ENCLOSURES.....

SPARE COPIES.....

In their order No.Ms.1828 Education dated 22-7-1948 Government permitted me to sanction the payment to the Avvai Home and Orphanage, Adyar of an advance grant not exceeding Rs.10,000/- towards the expenditure incurred by it on the construction of the school buildings on the production of proper vouchers and this has been done.

The Correspondent in his letter dated 8-10-1948 (copy enclosed) requests that a further advance grant based on the actual expenditure incurred so far may be sanctioned for payment as the contractors are demanding payment.

I request orders whether another advance grant based on the actual expenditure incurred so far may be sanctioned for payment to the management. I may state in this connection that since the school has since been converted into a middle school, rules permit the payment of advance grant.

I may also add, that, though no specific provision of Rs.6 lakhs in the current year, though no specific provision has been made in respect of this scheme in the current year's Budget Estimate, this is one of the schemes recommended to Government to be paid out of the special provision of Rs.6 lakhs

Copy of letter dated 8th October 1948 of the Correspondent, Avvai Home and Orphanage, Adyar to the Director of Public Instruction, Madras.

I have to inform you that our School building construction is nearing completion and the only items remaining to be done are white-washing, painting, flooring etc.

The estimated total completion cost of the building will be about Rs.89,000/- The Present value of the building is anticipated to be Rs.75,000/- out of which the Government have so far sanctioned only Rs.10,000/- in their G.O.No.Ms.1828, Edn., dated 22nd July 1948.

To meet further expenditure and the present demands of the contractors, we are obliged to look for assistance from the Government in the matter of the balance amount of grant, in respect of the above construction. I request you to kindly recommend to the Government for the same and oblige.

Thanking you.

From the D.P.I. No. 2612-B₂ - 47 - D. 5.11.48.

Order 2980 Edn. dated 26-11-1948.

In the circumstances stated the Director is permitted to sanction the payment to the Avvai Home and Orphanage, Adyar, of an additional advance grant not exceeding Rs 10,000/- (Rupees ten thousand only) towards the expenditure incurred by it on the construction of school buildings, on production of proper Vouchers. The expenditure will be met in the first instance from the allotment for building grant for aided elementary schools in the Budget Estimate for 1948-49 and necessary appropriation applied for later on.

The D.P.I. is requested to submit a report regarding the total cost of the building for the school as now estimated and the reasons for the increase in the cost as compared with the original estimate, in respect of the building.

Note

The Director recommends the request of the correspondent of the Arvai Home and Orphanage Adyar for an advance grant of Rs 10,000, in addition to the grant of Rs 10,000/- sanctioned in G.O. 1828 Edn. D. 22.7.48, for the building for the school attached to that institution - the value of the work so far completed is said to be Rs 75,000. Following the precedent in respect of the same school, (Vide G.O. 1828 Edn. D. 22.7.48), there seems to be no objection to permitting the D.P. I to sanction another grant of Rs 10,000, out of the allotment for grants for buildings for aided elementary schools. The provision in the appropriate budget head of debit may be increased later after proposals are recd. from the D.P. I in that regard.

Subject to orders, a draft is subd. for appl. (overleaf). It may see it before circulation.

the D.P. I below, the draft order put up by E-PH on p. 1 above and the note on p. 2 above.

2. The Arvai Home was sanctioned a maximum grant of Rs 28417/- in respect of the scheme for the construction of bldgs. for the home and orphanage for girls, Adyar as shown below:

- | | |
|----------------------------|------------|
| (1) Building for orphanage | Rs. 11.132 |
| (2) Building for school | 17.285 |

Of these, the grant in respect of item (1) above appears to have already been already drawn. In G.O. 1828 Edn. D. 22.7.48, an advance grant of Rs 10,000/- was sanctioned out of the grant in item (2) above. There would thus remain an amount of Rs 7,285 only for disbursement as an advance grant. Finance may ^{advise} ~~agree~~ to ^{that a} further advance grant of Rs 7000/- ^{above can be} ~~being~~ given to the Home now. (An expenditure of double this amount seems to have been incurred by the institution, subject to the above, the draft order may be accepted.)

3. As regards the payment of any further grant, E-PH may be requested to consider the question ^{separately} ~~as above~~ with reference to the present increased prices.

