From SRI D.S.REDDI, M.A.(Oxon),
Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department.

Sir,

Sub: Elementary Education - Schools under Private management -
Pudukkottah State -Payment of grant for May 1948 - Sanc-
tion of allotment.
Ref: Govt. Memo.No.23130-B.2/48-5 Edn dated 22-6-48

The Director of Public Instruction, Pudukkottah in his letter ROC.No.A.3-1244/48 dated 8-7-48 (copy submitted herewith) has applied for urgent sanction of an allotment of Rs.2798/- for payment of grant to teachers in elementary schools under Private management. In view of the instructions issued in para 3 of the Govt. Memo. cited above and as the month of June also is now over, I am instructing the District Educational Officer, Tiruchirapalli to ascertain and report urgently the amount required for May and June 1948 and also to make arrangements for payment of the grant for the 2 months now as in the case of the 2nd quarter grants to be paid to the schools in this Province shortly. I request that I may be permitted to incur expenditure in this connection for payment of grant to these schools in anticipation of allotment. I shall submit the estimate of cost involved for the year 1948-49 in due course of receipt of particulars from the Dt.Edl.Officer, Tiruchirapalli and Director of Public Instruction, Pudukottai.

Yours faithfully,

Copy of letter of the Director of Public Instruction, Pudukottai
RC.No.A.3-1244 of 1948 dated 8-7-48.

Education - Grants-in-aid - Monthly grant statement for
May 1948 - Sanction solicited.

According to the Grant-in-Aid Code now in force in this Pudukottai territory (State) the department has been paying monthly grants to the teachers in schools under private management. The Budget provision under the Grants-in-aid for the last Fasli year (From July 1947 to the end of June 1948) was Rs.40,520/-. Over and above this provision nearly Rs.41,800/- was spent up. The Budget allotment exceeded the limit as a result of the Darbar sanctioning a Dearness Allowance to the teachers in Aided Schools from the month of January 1948 to the end of April 1948 which amounted to Rs.2685-8-0. So there was no balance in the allotment and consequently the grant to the teachers of aided schools for the month of May 1948 could not be claimed.

2. The Special Deputy Collector who was in charge of the departments here was sanctioning the grant while there was Budget provision. Now for the month of May, he has declined to sanction the grants on the ground that there was no provision but he has instructed me to apply to you for sanction. Accordingly I request the favour of your sanction to a sum of Rs.2,797-15-0 covered by the bill of monthly grants for May 48 and send the orders by wire, as the payment had been long delayed.

In para 3 of Memo. no. 23130 B2/48. S. Ed. dated 22.6.48, the Govt. issued orders that with effect from 1.1.48, aided elementary schools in Pudukottai should be assessed grants at the rates prevailing in the province. They however made it clear in para 7 of the Memo. that the orders are provisional and that special orders will be issued in the near future after the receipt of detailed proposals from the D.P.S. along with an estimate of cost. Nevertheless the D.P.S. has with reference to paragraph 3 of the Memo. instructed the D.E.O. Pudukottai to assess grants for the schools at the rates prevailing in the province, though this is not the intention of the Govt. It is proposed that the proposed rates be approved.
