Ref:- Your letter No.2151 dated 21-10.48.

I am directed to acknowledge receipt of a copy of the Proceedings of the 23rd Annual Meeting of the Inter-University Board of India, sent with your letter quoted above and to say that a reply will be sent at an early date to your letter No. 2001-2011 of 24-9-48.

Yours ffly,

Letter No. MS 3019 E & P.H.(G3) Deptt. Edn. dated 30.11.48

To

The Secretary,
Inter-University Board, India,
10-A, Cavalry Line, Delhi.

Sir,

Sub:- Universities - Inter-University Board - 23rd Annual meeting - Proceedings.
Ref:- Your letter No. 2001-2011 dated 24-9-48.

I am directed to state as follows as regards the three resolutions referred to in your letter quoted above:--

Resolution No.V.(3) The Govt. of Madras have under consideration a scheme for the training of candidates in social service. A final decision on the subject has not yet been arrived at.

Resolution No.X. This Govt. have already been encouraging the development of research in the Universities of the Province. They have accordingly given grants to Universities and colleges affiliated to them, consistent with their resources, towards the opening of Science, Engineering and technological courses.

Resolution No. XX.(2) This Govt. have been observing the principle mentioned in this resolution, in respect of the normal University administration. The ~~Govt.~~ are in agreement with the Board ~~in the view~~ that the autonomy of the Universities should be maintained and that their academic indpendence should be ensured ~~maintained~~ ~~and that their academic independance should be ensured~~ This principle will also be borne in mind in connection with proposals for any new legislation affecting the Universities.

Yours faithfully,

C.No.72770/48.

Inter University Board - 23rd Annual meeting - Proceedings.

From the Secretary, Inter University Board, India, No.2001/2011 dated 24-9-48.

A copy of the proceedings of the Inter University Board meeting held in December last at Cuttack is kept at (A) ~~below~~. The Secretary of the Inter University Board desires to know the action proposed to be taken by this Govt. on the following resolutions, there

Resolution - No.V(3)

" - No.X

" - No.XX(2).

Resolution No.V(3)

The resolution runs as follows:--

"Resolved that the Board recommends to the Universities to encourage Social Service by University students on a voluntary basis and with a view to organising such services in an efficient manner, the Board is of opinion that the necessary finances be provided by the Central and Provincial Governments."

~~It may be mentioned that~~ This Govt. have already evolved a tentative scheme for the training of ~~social service and subject is to be~~ candidates in social service work, & the scheme will be placed before the informal meeting of the Cabinet.

The Secretary of the Inter-University Board may therefore be informed ~~that~~ that this Govt. have under consideration a scheme of social service ~~on hand~~ but a final decision on the subject has not yet been arrived at.

No other action seems to be necessary on this Resn.

Resolution No.X - "The Inter University Board recommends that the development of fundamental research in all Universities and Research Institutes in India in all science and arts subjects including Economics and Politics should be a responsibility for the Central Government of India."

Resolved that the Board is of opinion that the Uni

ties should do all that is possible to develop research in fundamental and applied sciences and Arts and that with a view to enable the Universities to function at a high level for the organisation of these researches, the Central and the Provincial Governments should sanction liberal grants. Further resolved that the Inter-University Board appreciate the efforts which are being made by the Central Government for promotion of research in the Universities". B

This Govt. have so far given grants in respect of new courses to the Universities in the Province, especially those relating to Technology, Engineering, Science, and Research. For instance, the Andhra University has been sanctioned recurring and non-recurring grants this year for the opening of M.Sc. courses in Geophysics. The Govt have also given grant to the University of Madras for technological courses and to the Annamalai University for Engineering and technological courses. The proposal to give grants to the Annamalai University for the Tamil Research Institute is under consideration as a Part II Scheme. Hence the policy of this Govt. is to encourage the development of research in the Universities and they have given grants therefor, consistent with their financial resources. The Secretary of the Inter-University Board may be informed of the above policy of Govt.

11-11-48 B

Resolution No XX (2) - "The Board is of opinion that it is in general agreement that autonomy of the Universities be maintained and that their academic independence be ensured. Resolved further that this principle be borne in mind when any new legislation affecting Universities is contemplated".

p. 5 of (A) A C

Both in theory and in practice, this Govt. is acting on the principle that the Universities are autonomous bodies and the Govt don't normally interfere with their independence.

~~No special action seems called for on this. The Secretary of the Board may be informed of the present position.~~

~~The file may now be circulated to H.E. (Adnr) for orders.~~

This will be general guiding principle of the Govt. in respect of the Universities. The observance of this principle will, however, not be feasible in respect of matters governed by sections 7(1) of the Madras University Act 1923, 8(1) of the Andhra University Act 1925 and 28(1) of the Annamalai University Act 1928. The Govt. have power to order inspection in respect of matters referred to in the sections. The principle of autonomy recommended by the Inter-University Board will, it is presumed, be acceptable subject to the above provisions.

Fin. may see, before Circulation.

x S. 119 of Madras University Calendar Vol. I 1945-46

S. 89 of Madras Code Vol. IV (Book No 18)

p 199 - Madras Code Vol. IV - Book No. 18

These sections do not appear to have been invoked so far. The autonomy of the Universities is being maintained.

THE INTER-UNIVERSITY BOARD OF INDIA

ANNUAL REPORT

1947-48.

I

INTRODUCTION.

This Report covers the twenty-third year of the existence of the Inter-University Board of India from 1st April, 1947 to 31st March, 1948.

During the year, the personnel of the Board underwent the following changes:—

Dr. N. P. Asthana, M.A., LL.D., C.I.E., Vice-Chancellor, University of Agra, Agra, took the place of Dr. J. C. Chatterjee, M.A., D.Litt., M.L.A. (Central), who had represented his University on the Board since April, 1941.

Dr. Tara Chand, M.A., D.Phil., (Oxon), Vice-Chancellor, University of Allahabad, took the place of Dr. Amaranatha Jha, M.A., D.Litt., F.R.S.L., who had represented his University on the Board since April, 1930.

