Reservation of seats of Harijan pupils in hostels

Extract from the Note File of the Development Department, G.O. 2838, Dated

dated 2-7-47.

'B' (I spoke ^{from} about this and I feel that if possible all college students should go to the college Hostel. Can this be done?)

K. A. M.
13.6.47

'B' on page 1 above:

With the coming into force of the Madras Removal of Civil Disabilities (Amendment) Act, 1947 it has become an offence cognisable by the Police, to deny admission to Harijan students into the hostels, merely on the ground of their belonging to the Harijan community. But even the statutory provisions in this Act may not secure the desired effect to the full extent, as it may still be open to the managements of the hostels to deny admission to Harijan students on other grounds. Attention is in this connection invited to the orders issued by the E. & P.H. Deptt. in G.O.No. 1223 Edn. dated 11-6-47 in regard to the admission of Harijan students into schools and colleges. If E & P.H. would be agreeable to issue an order on similar lines in regard to the admission of Harijans into hostels attached to schools and colleges, the object mentioned at 'B' on p 1 above can be achieved easily. For orders whether E. & P.H. will be requested to issue such an order, if they have no objection.

Dev. U.O.No.53093 pt1/47-3

dated 16-6-47.

E. & P.H.

C1

An order on the lines referred to at 'A' in the Dev. Department note above has already been issued in this deptt. Please see G.O.No.974 Edn. dated 10-5-47. Dev. may be so informed.

This may now be returned to Dev. U.O./A current since received has been added to the file - page 3 c.f. Please see the further note of the Dev. Deptt. on page 4 c.f. In G.O.No. 974 Edn. dated 10-5-47, the D.P.I. has been asked to issue instructions to subordinate officers that no distinction should be made inter alia in the matter of admission of Harijan students into Hostels. Development enquire whether it would not be possible to issue an order reserving seats in Hostels for Harijan students. Hostels are invariably self-supporting; the boarding charges, rent and establishment expenses are shared by the inmates. If reservation is made and if the Harijan students do not join for various reasons, e.g. inability to pay the hostel expenses, the result will be that other inmates will have to make increased contribution for the upkeep of the hostel concerned. No reservation seems necessary. The instructions in G.O.No. 974 Edn. dated 10-5-47 and the statutory provision mentioned in the Dev. Deptt. note on page 2 ante, would seem sufficient for the present.

V.R. 21.6.47.

'T' Above:

We may, as in the case of seats in schools, arrange for other students to join. Instead, if Harijan inmates do not come up to join the hostels within a specified period of the opening date to ~~in~~ ^{prima} facie, there seems to be no objection to a similar order being passed in respect of hostels but I would suggest that the D.P.I. may be consulted before we proceed further.

M.V.S./23/6/47.

Dev. Deptt.

As regards the general point raised by J.S. at 'B' on p 1 ante it seems desirable that general instructions are issued to all institutions, where separate Hostels are maintained for Harijans by E. & P.H. Deptt. on the lines of the G.O. at 'N' in consultation with the D.P.I. as suggested by E. & P. Secretary at p 3 ante above.

EXTRACT OF NOTES FROM THE DEVELOPMENT FILE C.10.
17870 P.II/48 REGARDING.

Sub:-Labour Department - Hostels - Admission of Harijan Pupils in Common Hostels.

Government Memo No.17870 P.II/48-1, dated 13/2/48.
From the Commissioner of Labour, No.A6.1776/48, dated 9/4/1948.

SUMMARISING NOTE.

In one of the supplementary questions asked by Sri.N.S. Nagappa, M.L.A., it was suggested ~~that this~~ was suggested that this Government should consider the desirability of admitting Harijan students in Common Hostels, and paying the cost direct to the managements of these hostels instead of running separately hostels for the Harijan students so that it might go a long way to remove the untouchability problem. The remarks of the Commissioner of Labour were invited on this suggestion. His reply, together with the remarks of the Director of Public Instruction, Madras, will be found on pp.11-12 c.f. 2. (In G.O.No.300,Edn,dated 16/2/48 the Government ordered the reservation of 10% of seats for Harijans in the Government Hostels attached to the High Schools and Colleges. But with regard to the private hostels the Director of Public Instruction has stated that it can only be suggested to the managements of the Hostels that a similar reservation of seats be made and nothing more than that can be done. Now the Commissioner of Labour proposes that residential scholarships may be granted to the eligible candidates admitted into the Government hostels with reference to the G.O. No.300,Edn, dated 16/2/48 if they apply through the head of the hostels concerned.) In this connection it may be stated that the Government have recently empowered the Commissioner of Labour to sanction residential scholarships to the eligible students of Arts and Science Colleges and High Schools at (P.T.O.)

such rates as to cover the full boarding and lodging charges met by the candidates, in view of this there does not appear to be any difficulty with regard to the hostel charges incurred in the case of the eligible students in the Government Hostels. The Commissioner of Labour himself can sanction the Residential scholarships. No fresh orders on this point seem necessary. For Orders.

As regards the private hostels the Commissioner of Labour suggests that the Director of Public Instruction may be asked to suggest to the managements for similar reservation of seats for Harijans. He also states that Residential scholarships may be sanctioned to the eligible candidates admitted in such hostels if they apply in time through the heads of the hostels concerned. In view of 'A' ^{overleaf} above there does not appear to be any difficulty with regard to the Hostel charges incurred in the case of the eligible students admitted in the hostels provided that all such students are to be granted Residential Scholarships by the Labour Department. But the sanction of scholarships is limited to the provision made in the budget. It may be stated that unless it is stipulated that all the eligible students so admitted in the common hostels are granted Residential Scholarships it may be difficult to force the private managements to reserve in their hostels certain number of seats for Harijans. But any way as stated by the D.P.I. at 'M' on p. 12.c.f. we may suggest to the managements for a similar reservation.

E. & P.H. Dept. may therefore be requested to take necessary extracts from this file to consider the feasibility of the proposal and issue necessary instructions to the Director of Public Instruction in this regard. For Orders.

Orders have issued in G.O. No. 300
Cable A. No. 2.48. Reserving seats for Harijan pupils in Govt hostels. The point for consideration here is about reserving seats for them in private hostels. Private hostels are of two kinds - those that receive a grant from the Govt and those that do not. The S.P.I. has already reported that there are only two private hostels in the province that receive grants from the Govt and both of them are women hostels. He has also stated that in the case of private hostels the Govt. can only suggest to the managements reservation of seats for Harijan pupils and that it would be unwise to do anything more. The S.P.I. may be asked to forward upon the managements of the private hostels the head for reserving a certain number of seats for Harijan boys in these hostels. Perhaps the same ^{reservation} 15% may be expected for the private hostels also.
