In his letter referred to above, the Director of Public Instruction has reported that the Superintendent of Sanskrit Schools does not inspect the classes in the College Department of any Oriental Institution and that only the school Departments of the Oriental Institution are subjected to the officers' inspection in the strict sense of the term. The Government accordingly direct that in partial modification of the orders in G.O.No.2018 Edn., dated 16-9-1947, the designation of the post "Superintendent of Sanskrit Schools" be changed into "Inspector of Oriental Schools".

2. The Director of Public Instruction is informed that as in the case of the post of Curator, Government Oriental Manuscript Library, knowledge of the language, one or more, should be prescribed as a preferential qualification for appointment to the post of Inspector of Oriental Schools.