Dr. Pramathanath Banerjee. M.A., B.L., P.R.S., Vice-Chancellor University of Calcutta, took the place of Dr. S. P. Mookerjee, M.A., B.L., Bar-at-Law., D.Litt., M.L.A., who had represented his University on the Board since April, 1934.

Mahamahopadhyaya Pandurang Vaman Kane, M.A., LL.M., Vice-Chancellor, University of Bombay, took the place of Sir B. J. Wadia, M.A., LL.B., Bar-at-Law, who had represented his University on the Board since June, 1942.

Khan Bahadur Dr. M. Hasan, M.A , D.Phil. (Oxon), Bar-at-Law, Vice-Chancellor, University of Dacca, ceased to be a member of the Board in view of a letter from the Registrar of the University stating that the University would no longer remain a member of the Board. Dr. Hasan had represented his University on the Board since June, 1942.

Pandit K. L. Dubey, B.A., LL.B., M.L.A., Vice-Chancellor, University of Nagpur, took the place of the Hon'ble Mr. Justice W. R. Puranik who had represented his University on the Board since January, 1945.

Mr. Zahid Husain, M.A., C.I.E., Vice-Chancellor, University of Aligarh, took the place of Dr. Sir Ziauddin Ahmad, C.I.E., M.L.A. (Central) who had represented his University on the Board since August, 1945.

Dr. Wali Mohammed, M. A., (Punjab), M.A. (Cantab), Ph. D. (Gottingen), I.E.S., Vice Chancellor, Osmania University, took the place of the Hon'ble Nawab Azum Jung Bahadur who had represented Osmania University on the Board since August, 1946.

The Board heartily welcomes its new members : Dr. N.P. Asthana, Dr. Tara Chand, Dr. Pramathanath Banerjee, Mahamahopadhyaya Pandurang Vaman Kane, Pandit K. L. Dubey, Mr. Zahid Husain and Dr. Wali Mohammed.

The Board places on record the valuable services rendered by the retiring members : Dr. J. C. Chatterjee, Dr. Amaranatha Jha, Dr. S. P. Mookerjee, Sir B. J. Wadia, Khan Bahadur Dr. M. Hasan, The Hon'ble Mr. Justice W. R. Puranik, Dr. Sir Ziauddin Ahmad and The Hon'ble Nawab Azum Jung Bahadur.

Professor N. K. Sidhanta, M A. (Cantab), Professor of English, University of Lucknow, was the Chairman of the Board. Dr. J. C. Chatterjee, M.A., D. Litt., M.L A. (Central), continned to be the Secretary of the Board up to 31st October, 1947, when he resigned from the service owing to ill-health. From 1st November, 1947 to 31st March, 1948, the Board functioned without a Secretary. During this period the work was carried on by the Chairman, assisted by Mr. T. Mitra, B.A., L.S.G.D. (Alld), the Office Manager of the Board. Professor S. Mathai, M.A. (Bom), M.A. (Oxon), was appointed Secretary of the Board with effect from 1st April, 1948.

Before 15th August, 1947, all the Universities of India, Burma and Ceylon, numbering 23, were members of the Inter-University Board, the one new addition over the old figure of 22 being the Rajputana University. After that date, with the partition of India the Universities of the Punjab (Lahore) and Dacca ceased to be members of the Board. With the new University of East Punjab at Solan joining the Board, the present figure of membership of the Board is 22.

14

II.

REPORT OF ACTION TAKEN ON THE RESOLUTIONS OF THE BOARD.

Action has been taken on all the Resolutions of the Board passed at its Twenty-second Annual meeting held at Jaipur in December, 1946.

1. Resolution No. I requesting the Universities to examine the syllabus of the proposed Diploma of the Indian National War Academy for recognition of its diploma was circulated among the Universities. The replies received from the Universities are given in *Appendix A*. The University of Agra is of opinion that the suggestion cannot be accepted under the provisions of its Act. The Universities of Aligarh Andhra, Annamalai, Ceylon and Madras have accepted the suggestion in principle, while the Universities of Bombay and Nagpur wish to defer decision till the Academy has begun to function and the courses prosecuted, and papers and standard of examination are available. With other Universities the matter is under consideration. A summary of the replies from the Universities will be communicated to the Academy for necessary action.

2. The recommendation of the Board in Resolution No. II on the conditions under which professional and research degrees are awarded at the various Universities was communicated to all the Universities and the Secretary, All-India Board of Technical Studies. A summary of the replies received from the Universities is given in *Appendix B*. The Universities of Aligarh, Annamalai, Calcutta and Madras have accepted the recommendation while it is under consideration by other Universities.

3. Resolution No. IX requesting the Home Ministry to forward to the Board for their opinion any scheme of Examination or changes therein proposed by the Federal Public Service Commission was communicated to the Government of India and the Federal Public Service Commission. They have agreed to do so provided there is time for such action before the date on which the new or modified scheme of Examination has to be brought into effect.

4. Resolution No. X commending the recommedations of the sectional Committee of Physiology to the various Universities for their consideration was circulated among the Universities. The summary of replies received is given in *Appendix C*. The Universities of Annamalai, Bombay and Calcutta have already provision for such courses. Madras

agrees with the recommendation and Mysore finds it mpracticable. Other Universities have the matter under consideration.

5. Resolution No. XI recommending the recognition of the Imperial Institute of Sugar Technology as a centre for Post-graduate training leading to research degrees under conditions prescribed by each University was circulated among the Universities. A summary of replies received is given in *Appendix D*. The Universities of Annamalai, Ceylon, Madras, Mysore, Travancore and Utkal are agreeable.

6. Resolution No. XII recommending recognition of All-India Institutes of Research for the University research students to carry on part of their research at such institutes or for scholars of the latter to work for a Doctor's degree at the Universities under exemption from attendance for such periods together with a term of at least 6 months residence at the Universities was circulated among the Universities. A summary of replies received from them is given in *Appendix E*. The Universities of Annamalai, Calcutta, Ceylon, Madras, Mysore, Travancore and Utkal have generally agreed to the recommendation. Bombay finds it incompatible while others have it under consideration.

