The S.G.P. phoned to me that the workers in the press along with the workers of the P.W.D. workshops and other factories are arranging to go in procession to the Banqueting Hall this afternoon to view the ashes of Mahatma Gandhi and then proceed to hold a condolence meeting, and wanted the press to be closed ^{in the afternoon.} He said he was arranging to close the press down this afternoon but on the understanding that there would be compensation work done on Saturday. I said there was no objection. I phoned to H.M. (Edn) also and he also said there was no objection in view of the fact that compensation work is proposed to be done on Saturday.
