Sir,

We, the Student refugees from Hyderabad, residing in Kurnool, respectfully submit this memorandum for favour of sympathetic consideration.

68186

Ten of us are in the Osmania College, 3 in the Municipal High School, and 15 in the Government Muslim High School.

On account of the utter break-down of administration and the unbridled violence and misdeeds of the Razakars we were forced to seek shelter here, abandoning our schools and colleges and even our homes. We are here from the commencement of this academic Year, from June 1948. Some of us responded to the " Quit College " call of our leaders, and thereafter became targets of Governmental persecution.

The present blockade, the restriction on the transmission of currency and its exchange, and the stoppage of postal money orders, have rendered our plight utterly desparate. We have no money to pay our school and College fees, nor even to purchase text books and note books. Several of us have nothing to eat also. We cannot continue studies unless the Government of Madras is pleased to come to our aid.

M

In this connection may we respectfully submit that the Government of the Central Provinces, is assisting the student refugees, by exempting them from paying school and College fees and by giving an allowance of Rs. 15/- per month besides --

2

finding lodgings for them.

We therefore pray that the Honourable Minister will be kind enough to consider our request sympathetically and to give us assistance, immediately in order that we may be enabled to persue our studies until the situation in Hyderabad improves and we return to our hearthes and homes in safety peace and freedom.

We remain,
Sir,
Student Refugees from Hyderabad.

I submit that there are bonafide students from Hyderabad State and their plight at present deserves very sympathetic consideration. I have verified and obtained testimony from heads of the several institutions as to whether these are student refugees from Hyderabad.

pages 10-11 and 14 of G.O. No 642 E.M. 24-3-48 ⊗

I think there was a reference made by us to G. of I. and a reply from them saying that they would not give any help. Please verify and put up those papers also.

M.V.S./15-9-48.

It would make delay if we refer this matter to the D.P.I. We can have a ~~xxxxx~~ scheme of loans and concessions on the same basis as at 'P' & in case of those (in colleges or High schools) whose parents or guardians are still in Hyderabad (unlike as in the case of Pakistan refugees) & whose difficulty is ~~that~~ remittances are not arriving, we may have a scheme of loans and interim advances, repayable as soon as conditions permit of normal contact with the area again. These also can be given on the recommendations of the ~~[illegible]~~ Heads of Institutions. No ~~remittances~~ security ~~xx~~ from parent or guardian can be expected as they are in Hyderabad.

The papers referred to in para 1 of Secretary's note are put up and flagged ⊗.

Attention is invited to the representation from certain students from Hyderabad, who are now in Kurnool and who are unable to meet their normal expenditure on college fees, books etc. owing to the present situation in that State. The difficulty referred to at M in the students' memorial is due to the restrictions on the sending of money from the State. Hon (Edn) has ordered that this matter may be examined very early.

2. In regard to the category of students who were in difficulty last July, that is, those desiring admission in schools, the D.P.I. has, at the instance of the Govt., passed orders to permit the students

2. The question is what concessions by way of financial assistance should be granted to the category of students referred to at N in the Secy's note extracted on the previous page, namely, students ~~whose~~ remittances for whom have now been cut off.

In this connection, it does not appear that any scheme of fee concessions ~~as~~ as in the case of the refugee students from Pakistan need be thought of.

It would suffice, if a scheme of granting loans to deserving applicants supported by the heads of the ~~colleges~~ institutions concerned is approved, and if ~~the~~ for this purpose, the scheme embodied in the Govt of India's letter of 8.1.48 (pages 3-5 of E.O No. 272 Edn D 9.2.48) is adopted, an advance of Rs 200/- being made, wherever ~~for~~ necessary and wherever the ~~Principal~~ head of the institution supports the request for it. This is for orders.

3. It is understood from Public that the G.O.I. have in a very recent communication stated that the Hyderabad situation is only a temporary phase, and

This seems acceptable so far as technical and collegiate students are concerned. For school students, the scheme mentioned in para 3 of India's letter may perhaps be extended. I do [illegible]

and that no ~~rehabilitation~~ rehabilitation expenditure, except for temporary accommodation will be required in respect of Hyderabad refugees. From Press reports it is observed that normal conditions are likely to be restored in the Hyderabad State in a few weeks. It seems sufficient to grant the minimum advances required to the Students ~~until~~ till then, as may be recommended by the Heads of the Institutions concerned, provided it is considered that such advances may be granted without any security, in the special circumstances of the case, as proposed by E&P.H.

students financial concessions similar to those granted by the Govt. of India, to Refugees from Pakistan under the scheme of financial assistance sanctioned in G.O. No. 272 Edn. Dated 9.2.1948. It is not considered that any fee concessions will be necessary in this case; but it is considered sufficient if a scheme of assistance by loans, on the lines of the scheme embodied on pages 2-5 of the G.O. at (P) below is sanctioned to deserving applicants supported by the heads of institutions.