7. Resolution No. XIV. commending the recommendation of the Crops and Soils wing of the Board of Agriculture and Animal Husbandry in India for the establishment of Chairs for the teaching of the Science of Genetics by the Universities with adequate grants from the Centre was communicated to the Universities and the Government of India. The Universities of Aligarh, Annamalai, Bombay, Calcutta, Madras and Mysore have endorsed the recommendation of the Board and are agreeable to take practical steps if funds are available from the Centre. Andhra University has addressed the Government of India for grant. The Government of India in the Ministry of Agriculture regrets that they cannot give grants to the various Universities.

8. Resolution No. XVI recommending that suitable courses of studies for Political, Trade and Diplomatic services in foreign countries be instituted in Indian Universities, and that for this purpose the Government of India, Provincial and State Governments should allot funds to the Universities was circulated among the Universities and the different Governments. A summary of replies received from them is given in *Appendix F*. Twelve Universities have replied. Most of them are in agreement with the proposal and want financial aid from the Governments for the purpose. Some want to know the exact requirements of the

Central Government in the matter. The University of Mysore has already similar courses for their degree examinations. The Government of India says that action will be taken when a decision has been arrived at on the proposal to appoint a University Commission and the future scope and functions of the Central University Grants Committee are known.

9. Resolution No. XXII recommending that the subject—Principles and Practice of Co-operation and Co-operative Laws—should form one of the subjects for the B.Com. course, was circulated among the Universities. The University of Madras has Co-operation as a course of study in B.A. and B.Com., while Mysore though not having such a course as an optional subject for the degree course, has it well worked into their syllabus and adequately treated. Some Universities do not have a B.Com. course and some have the suggestion under consideration.

10. Resolution No. XXIII (i,ii & iii) regarding appointment of a full time Vice-Chancellor, a Finance Committee and a Treasurer in each University and part (iv) recommending to the Government of India that the scope of the Central Grants Committee should be enlarged and more funds placed at its disposal so that it may make special grant to all Indian Universities for specified purposes were communicated to the Universities and the Goverment of India respectively. A summary of the replies received from the Universities is given in *Appendix G*.

11. Resolution No XXIV referring to resolution No. XII regarding granting of facilities for the free migration of Post-graduate students between different Universities and Research institutions was communicated to the Universities and replies received from them are included in *Appéndix E*.

12. Resolution No. XXVI (1) suggesting suitable measures for providing necessary information, guidance and assistance to students intending to go abroad for further studies was communicated to the Universities and the Government of India. A summary of replies received from the Universities is given in *Appendix H*., which shows that they are in general agreement with the proposal whereas the Government of India has this under their consideration. Resolution under part 3 recommending to the Universities to reserve some seats for students from foreign countries is also generally acceptable to them as shown in the appendix.

13. Resolution No. XXX recommending to the Universities the desirability of organising research in grain storage was communicated to the Universities. The Universities of Calcutta and Ceylon have accepted the recommendation.

14. Resolution No. XXXI (1 & 2) suggesting that the Universities should render assistance in giving instruction to instructors of the Air-force in methods of teaching was communicated to the Universities. The Universities of Aligarh, Andhra, Annamalai, Calcutta, Madras, and Mysore agree with the suggestion. The University of Bombay states that the question does not arise at present as the Indian Air Force Training Corps which had been established at the various Universities has now been disbanded by the Central Government.

15. Resolution No. XXXII suggesting to the Government of India to constitute a Universities Commission on the lines of the Sadler Commission was communicated to the Government of India along with resolutions Nos. VI, VII, XIX, XX and XXVII and the Government of India have replied that they have this question under their active consideration.

16. Resolution No. XXXIII requesting the Universities to forward a statement of their present position in regard to Physical Education was communicated to the Universities. A summary of replies received from them is given at *Appendix I*. Most of the Universties have this course. Details are given in the appendix and its enclosures.

17. Resolution No. XXXVII (b) recommending that the representatives of the Inter-University Board on all bodies of the Government of India should be paid travelling and other allowances on the usual scale admissible for members of these bodies was communicated to the Government of India in the Ministry of Education. It says that so far as that Ministry is concerned the recommendation is already in practice and that a copy of the resolution has been forwarded to other Ministries for suitable action.

18. Resolution No. XL requesting the Government of India that the grant to the Inter-University Board should be enhanced so as to enable the Board to appoint a Secretary on Rs. 1, 500/- per month for a term of five years was communicated to the Government of India. They have replied that they have no objection to the salary of the Secretary being raised to Rs. 1,500/- but this does not, however, commit them to any increased grant to the Board.

19. Resolution No. XLVII recommending to the Universities to establish a course in Estate Management wherever possible and pending this the London University may hold such examinations for a period of 3 years only in India; and as such, requesting the Government of India to conduct direct negotiations with the London University to obtain all particulars with regard to the possibility of conducting such an examination in India, were communicated to the Universities and Government of India. The Universities of Agra and Ceylon have such courses in their Faculty of Agriculture. Aligarh, Andhra and Annamalai are in agreement with the recommendation. Madras disapproves of an examination by an outside body but recommends that such courses be instituted in the Universities. Other Universities have noted or are considering the matter.

The rest of the resolutions which did not need any specific action were communicated to the Universities.

III

CORRESPONDENCE ON IMPORTANT QUESTIONS.

