Sri B. Gopalakrishniah is a 1946 deputationist of the Edn Dept sent to the U.S.A for advanced studies in "Metallurgy". His study leave expires by 12-4-49. He is working for the M.Sc degree in Metallurgy. His final examination will be held only at the end of May '49 and he has therefore applied for extension of study leave till he completes the course, i.e. 7-6-'49. The D.P.I recommends it. It is stated that the candidate was forced to begin his work 5 weeks late because of hospitalisation.(x) In his appln form, the Edl Liaison Officer has recommended that if practical training is sought the extension should be till Dec '49. The scholar has stated that he did not have any practical training. It is for orders whether the D.P.I may be consulted whether the candidate should have practical training and if so whether he would recommend extension till Dec '49. The entire expr will have to be met by this Govt.

Subject to orders a draft memo is submitted for approval.

To

The Secretary,

Education and Public Health Department,

Fort.St.George., Madras.

Sir:

10618

I hear that Madras Government has sanctioned dearness allowance with retrospective effect, to those on leave.

I request that the amount due to me, may kindly be paid to my wife through the Principal, Presidency College, Madras. As my family is very much affected by my being away, I shall be grateful if early action is taken in this matter.

I have the honour to remain,
Sir,
Your most obedient servant,

Government of India
Ministry of Education

Gentlemen:

Mr. B. Gopala Krishnaiah has been enrolled in the graduate school of this institution since 194~~6~~7. Mr. Krishnaiah is now a candidate for the degree of Master of Science in Metallurgy, the degree to be awarded in June, 1949.

During this period he has applied himself diligently to his class work and he has completed a credible piece of research on the surface treatment of aluminum by chemical methods. He has acquired a good basic knowledge of the chemistry of metals and other matters pertaining to the general field of metallurgy and mineral dressing.

It has been a distinct pleasure to have this student here for the past two years.

Very truly yours,

John P. Spielman
John P. Spielman
Professor of Metallurgy

5 March 1949

Government of India
Ministry of Education

Gentlemen:

Mr. B. Gopala Krishnaiah will complete on 10 June, 1949, two years of resident study in the Graduate School of the Montana School of Mines. Mr. Krishnaiah is now a candidate for the degree of Master of Science in Metallurgy. Upon the successful completion of his academic studies, the presentation of his thesis and passing a comprehensive oral examination, he will receive the degree for which he is now a candidate.

Mr. Krishnaiah is a capable and diligent student. He has shown great interest in the processing of minerals and his background in chemistry has assisted him in better understanding of the physics and chemistry involved in Mineral Dressing.

It is a pleasure to have a student of Mr. Krishnaiah's capabilities. He has most assuredly represented his country honorably and conscientiously.

Respectfully,

DWM

Donald W. McGlashan
Associate Research Professor
Department of Mineral Dressing