It is proposed to sanction the loans only to students who have already joined educational institutions in this Province and only such amounts of loans as are certified as reasonable & necessary for a period of three months, by the heads of the institutions. The loans to be sanctioned will be interest-free and no security is to be insisted on for these. ADDL. ASST. SECRETARY TO GOVERNMENT
15 SEP 1948

Respected Sir,

With due deference we beg leave of you to put forward the following few lines embodying a request (which the present Hyderabad situation has given rise to) hoping sanguinely for its compliance.

Under the present circumstances, in which the money transactions with Hyderabad have been cut off, as a political measure, we students who are the domiciles of Hydérabad and stay in hostels have been stranded.

It is no very cynical asperity to admit that the solution of the situation is not in sight, and as such, we apprehend the deterioration of our present position in the immediate future, which if does take place, may be detrimental in our interests and may culminate in the discontinuation of our studies.

In pursuance of what has been done and contributed towards the alleviation of the grievances of students labouring under similar difficulties in the Central Provinces, we make bold to expect a similar and speedy redress.

Hence, in the name of benevolence and generosity, we fervently appeal to the honourable minister to sympathize with our plight and alleviate our grievances by aiding us financially (or in other ways convenient to the government) in our strife for the achievement of a noble end - Education.

We remain,
Sir,

I am a student of the Andhra Medical College, Vizagapatam studying in the Final Year class. My father Dr.Sri.S. Venkateswararao L.C.P.S., is employed in H.E.H. the Nizam's service for the past nearly twenty years and is still serving there. He is at present the Medical Officer at Madhira in Warangal District of the Hyderabad state.

Under the circumstances existing at present between that estate and the Union Government and the consequent measures taken by the Union Government, all communications especially financial are either controlled or completely stopped altogether in certain cases so much so it has not been possible for my father to send any money for my expenses here as before for sometime now, with the result that I have been put not only to much trouble and suffering but also find it difficult hereafter to prosecute my studies even.

There does not seem to be yet any prospect of the situation easing to any appreciable extent in the near future.

Under such exigencies of circumstances it is but proper that the Union Government should treat the problem arising due to t the strained relations and consequently of the people stranded in the Union Government without any source of financial help being completely cut off from their parents etc. as a refugee problem also and extend their help to them as well.

I therefore pray you should consider my case sympathetically and see, by taking up the case with the Government, if necessary, that that I am financially helped by the Government so as to enable me to maintain myself here and prosecute my studies which are on the verge of completion in a short time for which act of kindness I shall as in duty bound ever pray.

ప్రియమైన అమ్మా! నమస్తే!

ఇక్కడ నైజాం దురంతాలు అతి ఘోరంగా వున్నాయి. రెండునెలల క్రితం మా పక్కన్నయున్న గారిని కాంగ్రెసువాది యనే నెపంతో అరెస్టు చేశారు. ఇంకా మా యిద్దరు అన్నయ్యలనూ, కూళ్ల భర్త మొగవారందరినీ అరెస్టు చేయుటానికి సిద్ధం కావడంచేత స్త్రీ పురుషులందరమూ భయపడి ఇళ్ళూ వాకిళ్ళూ వదిలి తాలూక దాటిని పారిపోయాం. ఊరంతా పాడుపడింది. ఎక్కడి కుప్పలు అక్కడే వున్నాయి. నూర్చుకోడానికి ఎవరికీ ధైర్యం లేదు. కాస్త కూస్త నూర్చిన ధాన్యాన్ని బండ్లతో ఇంట్లోకి తోలుకొని వెళ్తుండే పోలీసులు పట్టుకొని నిజాం బండ్లకు నిచ్చి