In the year under report we passed through very abnormal times. The Board office had to take some time before settling down in Delhi after its transfer to this place from Muzaffarpur in the month of February, 1947, and to begin its normal work. It again received a second spell of dislocation some days after the Independence of India on the 15th of August, 1947. Owing to the disturbances that followed the partition of India, the normal working of offices in Delhi was paralysed and the postal system was almost brought to a stand-still. Under these circumstances, important correspondence, in particular the proposals from the Universities, Government of India and other bodies for the Agenda of the Annual Meeting of the Board at Cuttack on the 1st and 2nd of December, 1947 were received very late. The office had, therefore, to rush through the drafting of the Agenda. The problem of getting the Agenda printed during the disturbed times when practically all the presses were closed owing to shortage of press-hands and curfew was also an extremely difficult one. Nevertheless the work was got done in time and copies of the Agenda were circulated to the members of the Board and the Government of India within the scheduled time. Apart from this, correspondence on various other subjects was also attended to as promptly as possible.

The office received a communication dated 1st July, 1947, from Mrs. G. J. Watumull, Chairman, Distribution Committee, Watumull Foundation, Los Angeles-24, California, that Dr. John Haynes Holmes of the Community Church of New York City, one of America's greatest liberal thinkers and an authority on religion and literature was invited by the Benares Hindu University as Rabindranath Tagore Memorial lecturer and that he would also be available to lecture at other Universities and Institutions. She, therefore, requested the Board to arrange for Dr. Holmes' lectures and prepare an itinerary of his lecture-tour in India. The provisional programme of the tour was, therefore, prepared and intimated to all the Universities and Institutions in India, and to Mrs. Watumull and Dr. Holmes. Dr. Holmes landed at Bombay on 3rd October, 1947. Owing to the disturbed conditions prevailing in India at that time, he could not follow the itinerary prepared by the office. The Board was not informed of the changed programme of Dr. Holmes. But he visited as many Universities and Institutions as was possible and they derived the greatest benefit from this cultural contact. Dr. Holmes, Mrs. G.J. Watumull and the Universities and other Institutions of India deserve our sincere thanks for arranging this important visit.

The Office also received a communication from the Government of India in the Ministry of Education intimating that Professor T. Walter Wallbank of the University of Southern California was planning to visit this country with a view to establishing contacts with our Universities and educational intitutions and to talk on subjects like International Affairs and Teaching Methods in the social sciences, between 11th October, 1947 and 15th January, 1948, and desiring our office to request the Universities to extend all possible help to the Ministry of Education and Prof. Wallbank to make the lecture-tour a success. The Registrars of the Universities were informed of this and requested to take advantage of Prof. Wallbank's tour and to help the Ministry of Education which was drawing up an itinerary for him.

Resolution No. XLVIII of the Board adopted at their Jaipur Meeting in December, 1946, requesting the Government of India to provide each of the Universities with a full set of the papers circulated to the members of the Constituent Assembly as well as their proceedings for the benefit of University students and research workers was communicated to Dr. Rajendra Prasad, the President, and to the Secretary to the Constituent Assembly, Government of India, New Delhi, and to the President of the Pakistan Constituent Assembly, Secretariat, Karachi,

for information and necessary action. The reply received from Pakistan states that they would consider requests from individual Universities for any specific literature on their receipt, and that their publications are priced and can be had from any authorised agent of the Government of Pakistan on payment. The Under-Secretary to the Constituent Assembly of India, Council House, New Delhi, has replied that the papers circulated to the members of the Constituent Assembly by the Ministry of Law (Reform) and the Publications of the Assembly are priced publications and can be had from the Manager of Publications, Civil Lines, Delhi, on payment. He has, however, stated that apart from the aforesaid papers, four reports of Committees which were not priced have been sent direct by him to the Universities of Benares, Madras, and Nagpur. Some copies were sent to this office for being forwarded to the rest of the Universities, and these have been duly passed on by this office. This co-operation of the office of the Constituent Assembly of the Government of India is greatly appreciated.

Resolution No. XLIX of the Board requesting the Government of India in the Legislative Assembly Department that reports presented to the Central Legislative should be made available to the Universities to enable the departments concerned to study and utilize such reports for purposes of research, was communicated to the Government of India in the Legislative Department and to the President of the Pakistan Legislative Department, Secretariat, Karachi, for information and necessary action. No reply has been received from Pakistan. The Ministry of Education, Government of India has, however, replied that the Government of India regret their inability to send free copies of such reports, but have decided that the Universities may receive the publications from the Manager of Publications, Civil Lines, Delhi, at the usual price less 25 % discount as a special case. This letter No. D. 2946/47. E. II, dated 22nd December, 1947 of the Ministry of Education has been communicated to the constituent Universities for their information. This co-operation of the Ministry of Education, Government of India, is also greatly appreciated.

The Board continued to function as an Inter-University Employment Bureau. Advertisements for vacancies received from different Universities of India, and foreign Countries, as also from the Government of India, and the Federal and Provincial Public Service Commissions were circulated.

The Board kept itself in touch with the various Departments of the

Government of India, the Imperial Council of Agricultural Research and other bodies.

Enquiries from Students, Universities, the Public and the Government Departments were duly attended to during the year.

IV

PUBLICATIONS.

During the year under report the following publications were issued:—

1. Proceedings of the Twenty-second Annual Meeting of the Inter-University Board of India.

2. Annual Report of the Inter-University Board for the year 1946-47.

3. The Handbook of Indian Universities, 1946 edition, is being printed in 2 volumes. The 1st volume containing account of 11 Universities is practically complete. The 2nd volume is still in the press. It is regretted that owing to the difficulties of obtaining paper, labour etc., the publication of the Handbook has been so inordinately delayed.

All publications during the year under report were delayed owing to communal disturbances and the closing down of most of the presses in Delhi.

V

ELECTIONS.

Dr. P. Parija, Vice-Chancellor, Utkal University and Syed Ud-din Swallhay, Head of the Deptt. of Agriculture, Aligarh Muslim University, were appointed by the Inter-University Board to represent it on the Standing Finance Committee of the Imperial Council of Agricultural Research for a period of one year from 1st September, 1946.

The following persons were elected to form the panels from which the Chairman of the Indian Council of Agricultural Research can nominate two persons to serve on the Standing Finance Committee of the Council for a period of one year from 1st September, 1947 and for a further period of one year from 1st September, 1948.

