Transfer of Professors
to the Inspectorate.

Extract of para 12 on p.18. of the ¹/₂ Unit,

 Genl. Insp. Commission's Report.

It also happens that experienced Professors are sometimes transferred to the Inspectorate or the administrative side of the Education Department to give them ~~the~~ the benefit of higher salaries available. This loss to the teaching side can be avoided if there are equally attractive prospects there.

The D.P.I.'s remarks may be invited.

It is not as if to give to collegiate officers the benefit of higher salaries that they are sometimes transferred to the Inspectorate or the Directorate. Under rule 2(c) of the Special Rules for the M.E.S., only when it is considered necessary in the public interest, transfers between the Administrative and Collegiate Sections can be ~~effectively~~ effected by Govt. Last year, instructions were also issued to the D.P.I. explaining the circumstances in which that rule can be invoked and also explaining that inter-sectional transfers should not be proposed to better the prospects of individual officers.

No action necessary

M.V.S.

I think we have made the staff of the Arts Colleges into a separate cadre from the Inspectorate and the Training Colleges which will form into a separate cadre. In view of that, it is not necessary to take any action on this matter.

The gen. of ~~the~~ amending the

above is under consideration.
