Education Department.

From

The Director of Public Instruction,  
Madras.

The Secretary to Government,  
Education and Public Health Department,  
Madras.

Roc.No.508 M/48 dated 27-10-1948.

Sir,

Basic Education - Exhibition of Basic Education  
Jaipur Congress Session, December 1948.

The Secretary, Hindustani Talimi Sangh, Sevagram  
has written to me (vide copy of her letter enclosed)  
asking me whether the Government of Madras would be parti-  
cipating in the Basic Education Exhibition to be held  
along with the next session of the Congress at Jaipur.  
I have informed her that we would be participating.

I recommend that the following two Headmasters of  
Government Basic Training Schools may be deputed for attending  
the Jaipur Congress Basic Education Exhibition in December  
1948.

Sri D.Venkataswamy, Headmaster, Basic Training  
School, Pentapadu.  
Sri P.K.Vaidyanathan, Headmaster, Basic Training  
School, Cuddalore.

They have to reach Jaipur at the latest on 7th December 1948  
and stay there till the 22nd Dec 48.  
They may be paid Travelling Allowance at the rates admissible  
under the Madras Travelling Allowance Rules and a daily  
allowance of Rs.5/- per day for the period of their stay  
at Jaipur. This enhanced daily allowance is recommended  
in view of the fact that they will have to live in an  
overcrowded conference centre where even minor conveniences  
can be had only at a huge cost.

I request Government to approve of my proposal  
for the deputation of the above two teachers to the  
Exhibition at Jaipur and to pass early orders.

Yours faithfully,  
R.V. Rudraswamy  
for Director of Public Instruction.

Copy of letter dated 21st September 1948  
of the Hindustani Talimi Sangh, Sevagram, to the  
Director of Public Instruction, Madras.

-----  
It is proposed to hold an exhibition of 'Basic Education' along with the next session of the Congress to be held at Jaipur from the 14th to the 21st of December, 1948. I am writing this to invite the institutions of Basic Education under your department to co-operate in this exhibition if your department wishes to do so. I am writing this early so that the necessary sanctions might be obtained and instructions circulated to the institutions in time :-

1. Each Government will be given a section of its own. The necessary materials for structure will be supplied and educational officers in charge of each stall, should put up the stalls themselves in accordance with the general plan. It will be advisable, if each group of workers brings its own carpenters and the necessary equipments for putting up the exhibition, such as, hammer, nails etc.
2. Each Government will have freedom to arrange the interior of its own section, as it likes. Only the following conditions must be observed:--

- i. All textile products to be exhibited whether silk, woolen or cotton, must be hand-spun and hand-woven.
- ii. All charts and models to be exhibited should be connected only with Basic Education.
- iii. The officers in charge must reach the exhibition grounds at least a week before the opening of the exhibition, that is, by the 7th of December, and must stay till the 22nd, i.e., a day after the exhibition is closed.
- iv. All educational officers and workers residing in the exhibition grounds, will, it is expected, use only Khadi for their personal use.
- v. No smoking will be allowed in the exhibition grounds.
- vi. There will be a community kitchen within the exhibition grounds for workers, where the expenses will be Rs.1/8/- per day. There will, however, be a number of hotels and refreshment stalls outside the exhibition catering to the needs of the delegates and officers and workers deputed by the Governments may eat in these hotels if they prefer to do so.
- vii. All sanitary work within the exhibition grounds will be done co-operatively by the members residing within the exhibition grounds.

Sub:- Basic Education - Exhibition at Jaipur Congress Session, December 1948.

Ref:- From the Director of Public Instruction, Roc. No.508 M/48, dated 27-10-1948.

The Director of Public Instruction has submitted proposals for the deputation of the headmasters of Basic Training Schools at Pentapadu and Cuddalore to enable them to attend the Basic Education exhibition to be held along with the next session of the Congress at Jaipur. From the letter of the Secretary, Hindustani Talimi Sangh on pp.3 and 4 c.f., it is seen that the officers of this Government are invited to present exhibits at the exhibition. There is no mention in the D.P.I.'s letter whether the officers will carry any exhibits with them and if so, whether expenditure may not have to be incurred on the transport of these exhibits. If the officers are only to pay a short visit to the exhibition, it does not appear that there is any necessity for them to stay at Jaipur for such a long period as 15 days, i.e., from 7th December to 22nd Dec. 1948. The D.P.I. may be requested to explain his proposals more fully.

If we are not arranging to put out any exhibits, I do not see what need or justification there is for sending these officers at all

Resubmitted.

Please see my telephonic message dated 4-11--48, wherein it has been explained that the two officers will take with them charts explaining work done in the field of Basic Education in this province as well as specimens of the articles produced in the Basic Training Schools. Headmasters of Training Schools have been asked to get ready the exhibits and some Training schools have already a good collection. I should <sup>therefore</sup> think it necessary to send two officers (representing the Tamil and the Telugu areas) recommended in my letter R.O.C. No.508M/48 dated 27-10-1948 though the period of their stay may be reduced by about 3 days. Since the cost of exhibits will be met from the allotment already available at the respective schools, no additional expenditure is expected to be incurred.