Agriculture.	Animal Husbandry.
1. Dr. Gopal Rao, Waltair,	1. Mr. K.N. Bahl, Lucknow.
2. Dr. P.V. Ramaya, Coimbatore.	2. Dr. Syed Swallhay, Aligarh.
3. Dr. P. Parija, Cuttack.	3. Mr. K.S. Nair, Madras.

Mr. S. Mohiyuddin, Vice-Chancellor of the Mysore University and Pandit K. L. Dubey, Vice-Chancellor of the Nagpur University were elected representatives of the Universities on the Advisory Board of the Indian Council of Agricultural Research in place of Khan Bahadur Mian Afzal Hussain, Punjab and Dr. J.C. Chatterjee, Agra, for a period of 3 years with effect from 1st April, 1948 and 1st December, 1947 respectively.

The following members were elected as representatives of the Universities on the Advisory Board of Archaeology, for a period of 3 years with effect from 1st March, 1948.

1. Dr. C.R. Reddy, Waltair,
2. Mr. M. Ruthnaswamy, Annamalainagar,
3. Dr. I.W. Jennings, Ceylon, and the Heads of departments of History of the Universities of Madras, Utkal and Benares.

Dr. P. Parija, Vice-Chancellor, Utkal University and Dr. G. S. Mahajani, Vice-Chancellor, Rajputana University were nominated to the Central Advisory Board of Forest Utilization for a period of 3 years with effect from 1st July, 1948. It was understood that no meetings were held during the last three years.

The following members were elected as representatives of the Inter-University Board to the All-India Boards of Technical Studies for a period of 3 years with effect from 1st January, 1948.

1.	Mr. L.M. Chitale,	Madras	Architecture and Regional planning.
2.	Prof. B.N. Das Gupta,	Lucknow	Commerce, Business Administration and Economics.
3.	Mr. M. Sen Gupta,	Benares	Engineering and Metallurgy.
4.	Mr. S. Mohiyuddin,	Mysore	Chemical Engineering and Technology.
5.	Mr. H.C. Papworth,	Travancore	Textile Technology.
6.	Prof. N.K. Sidhanta,	Lucknow	Applied Arts.

The following procedure was laid down for the election of 3 representatives of the Medical Faculties of the Universities to the Governing Body of the Indian Research Fund Association. Nominations may be called for from the Medical Faculties from amongst persons who may or may not be members of the Medical Faculties of Universities concerned. Of the 3 people that each Medical Faculty may nominate, 2 should be from its own members and 1 from outside. After receipt of the nominations, the list of valid nominations should be sent round to different Universities wherefrom the Faculties of Medicine will elect the required number of representatives. The final list of elected representatives should be drawn up by the Chairman after scrutiny of the papers concerned and communicated to the Secretary of the Indian Research Fund Association. In the case of a tie in the elections, the Chairman's decision will be final.

This was communicated by way of suggestion to the Universities having Medical Faculties so that they may be able to change their constitution in this respect accordingly.

The following members were elected to the Standing Committee of the Inter-University Board for the year 1948-49.

1. The Chairman,
2. Dr. S. Radhakrishnan,
3. Dr. P. Parija,
4. Mr. M. Ruthnaswamy,
5. Prof. N. K. Sidhanta.

In the case of interim vacancies in any of the Committees, the Chairman was empowered to co-opt members on behalf of the Board.

VI.

FINANCIAL STATEMENT.

The Board at their Twenty-third annual meeting held at Cuttack from 1st to 2nd December, 1947, resolved to have the financial year of the Board from 1st April to 31st March each year as obtained in Government offices. The year under report thus having ended on 31st March, 1948, the accounts of the Board which according to previous practice started from 1st January, 1947, were audited for the period from that date to 31st March, 1948, for this year as a special case. The audit was conducted by Messrs. B R. Malhotra & Co., Incorporated and Registered

Accountants, Kashmere Gate, Delhi, as approved by the Chairman of the Board, and the accounts were certified as correct. The statement of budget appropriation and revenue receipts for the year ended 31st March, 1948, as audited by them is found in *Appendix J*. Considerable savings were effected during the period under audit as would be evident from the fact that a sum of Rs. 34,953-12-6 only was spent as against the sanctioned expenditure of Rs. 57,241-8-0. This is due to the fact that a non-recurring grant of Rs. 10,000/- was not received from the Government of India for setting up a library for the Board. Payments were also not made for the printing of the Handbook which was not completed. Finally, under head, "salaries to staff", Dr. J.C. Chatterjee who was the Secretary of the Board did not serve his full term having resigned with effect from 1st November, 1947, owing to ill-health and the post of the 1st Assistant having been kept in abeyance during the full course of the year.

No expenditure under "Provident Fund" was incurred during the year as of the two existing hands, Mr. T. Mitra, B.A., L.S.G.D. (Alld), Manager of the office was confirmed only with effect from 1st March, 1948. The second Assistant, Mr. Sivaram Iyer is also due to be confirmed with effect from 15th April, 1948. According to the resolution of the Board, the Secretary is also allowed to the benefit of Provident Fund. These will mean expenditure on this head from next year.

As there was a great saving in the budget of the Board for the year under report, the Government of India sanctioned a grant of Rs. 6,300/- only just to balance the receipt and expenditure sides of the budget. The payment of this unfortunately could not be received during the year in spite of this office reminding the Government of India on 17th March, 1948, to send us at an early date their sanction of the grant requested for. The sanction letter was, however, handed over to the Manager of this office on 29th March afternoon and the next day the authority was personally communicated to the office of the Accountant General, Central Revenues, New Delhi, together with a forwarding letter and stamped bill of Rs. 6,300/-. The Accountant General, Central Revenues office has informed us that the requisition was sent to the Imperial Bank of India, New Delhi, on 31st March, 1948, for issuing a draft in our favour, and though it was received by the Bank, ultimately it was returned to the Accountant General, Central Revenues office with the remark that the bank-draft could not be issued as the requisition was received there too late. The matter has, however, been taken up

with the Ministries of Education and Finance to arrange payment of this grant from next year's budget.*

VII.