(The cost of the scheme was estimated then at Rs 34,570/- while the present estimated cost of completion is reported to be Rs 89,000/-)

The draft order on p. 1 above may be accepted.

 a report ~~explaining~~ regarding the ~~total cost~~ of the scheme as now estimated and the reasons for the increase as compared with the original estimate. [It would appear from the paper in C. 2628 Ed. 2 of 7/11/48 that the figures for grant given at 2nd level are based on estimates prepared in 1943. The increase is apparently due to increase in the prices of materials and of labour.]

It is proposed to accept the D.P.'s recommendation that an advance grant of Rs 10,000 may be made to the Avvai Stone and Orphanage, Adyar, in addition to the advance grant of Rs 10000 already sanctioned for the construction of the school building attached to the Orphanage. The construction appears to have been nearly completed & the value of the work so far done is stated to be Rs 75,000. Finance have accepted the proposals subject to certain remarks as to the increase in the cost of the scheme - The Director will be asked concerning this. The draft order on page 1 ante, as added to, is for approval. (Edn) & (Fin) may see.

Schools - Secondary. Ararai Home Orphanage Adyar -
Grant for the construction of a building

From the DP 2 Ac. no 1692 23/48 & 23.9.48

Memo No. 80817 B, 148-1 Edn d/ 24.11.48.

The DP 2 is requested to report very urgently
whether the scheme for the construction of a building
for the Ararai Home Orphanage at an estimated cost of
Rs 79,000 is for the middle school for girls & is a
new scheme. If so, the grant should not be met from the provision for
secondary schools for girls. As there are no restrictions
in regard to building grants for ~~secondary~~ schools for girls, the
usual procedure should be adopted for sanctioning
grants to aided secondary schools for girls & is
inclusion of the scheme in the list of approved
works and then consider the question of provision
of funds in the budget for payment of grant as a

Part II scheme. It is now held to consider this as a Part II scheme for 1949-50 - The Director is requested to report whether the plans & estimates for the work have been approved by the Joint Consulting Architect & whether he recommends the scheme for inclusion in the list of approved works.

19-4-48

2. The D.P.S. is also requested to report whether

the building referred to in his letter RC No. 2612 B2/47 dated 5-11-48 is different from

the building referred to in Part I above.

in G3

With reference to the Government Memo cited above, I have to state that the building scheme referred to in my letter RC 1692 B1/48 dated 23-9-48 is the same as the one referred to in my letter RC No. 2612 B2/47 dated 5-11-48.

It is submitted, that the scheme for the construction of a building at an estimated cost of Rs 79,000/- was approved for the Avvai Home and Orphanage Adyar when it was an Elementary school vide G.O.No.1999 Education dated 13-9-47. This is thus not a new scheme and it is a scheme which is under progress and which is nearing completion and a part payment of grant of Rs 10,000 has already been sanctioned towards the scheme with reference to Government Order No. 1828 Education dated 22-7-48.

2. Out of the sum of Rs. 25 lakhs proposed to be sanctioned in the current year as grants towards the cost of construction of buildings for secondary schools for boys under local bodies and private agencies, only Rs. 12250 is still left and the balance has been distributed. This amount is not sufficient for the scheme in question. Further the Avvi Home & Orphanage is an institution for girls and it is understood that the school has been raised from an elementary to a middle school. The scheme in regard to building grants to secondary schools for boys does not apply to secondary schools for girls or to orphanages and it is not therefore necessary to

Sanction grants to this scheme out of the sum specially intended for boys' schools. It is now too late to consider this in connection with Part II scheme for 1949-50. ~~For consideration~~ It is for consideration whether the scheme for the construction of a building for the Arrai Home & Orphanage may be included in the list of approved works. The D.P.D. may first be consulted.

A draft memo is submitted below for approval.

C.No. 91574 A. From the B.P.G. Rc. 2620 B2/48 d/30-11-48. p 5 of

24/11/48

It is observed from the B.P.G.'s letter at p 5 of that the building scheme referred to in his letter Rc. 1692 B/48 Extracts at p 1 of d/23-9-48 is the same as the one for which he recommended p 1 of of (B) the sanction of additional advance grant. This is not a new scheme and as the original scheme was already included in the list of approved works the question of inclusion in the approved list does not arise. The Part Grants have already been sanctioned towards the completion and therefore this need not be there is no need to consider this scheme along with other Part II proposals.

2. An additional advance grant of Rs 10,000 has been sanctioned ~~in order~~ to enable the management to complete the construction vide G.O. 2980 Edn d/26-11-48. (B)

In view of this, no further action seems called for in respect of this scheme. The papers may be ~~kept~~ filed with the go. mentioned above
