From (Name) .....  
(Designation) DIRECTOR OF PUBLIC INSTRUCTION.

To The Secretary to the Government of Madras,  
Education and Public Health Department.

Sir,

Ref: G.O.No1629 Edn., dated 24-6-1948.

In the G.O. cited, Government have sanctioned an advance equipment grant of Rs.3000/- to each of the District Boards and the Municipal Councils (specified in the annexure to the G.O.) towards the purchase of equipment required for the introduction of bifurcated courses in the specified secondary schools under their management. The local bodies concerned should report to the Director the total expenditure incurred after the articles of equipment have been purchased so as to enable him (the Director) to submit proposals to Government for the disbursement of the balance of grant, due after deducting the advance grant sanctioned in the G.O.

With regard to the sanction of ordinary equipment grant to secondary schools under local bodies the present practice in vogue is that the Divisional Inspectors of Schools concerned approve the indents in the case of Boys Schools and the Director in the case of Girls Schools and the payment is authorised by Government on the recommendations of the Director. The payment is made at the Treasury subject to the production of vouchers at the Treasury.

p.t.o.

3 In G.O.No.2306 Edn., dated 13-9-1948, Government have been pleased to authorise the Director to sanction teaching grants to Secondary schools under local bodies as in the case of aided secondary schools.

4 I now request that Government may be pleased to authorise the Director to sanction equipment grants also to secondary schools under local bodies subject to the limits followed in the case of aided secondary schools. With regard to the sanction of equipment grant for the bifurcated courses introduced in the Secondary Schools under local bodies and aided managements also the Director may be authorised to sanction equipment grant upto the maximum of Rs.5700/- as Government have already authorised the Director in the G.O. cited to sanction the payment of an advance equipment grant of Rs.3000/- to the managements of each aided secondary school in which the introduction of bifurcated courses have been approved. The present system of making payment of grant for Equipment (ordinary) to the local bodies on production of vouchers at the treasury may be followed in regard to the payment of equipment grant for the introduction of bifurcated courses of studies also.

Yours faithfully,

for Director of Public Instruction.