INTER-UNIVERSITY SPORTS.

The Eighth meeting of the Inter-University Sports Board was held at the University of Nagpur on 22nd March, 1948, in which the representatives of 11 Universities and the All-India Hockey Federation participated. The Proceedings of the meeting will be found in *Appendix K.* (i) The reports of the Secretary and Organizers of the Zonal and Inter-Zonal tournaments are given in *Appendices K.* (ii & iii).

Action on the resolutions of the Sports Board has been taken.

Resolution expressing grief at the tragic death of Mahatma Gandhi was communicated to the Hon'ble Prime Minister of the Government of India.

The dates for the closing of entries and the period between which the various tournaments shall be held were wholly revised. A new event of Badminton was added to the list of Inter-University contests and a few women's events in Athletics and Badminton were introduced from next year. Mr. M. Sultan, Honorary Secretary, Canning College Athletic Association, University of Lucknow, has been requested to draft an upto-date edition of the entire Rule-book for the conduct of Inter-University Tournaments as desired by the Sports Board.

The Punjab University which won the trophies of the Inter-University Sports Board for Athletics, Hockey, Swimming and Tennis in 1946, have not returned the trophies as yet. As they are Running Trophies the High Commissioner for India in Pakistan has been requested to move the Pakistan Government for the return of these trophies by the Punjab University, and the matter is under their consideration.

It is regretted that the Universities of Andhra, Delhi and the Punjab did not pay their Sports subscription for the year.

VIII

CONCLUDING REMARKS.

The Board office has been housed at 10-A, Cavalry Lines ever since it was transferred to Delhi from Muzaffarpur in February, 1947.

* The grant has since been paid from the Budget of 1948-49.

Mrs. Onila Chatterjee, the then owner of the bungalow, was kind enough to give on rent a portion of her bungalow to the office, otherwise it would have been difficult for the office to have a suitable place for itself in Delhi where housing shortage is very acute. Unfortunately, Mrs. Chatterjee has sold the property to Sir Gokul Chand Narang, who now wants the whole of the bungalow for his personal use. Although a smaller portion than before has been requisitioned by the Government for the Inter-University Board, yet it is very essential for the Board to find a separate building for itself. The office is, therefore, faced with a very difficult problem on this score. The Government of India were requested to allot a house in New Delhi, which could serve as the Board's office and the Secretary's residence but they have expressed their inability to do anything at present. It is essential that the office should have more space at its disposal so that a room may be set apart as a reference Library and the increasing files of correspondence etc., may be suitably housed.

The Board looks forward to ready and courteous cooperation from the Universities and various Government Ministries to enable the office to discharge its heavy responsibility efficiently. The Board also takes this opportunity of thanking them for the co-operation shown to it in the past without which it could not have performed its duties satisfactorily.

S. MATHAI,
Secretary.

N. K. SIDHANTA,
Chairman.

APPENDIX A.

Recognition of the diploma of the proposed Indian National War Memorial Academy.

Resolution No. 1 of Jaipur Meeting (1946).

"The Inter-University Board welcomes the establishment of the Indian National War Academy and it notes with satisfaction that the syllabus for the proposed Diploma compares favourably with that for the Degree Examination of an Indian University. To attract the best students, the Board requests the Universities to examine the syllabus in detail and to extend to the students of the Academy such benefits of continued study in the University as may be agreed upon based on equivalence of study and examination."

1. AGRA—From clause (f) of para 2 of the report of the syllabus and Establishment Sub-Committee of the Indian National War Memorial Working Committee, it is found that the minimum educational qualification for admission to this course is Matriculation Examination. Under the provisions of the Agra University Act, no candidate can be admitted to a course in this University unless he has passed the Intermediate Examination and since the Diploma holders of the proposed Academy will not have passed the Inter-Examination, the question of the recognition of the Diploma of the proposed Academy as equivalent to our Bachelor's degree cannot be considered.

2. ALIGARH—The University agrees with the suggestion.

3. ANDHRA—The Syndicate agrees with the suggestion in principle.

4. ANNAMALAI—The University, while endorsing the resolution of the Board, will afford all possible facilities to students desirous of continuing their studies here after obtaining the diploma of the Indian National War Memorial Academy.

5. BOMBAY—This University can consider the question of recognition only after the first examination for the Diploma course is held and an opportunity is available for the inspection of the question papers set and the standard of the examination thereat and an application is made to this University by the authorities of the Academy for such recognition.

6. CALCUTTA—Under consideration.

7. CEYLON—This University accepts in principle.

8. MADRAS—The Diploma of the Indian National War Academy is recognized as equivalent to the B.A. degree of this University. It is necessary that the Academy should inform the Universities of any changes that may be made in the Syllabus or scheme of studies of the proposed Diploma.

9. MYSORE—Under consideration.

10. NAGPUR—The University will consider the proposal sympathetically as soon as the Indian National War Academy has begun to function and a complete picture of the courses prosecuted is available.

11. TRAVANCORE—Under consideration.

12. UTKAL—Under consideration.

APPENDIX B.

Report of the Engineering and Technical Sub-Committee.

Resolution No. II of the Jaipur Meeting (1946)

"The Board agrees that the recommendations of the Sub-Committee be adopted with the following amendments regarding qualifications of lecturers at page 12, para 2 : "the practical experience should preferably be for a minimum period of 5 years". Resolved that the recommendations be communicated to all the Universities and the Secretary, All India Board of Technical Studies."

Summary of replies received.

