It is presumed that the above decision is applicable only to the equipment 'Arms, ammunition, clothing and other equipment' supplied from Ordnance Depots to ex-U.O.T.C units and not to office furniture and other articles of office equipment such as typewriter, filing cabinet, safes, etc. supplied to the offices of the battalions. ~~I am to request~~ I am directed to ~~enquire~~ whether this presumption is correct. With reference to para 1 of the above quoted letter in addition to Arms, ammunition and ~~clothing~~ equipment, clothing also is given to the Provincial Governments as a free issue. This simplifies to a great extent the 'Q' matters which were hindering the starting of training, in that all the items that are needed for the commencement of training are ready at hand. Accordingly I am writing to the local Sub Area for the necessary disposal orders of Ex-UOTC ordnance items mentioned above. To expedite the same I request that you may please address the local Sub Area in your capacity quoting this letter as authority for the free issue of the ~~[illegible]~~ items under reference to this unit as per N.C.C.regulations to enable me to take the same on ledger charge.

Subject: TRAINING - N.C.C.

Ref: Capt. J.F. Perreira's personal conversation on 4-1-49.

As instructed in the conversation referred to above, I am putting up the difficulties with which we are faced with regard to the subject of training. Apart from the Medical examination and the taking over of the unit transport, arrangements for which are being made, the following factors that affect training are put up for consideration.

1. KIT AND TRAINING STORES:- To start training, the men who are found to be medically fit have to be issued with kit and training stores supplied to Coys. Certain items of U.O.T.C. kit and stores have been given to the N.C.C. units as a "Free Issue" -(vide NCC Dte, New Delhi letter No. 0108/48/NCC dated 3 Dec '48). HQ Madras Sub Area however have not received orders regarding this Free Issue, from the authorities concerned and so we have not been able to take charge of any kit or stores. Early action to have these items transferred to us is requested. This will make it possible for the men found medically fit, to be issued with kit and Coy: Commanders will be able to start training.

[illegible] (Cw. 9294)

2. ARMS:- Rifles are required for training. The transfer of the UOTC rifles to the N.C.C. is requested. They can then be made available to the Coys for training.

3. STORAGE OF ARMS:- If the arms allotted to Coys are kept in a Central Armoury or any place outside the Colleges, it is likely to affect the training. Drawing of arms for a parade and returning them after use, will involve considerable waste of time and cause a great deal of inconvenience. Besides, if the arms are kept in a Central Store, it will be difficult for Coys to draw them at short notice, when they are required for urgent parades.

Every College possesses an Armoury (which were inspected by the ~~Military~~ Garrison Engineer and certified as fit for keeping arms) in which arms have been kept in the past by the U.O.T.C. The arms issued to the N.C.C. could be kept in these Armouries. Since special precautions are now considered necessary for their safe custody, posting a police guard at the College Armoury would ensure their safety and place the arms at the disposal of the Coys and therefore it would be a most convenient arrangement.

4. RONEO MACHINE FOR PRINTING BATTALION ORDERS, PROGRAMMES, CIRCULARS ETC:- As will be seen by the badly printed illegible Bn. Orders sent out by this office, the Roneo Machine now in use is very old. As such a Machine is necessary in the Bn. HQ., it will be of considerable help, if arrangements could be made to replace it with a better one. As suggested in the proceedings of the Board of Officers that met at Loyola College on 18th Dec '48 on the sum of Rs.1500/- allotted to unforseen expenditure in G.O. No.2764 Edn dated 4-11-48 may be used for the ~~kkk~~ purchase of a NEW Roneo Machine.

CADRE CAMP FOR TRAINING N.C.Os IN MIDSUMMER VACATION: - This item concerns training, but it is included in this letter, as it forms one of the difficulties that face us.

For training to be efficient a certain number of trained N.C.Os to take the squads is absolutely necessary. At present the Ex. UOTC men in each Coy can perform these duties. But at the end of this year, i.e. March 1949 - most of these ex-UOTC men who are students of the Senior Classes will be leaving the College. This means that at the beginning of the next academic year, i.e. July 1949 - the Coys will be left with hardly any trained N.C.Os fit to take squads.

This difficulty could be got over, if arrangements are made to run a Cadre Camp during the Midsummer vacation to train the required number of N.C.Os. If this is done, each Coy will have a set of N.C.Os ready to take squads when the Colleges reopen and the new set of Recruits are enrolled in July. The services of the ex-UOTC Officers and men now in the N.C.C., who have done courses and attended Camp in the past could be used to run this Camp.

Early consideration of the points raised in this letter will be greatly appreciated.

p19

Please see the letter from the Director, National Cadet Corps, No.0010/48/NCC dated the 2nd November 1948 intimating that all arms and equipment held by the U.O.T.Cs. for eventual transfer to the Senior Division of the NCC units which have been raised in their place will be treated as free issue and that no charge on this account will be made on the Provincial Government. This seems to be applicable only to the equipment 'arms, ammunition, clothing and other equipment supplied from Ordnance depots and not to office furniture and other articles of office equipment such as typewriter, filing cabinet, safes, etc. It is for consideration whether a reference to the Director, NCC, may be made that these should also be treated as free issue. In the meantime there seems to be no objection to a valuation being made as already arranged. The draft Endt. on page 1 ante is for approval.

From the Officer Commanding 3rd Madras Engineer centre no 0058/17/3 Engrs/48 d 10.12.48 p7 cf

Please see the letter from the Director NCC no 0108/48 — d. 3-12-48 addressed to all NCC units on p8 cf wherein it is stated that equipment means all items of ordnance issue and includes ammunition, clothing and vehicles of ex-UOTC units and these items are now the property of the Provincial Govt — The word 'incorrect' in para 2 of the Director's letter d 24.11.48 is apparently a typing error for 'correct'. This may be rectified. p5 cf 17/12/48
