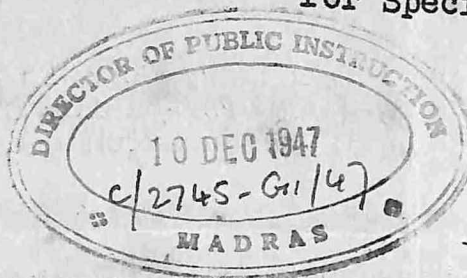

- (a) whether the allowance can be paid to headmasters of secondary schools who were actually on duty on 1.1.1947 irrespective of their seniority or tenure of appointment,
- and (b) whether the strength in classes 4 and 5 should be taken into account for fixing the rate of allowance payable

payable to headmasters.

2. Para 7(a) of the Special Officer's letter: The atten-
tion of the Special Officer may be invited to sub-para of para 6
of G.O.No.975 Edn., dated 10-5-1947 wherein it is laid down
that it is desirable to examine afresh the cases of seniors in the
respective scales and posts and to appoint deserving persons
among them to posts carrying allowances and he may be informed
that Headmasters who were actually on duty on 1-1-47 cannot be
paid the allowance irrespective of their seniority.

3. Para 7(b) of the Special Officer's letter: This is an
important question. Most of the secondary schools work with
forms I to VI only. There are, however, a few schools where
classes IV and V are in existence. For the sake of providing
the necessary accommodation to pupils in higher forms, the
inspecting officers have been advised and insist on the
managements of schools to do away with classes IV and V as far
as possible. In regard to the determination of the strength
that has to be taken into account for fixing the special
allowance, it is desirable that for the sake of uniformity,
the strength in Form I and above alone should be taken into
account.

ORDER (PS) NO. 295. EDN., DATED 14-2-1948.

In connection with the grant of the allowance to
headmasters of secondary schools sanctioned in G.O. No.
975, Edn., dated the 10th May 1947 with retrospective
effect from 1-1-47, the question has been raised whether
it can be paid to those who were actually on duty on
1-1-47 irrespective of their seniority or tenure of
appointment and whether the strength of classes IV & V
should be taken into account in fixing the rate of
allowance payable to ^{headmasters} them. The allowance is intended
for doing the duties ^{person} of headmaster and it should there-
fore be paid to those who were actually on duty and the
amount of the allowance should be fixed with reference
to the strength of the school in which they were serving
during that period. The transfers effected with refe-
rence to para 6 of the G.O. referred to above should
not affect the claim for the allowance. The strength
in classes IV and V should also be taken into account
for the purpose of fixing the amount of allowance
payable to Headmasters of secondary schools, as the
allowance ^{really relate} bears a relation to the number of pupils
whom the headmaster has actually to manage.

(1). whether the allowance fixed for headmasters of Secondary schools may be paid to those who were actually on duty on 1.1.47 irrespective of their seniority or tenure of appointment.

In para 6 of G.O. no 975 Edu S. 10.5.47, the Govt directed that in view of the grant of allowance to headmasters, the cases of seniors should be examined afresh and deserving persons among them should be appointed to posts carrying allowances and that orders in that regard