1. AGRA—It has been recorded as there is no Engineering College affiliated to the University at present.

2. ALIGARH—This University generally accepts the recommendation.

3. ANNAMALAI—The University agrees with the recommendations of the Engineering and Technology Sub-Committee.

4. BOMBAY—Under consideration.

5. CALCUTTA—Agrees.

6. CEYLON—The resolution will be considered when detailed proposals of the Faculty of Engineering are examined. The title of the degree is, however, already prescribed by Statute as B.Sc.Eng. The Words "pass" and "Hons" are not added to any degrees of this University.

7. MADRAS—The recommendation be accepted and adopted.

8. MYSORE—Under consderation.

9. NAGPUR—Under consideration.

10. TRAVANCORE—Under consideration.

11. UTKAL—Recorded.

APPENDIX C.

Present status of Physiology in India.

Resolution No. X of Jaipur Meeting (1946).

"The Board is in general agreement with the recommendations of the Sectional Committee of Physiology of the Indian Science Congress Association and commends them to the various Universities for their consideration."

Summary of replies received :—

1. AGRA—Under consideration.

2. ALIGARH—Under consideration.

3. ANNAMALAI—There is a provision for the study of Physiology under Zoology in the scheme of study for the Intermediate, B.Sc., pass and Honours Degree.

4. BOMBAY—This University has provided for a Degree course in Animal Physiology and has also made provision for research degrees in the subject.

5. CALCUTTA—Under consideration.

6. CEYLON—Advanced study and research are being provided for.

7. MADRAS—The recommendation be generally agreed to.

8. MYSORE—**OPINION OF THE BOARD OF STUDIES IN MEDICINE :** The Board considers that the course for the B.Sc., Physiology cannot be made exactly to correspond with the course in Physiology for M.B.B.S. students as-much as M. B.B.S. students have a background of Anatomical knowledge and receive instruction in applied Physiology relating to medicine.

OPINION OF THE BOARD OF STUDIES IN ZOOLOGY : The Board is of opinion that it is desirable to include Physiology as one of the subjects at the Intermediate standard, but to introduce Physiology as a special subject for the degree courses, it may be difficult at this stage due to lack of equipment and trained personnel.

9. NAGPUR—Under consideration.

10. TRAVANCORE—Under consideration.

11. UTKAL—Under consideration.

APPENDEX D.

Facilities available for research in the Imperial Institute of Sugar Technology, Kanpur.

Resolution No. XI of the Jaipur Meeting (1946).

"The Inter-University Board recommends the recognition of the Imperial Intstitute of Sugar Technology as a centre for post-graduate training leading to research degrees under conditions prescribed by each University".

Summary of replies received :—

1. AGRA—This has been referred to the Faculty of Science in the University.

2. ALIGARH—Under consideration.

3. ANNAMALAI—The University regulations governing the award of research degrees are on the lines suggested in the resolution of th Board and the University will be prepared to recognise and grant exem tion for limited periods covered by work done outside the Univer

at approved centres of research with the previous permission of the University.

4. BOMBAY—An application for recognition was recently considered by the Board of Post-graduate Studies but owing to certain difficulties it could not be granted. The matter is being reconsidered.

5. CALCUTTA—Under consideration.

6. CEYLON—The recommendation has been noted in case graduate students wish to study at the Institutes.

7. MADRAS—The recommendation be accepted.

8. MYSORE—Post-graduate degrees in this University in Science and Engineering are M.Sc. and M.E., and D.Sc. and D.E. For M.Sc. and M.E. degrees, courses of study are prescribed which candidates have to pursue in this University as provided for in the University Act. As for D.Sc. and D.E. degrees, however, courses of study are not prescribed in this University and the University has no objection to recognising the Indian Institute of Sugar Technology as a Centre for research for qualifying for these degrees in this University.

9. NAGPUR—Under consideration.

10. TRAVANCORE—Agrees generally with the resolution.

11. UTKAL—Agrees with the recommendations.

APPENDIX E.

Recognition of the 'Associateship' and 'Fellowship' of the Imperial Institute of Sugar Technology, Kanpur.

Resolution No. XII of the Jaipur Meeting (1946).

"The Board is of opinion that University research students working for a research degree may be permitted in special circumstances to carry on part of their research at recognised All-India Institutes of Research and the period so spent being duly recognised by the University. Similarly if any scholar, Associate or Fellow employed in such an Institute desires work for a Doctor's Degree and otherwise fulfils the condi- s applicable to its own students laid down by the University, he for d be given exemption from attendance for the period for which he

would actually be working in the Institute. Provided that in respect of both classes of scholars, the applicant must put in at least 6 months of residence in term at the University concerned."

Summary of replies received :—

1. AGRA—Referred to the Faculty of Science.

2. ALIGARH—Under consideration.

3. ANDHRA—The University agrees, but it is of opinion that it is a question of finding places in addition to those that have been given to one's own graduates.

4. ANNAMALAI—The University Regulations governing the award of Research degrees are on the lines suggested in the resolution of the Board and the University will be prepared to recognize and grant exemption for limited periods covered by work done outside the University at approved centres of Research with the previous permission of the University.

5. BOMBAY—It is not possible in view of the present regulations of this University.

6. CALCUTTA—Yes, for D. Phil., if the candidate has passed M.Sc.

7. CEYLON—The University agrees, except that the period of residence must be twelve months for Ceylon graduates and two years for other graduates.

8. MADRAS—The recommendation be generally agreed to.

9. MYSORE—There is no Ph. D. degree in this University. As for the M.Sc. degree, it may be taken either by papers or by thesis. If a candidate chooses to offer a thesis for the M.Sc. degree and a part of the research for the thesis has to be carried on at a recognized All-India Institute of Research for want of facilities in this University, the case will be considered on the recommendation of the head of the department of study concerned and the period so spent recognized by the University.

10. NAGPUR—Under consideration.

11. TRAVANCORE—Agrees generally with the resolution.

12. UTKAL—The proposal is accepted.

APPENDIX F.

Practical bias to the study of Economics etc.

Resolution No. XVI of the Jaipur Meeting (1946).

