Sir,

Sub: Aided Elementary Schools, Pudukkottai Territory - Assessment of grants for certain unqualified teachers - Instructions sought for.

Ref: Govt. Memo.No.23130-B.2/48-5 Edn dated 22-6-1948.

63048

In submitting herewith a copy of the letter RC.No.3-1659/48 dated 10-8-48 of the Special Officer for Education, Pudukkottai in regard to assessment of grants for certain unqualified teachers, I have the honour to state as follows with reference to the suggestions made by him.

1. Assessment for overaged teachers: Teachers over the age of 60 years are not now eligible for grants under the Madras Rules and they cannot be assessed grants unless rules are modified. Assessment of grants may however be permitted for these teachers upto 31-12-48 only as a very special case, as they have not been given previous notice. The Special Officer may now be asked to notify them that they will not be eligible for grants from 1-1-1949.

2. Assessment for lower untrained teachers: These teachers may be permitted to continue either as stated by the Special Officer till 30-6-49 or if they attain the age of 60 years before that date till 31-12-48 as in the case of teachers in item 1 above whichever date is earlier. In the case of long standing teachers with over 6 years of service on the date of merger such teachers may be permitted to continue even after 30-6-49 till they attain their 60th year of age. Such teachers with long service were permitted to continue without exemption in Madras Schools under a special Govt. Memo.

3. Schools that do not keep the required proportion of trained and untrained teachers: The Dt.Edl.Officer himself is competent to grant exemption to schools in deserving cases under the proviso to rule 20 of the rules for aid. I am instructing the Dt.Edl. Officer, Tiruchi to accord necessary exemption under this Rule till 31-12-1949 for the present. The question can be reconsidered then.

Yours faithfully,

Copy of letter RC.A.3-1659-48 dated 10-8-48 of the Special Officer for Education, Pudukkottai.

I am sending you a copy of my letter to the District Educational Officer, Tiruchi regarding the special concessions to be shown to the Teachers of the Pudukkottai territory who are adversely affected by the merger and the adoption of the Madras Rules and conditions, if applied all on a sudden to this area. May I commend for your sympathetic consideration the points, I have raised in that letter. I am sure you will readily accede that the gradual elimination of the short comings may be achieved only in easy and gradual stages as suggested in my letter to the Dt.Edl. Officer.

I am afraid that unless you give a definite direction to the Dt.Edl.Officer in this matter at an early date, the sanction of the grant may be delayed and our teachers put to a lot of inconvenience and trouble, accustomed as they are to receive their grants regularly every month. Many teachers are even now hard hit since they have not received any grants after April.

for Education, Pudukottai to the Dt.Edl.Officer, Tiruchi.

Arrear Teaching Grant for May and June 1948 - Pudukottai territory.

Ref: This office RC.A.-3-1659/48 dated 1-8-48 to the Director
of Public Instruction, Madras (copy sent to you) and
3-8-48 to you.

In continuation of my above letters, I request that the teaching grants may be passed AT A VERY EARLY DATE as our teachers here are accustomed to receive their pay monthly and are put to a lot of difficulties by not having been paid their grants for the past three months.

As I have already stated, the statement is prepared on the assumption that all the teachers now employed in the State are to be assessed grant irrespective of the Rules followed in the Madras Government area. In this list there are some teachers over 60 years of age; the proportion between trained and untrained teachers prescribed in Madras have not been followed and the primary teachers - some of them belong to the categories mentioned in paragraph 2 of Chapter II - Rules for aid and teaching grants - ii. item c to f. They have all been exempted and permitted by me in my capacity as Director of Public Instruction of the State to be eligible for employment as Teachers and have been in the service of the State and cannot be sent out all on a sudden.

I may suggest to you in this connection that the following procedure may be adopted for the gradual elimination of such teachers.

1. Teachers over the age of 60 may be kept on and assessed grant till 31-12-1948 on the strength of the exemption granted by me and notified ineligible for grant from 1-1-49.

2. Lower Untrained Teachers below standards V or Cl. V kept on till 30-6-49.

3. The rule regarding proportion between trained and untrained and the staffing of single or double teacher schools with purely trained teachers may be waived for a period of 3 years (say till 30-6-51) by which time, it is hoped trained teachers may be available or at least these untrained teachers may gradually attone themselves to their unfortunate lot.

I may be permitted to say that the situation of the merger has created a great stir and a condition of fear in the minds of all our teachers that they will be adversely affected and I feel it my duty to point out with all the force and emphasis I can command that the miserable condition of these teachers must be sympathetically considered ~~ed~~ by the Madras Government and as much concession as could easily be given to them, be shown to them - so that the cause of Mass and compulsory Education in the state and the lot of these "poor paid and poverty stricken teachers" may not be made worse by the new situation. It is my real anxiety that the teachers should be made to feel that the merger has come to them as a blessing.

In the circumstances stated above, I request that the grants may be passed at an early date and necessary orders issued.