పరిస్థితులు అంత విషమంగా వున్నప్పటికీ నేను నా భవిష్యత్తు కోసం చదువుకోవాలని వేగిర పడుతున్నాను. ఇక్కడుండి నేచేసేదేమీ లేదు. కాని ఈ ఆర్థిక దుస్థితిలో "పెద్దక్కడ (స్కూల్లో) వుంచి నెలకు రు, 20.0.0. రూ. లు భరించలేము. ~~ఉంటున్నారు~~. స్కూలుకు వెళ్ళవద్దంటున్నారు. స్కూలు తెరచినప్పటినుండి, ఆర్థిక దౌర్బల్యంచేత భగీరథ ప్రయత్నం చేసి మూడు నెలలు ఆలస్యంగా చేరాను. చాలా కోర్సు అయినప్పటికీ పట్టుదలతో చదివి కొంతవరకు క్లాసు వాళ్ళతో కలుసుకొన్నాను. కాని వెంటనే స్కూలు (మానేయడానికి, చాలా సిగ్గుగానూ, విచారంగానూ వుంది. కాబట్టి మీరు దయవుంచి ఈ సమయంలో నాకు సహాయం చేయ ప్రార్థిస్తున్నాను. ఇంకా అవకాశం వుంటే రెడ్డిసంఘానికి వ్రాసి స్కాలరుషిప్ తెప్పించడానికి ప్రయత్నం చేయవచ్చుననుకొంటాను. ఏసంగతీ వెంటనే తెలియచేసిన ఆలస్యం చేయక స్కూలుకు రాగల్గుదును. ఇక మీదయ. నేను. మళ్ళా వచ్చే వుద్దేశంతో నా కొంత సామాను ఇక్కడే వదిలివచ్చాను.

రంపాపురంలో ఒక కమ్మవారమ్మాయి స్కూలుకు వస్తానని చెప్పింది. ఆమె తల్లిదండ్రులు, ఇక్కడి స్థితిగతులు ఎరిగారు. నెలకు కట్టవలసిన జీతమూ, ఇంకా ఖర్చులూ చెల్లిస్తాము. ఒప్పుకొన్నారు. 4.వ. క్లాసు చదివింది. నేను వచ్చేటట్లయితే నాతో ఆమెను కూడ తీసుకొని వస్తాను. ఇపుడు చెప్పినవే వి తెలిసినా తెలియజేయండి. వెంటనే జవాబివ్వగోరెదను. ఏసంగతీ తెలిపిన మా అన్నగారు వచ్చి నేనక్కడ వదిలిన సామాను తెచ్చెదరు. దయవుంచవలెను.

This letter raises the question of admission of pupils belonging to families of refugees from Hyderabad into schools.

P.T.O.

(x) de-linked.

The reference in the linked file asking the Government of India whether they would sponsor Hyderabad refugees had specific reference only to admission into the Medical and the Engineering Colleges.

The scheme at 'V', in relation to schools, covers only concessions in respect of the IX & X classes, and does not cover allowances for boarding and lodging. The letter under reference refers to grants for boarding and lodging.

A

I do not think we can take up at our expense a scheme of help to Hyderabad refugee pupils in schools in the shape of grants for boarding and lodding. If the matter is to be pursued, I think Government of India will have to be asked whether they will bear expenses of this nature, in regard to school pupils generally, belonging to families of refugees from Hyderabad.

E&PH note above may be perused. Previous to their letter No. RH 521 (8) d/ 29-4-48 the G of I had informed this Govt that they were unable to accept general liability for expenditure on relief and rehabilitation of Hyderabad refugees but that they would consider reimbursement of particular items of expenditure on relief to them. The Colls concerned were asked to report the expenditure incurred by them on relief to these refugees so that the G of I may be addressed for reimbursement. Subsequently

6/

their letter at p 3 of (M) came, declining totally to accept liability for the expre. Fin noted in this connection that G of I may be addressed at any rate for reimbursement with ref to their previous letter, after getting the reports of expre from the Colls. The reports are not yet complete.

E & P.H Secy is of the view that the proposal in this file may be dropped. It may however be mentioned that when this dept address the G of I on the question of reimbursement of expenditure on relief to refugees from Hyderabad, ~~there may be no harm in including in that expense~~ also the financial assistance to refugee students from Hyderabad may perhaps be included so that they may consider this question also along with the other. With these remarks the file may be passed on to Fin.

With reference to 'M' on p 7 ante the D.P.I. in his letter has stated that so far no expenditure has been incurred by way of financial assistance to refugee students from Hyderabad. This, it is stated, is due to the fact that the Govt. have not passed any orders permitting financial assistance to refugee students from Hyderabad. But it was this question of financial assistance to refugee students from Hyderabad which had been under consideration in this file and could not be pursued owing to the totally negative reply of the Govt. of India to share the cost of such assistance. ~~The Gov~~ Pub. (Refugees) have, however, stated that they will address the G. of I. for a reconsideration of their stand in regard to the general financial assistance to refugees from Hyderabad and will include in their letter to India also the proposal for financial assistance to refugee students from Hyderabad. This may, therefore, be transferred to them for necessary further action.

This dept will address the Govt of India ~~to~~ asking them to reimburse this Govt the expenditure incurred by them on the Hyderabad refugees. It is proposed at that time to address the Govt of India asking them specially to reimburse this Govt the expenditure incurred on the Hyderabad refugee students. It will however be seen from the D.P.I's report that he has not so far incurred any expenditure by way of financial assistance to refugee students from Hyderabad. Therefore the question of addressing the Govt of India ~~specifically~~ on this account does not therefore arise. ~~As such the~~ no action is called for in this dept. Under the present circumstances ~~the file may be returned to the E&PH dept as there is~~ there is no question of granting financial aid to Hyderabad student refugees. The file may be returned to E&PH Dept for further action on the DPI's letter at p 21 c.f.

I think some representations have been received from the Hyderabad refugee students and the matter is being considered separately in the E&PH Dept. Some representations were made to HM (Fin) when he toured Kurnool Dt and the matter is being examined in the E&PH Dept. Recently the G of I stated that they would be prepared to accept liability for the expenses incurred in connection with the relief given to Hyderabad refugees

Department. .

I am directed to invite a reference to the corresp resting with your letters No. 1766/48-2 dated 14.7.48 and No 1900/48-1 dated 21.7.48 and to say that the exodus of non-Muslims from Hyderabad State is a temporary phase and and as such the question of any rehabilitation expenditure in their case does not arise. All that is wanted is that minimum of relief, absolutely necessary, should be provided to the refugees.

2. Accommodation to be provided should be of a temporary kutcha type which would be sufficient to tide over the present emergency.

3. As regards food supplies to Hyderabad State refugees, the scales already laid down by the Government of India should be observed while for clothing, scales already prescribed will need revision on account of the climatic conditions and the short period for which the free supplies will be required. These scales will be communicated separately.

4. For allthis type of relief it is not considered necessary to make any separate allotment for expenditure. Your Government is already doing relief work in the case of refugees from Pakistan and you whould, therefore, use the same agency to meet the situation.

5. All expenditure incurred in connection with relief to Hyderabad State refugees should be carefully scrutinised by your Finance Department before it is sanctioned and incurred. It will be audited by the A.G. of your Province like other expenditure on relief and your Government will be re-imbursed in the same manner as in the case of other refugee expenditure.

From

Chief Secretary to the Government of Madras.

To
The Secretary to the Government of India,
Ministry of Relief and Rehabilitation, New Delhi.

Dated, Fort St.George, the 4th March 1948.

Sir,

Sub:- Refugees from Hyderabad State - Expenditure.

I am directed to state that owing to the political and communal disturbances in the Hyderabad State (Deccan) there has been a large influx of refugees from that State into the districts of this Province bordering it. Where there is a large influx of such refugees, arrangements have been made for giving them all possible assistance, such as accommodation, food, clothing etc. and regular camps are being run in those places. Such of the refugees as wish to go to places in this Province where they have relations or friends to accommodate them, are sent there after being provided with railway tickets at Government expense and a small amount for pocket expenses This Government have already sanctioned a sum of Rs.one lakh for expenditure in this connection. The actual expenditure incurred by this Government on these items of relief so far and the anticipated expenditure for the rest o the financial year is about Rs.36,100. Those who wish to return to the State but have no funds for the journey are provided with railway ti at Government expense.

2. I am to request that the Government of India may be so good as to accept liability for the entire expenditure that this Government may have to incur on the refugees from Hyderabad State.

An early reply will be appreciated.

Your obedient servant,

for Chief Secretary to Government.

Sub: Refugees From Hyderabad State - Expenditure.

...

With reference to your letter No.24/48-3 dated the 4th March, 1948, I am directed to state that the Government of India are not in favour of encouraging the exodus of non-Muslims from Hyderabad State. In fact, they consider such an exodus to be undesirable and would like to discourage it. It appears from the letter under reply that the Government of Madras expected to spend about Rs.36,100/- until the end of the last financial year. As the amount involved is small, the Government of India feel that the Provincial Government should meet it themselves.