"In view of the need for specialised training for candidates who will be recruited for foreign services, the Board recommends that suitable courses of studies for their training should be instituted in Indian Universities for preparing persons for Political, Trade and Diplomatic services in foreign countries. For this purpose, the Government of India, Provincial Governments and States should allot funds to Universities."

Summary of replies received :-

1. AGRA—This has been referred to the Boards of Studies in Economics, History and Political Science in the University.

2. ALIGARH—Under consideration.

3. ANDHRA—Government of India when addressed for grants stated that the question would be considered in due course.

4. ANNAMALAI—The University will be glad to consider suggestions for the institution of new courses of study and research and implement them provided financial aid from Government is assured.

5. BOMBAY—To enable this to be done, the University should be given statutory powers to train up students for Political, Trade and Diplomatic Services in foreign countries. This will need an amendment of the present Act and the Government is being moved to amend the Act in this respect as an urgent measure.

6. CALCUTTA—The University welcomes the proposal if Central and Provincial Governments allot funds for the purpose.

7. CEYLON—The University agrees and is taking the necessary steps to provide for the Ceylon Services.

8. MADRAS—The recommendation be generally agreed to.

9. MYSORE—The University is in agreement with the resolution of the Board.

In fact, this University has already instituted a wide variety of courses of an advanced character which may well provide a general training for the prospective personnel of the Indian Foreign Services. Some of the Courses and Degrees in this University directly bear upon India's relations with the External World.

So far as Trade Service is concerned, the four year course leading to the B.Com., degree instituted in 1944 provides an exhaustive survey and study of all problems, Indian and Foreign, both in their theoretical and practical aspects, relating to Commerce, Industry, Banking, Transport, Finance, Tariffs and Communications. As for the Political and Diplomatic Services, no specialised training intended directly to fit persons for posts in Foreign services is provided, but the Honours and M.A. courses in Politics and History give the necessary general preparation for these services.

In response to the needs arising out of the political developments in the country, such as those envisaged by the Inter-University Board, further expansion and improvement of the courses in this University are under contemplation. It is under consideration to introduce, among others, subjects like International Law, International Relations, Diplomatic History and Governments and Politics of the Asiatic Countries in the optional groups for the Honours and M.A. courses in Politics; and it is proposed to introduce a study of Oriental Philosophycal Ideas and Social Institutions (Indian, Islamic and Chinese) in the Philosophy Honours course.

The existing courses of study in the University make ample provision for the present for the general requirements of the prospective members of Foreign Services.

10. NAGPUR—A scheme in this connection has already been submitted by the University to the Provincial Government. Further action will depend on the extent to which financial aid is available.

11. TRAVANCORE—Without knowing the exact requirements of the Central Government, the Universities cannot easily take the initiative.

12. UTKAL—Under consideration.

APPENDIX. G.

Desirability of having a full-time Vice-Chancellor and a Finance Committee in each University.

Resolution No. XXIII (i, ii & iii) of the Jaipur Meeting (1946)

"(i) In view of the expanding activities of the Indian Universities this Board is of opinion that the time has come when it is desirable that all Universities should have full time Vice-Chancellors.

(ii) The Board is also of opinion that there should be constituted in each University a Finance Committee.

(iii) The question of appointment of a Treasurer be referred to the different Universities for opinion."

Summary of replies received:—

1. AGRA
   (i) This is under consideration.
   (ii) The University has already got a Finance Committee.
   (iii) The University being purely of an affiliating nature, does not need a Treasurer.

2. ALIGARH—The practice in the Universitv is in accordance with the recommendations made by the Central University Grants Committee. No further comment is necessary.

3. ANDHRA—The University has already both the Vice-Chancellor and the Finance Committee. There does not appear to be any need for a Treasurer.

4. ANNAMALAI
   (i) The University agrees with the opinion of the Board.
   (ii) This University has a Finance Committee.
   (iii) There is at present in the University 'the Bursar' who is in charge of the University finances. This officer may be the Secretary of the Finance Committee.

5. BOMBAY
   (i) The question of appointing a full time Vice-Chancellor should be left to the Universities to decide for themselves.

   (ii) A Finance and Establishment Committee has already been appointed by this University.
   (iii) The appointment of a Treasurer in the case of this University is not necessary.

6. CALCUTTA
   (i) Approved, forwarded to the Government for consideration and necessary action.
   (ii) The University has a Finance
   (iii) The University has an Audit Officer.

7. CEYLON
   (i) The Vice-Chancellor is a full-time officer.
   (ii) The University Council is a small body which includes financial experts, and it has not yet found a Finance Committee to be necessary.
   (iii) The Vice-Chancellor being a full-time officer is at present able to exercise the functions of a Treasurer. A Treasurer will probably be necessary when the endowments, which at present are small, become more numerous.

8. MADRAS
   (i) Accepted.
   (ii) Accepted.
   (iii) Not accepted as there are Financial and Account Rules for the guidance of the Syndicate and the accounts of the University are audited efficiently and concurrently by the Audit Department of the Provincial Government.

9. MYSORE
   (i) In this University, the Vice-Chancellor has always been a whole time officer.
   (ii) There is a Committee of Finance in this University.
   (iii) This being a State University, there is no need for a Treasurer.

10. NAGPUR
   (i) Noted.
   (ii) Noted.

(iii) Noted.

11. TRAVANCORE

(i) This University has a full-time Vice-Chancellor now.

(ii) This University has a Board of Finance and Accounts.

(iii) There is no need for a Treasurer in this University which depends mostly on Government grant for its working and the money is kept in the Government Treasury and drawn from time to time according to necessity.

12. UTKAL

(i) Under consideration.

(ii) Under consideration.

(iii) Under consideration.

APPENDIX H.

1. Suitable measures of help to students going abroad for further studies, 3. Reservation of seats in technological and scientific departments for students from neighbouring countries.

Resolution No. XXVI. 1 & 3 of the Jaipur meeting (1946)

"The Board is of opinion that there should be constituted a Central Board of Information for students going abroad and that Advisory Boards at different Universities should be constituted where they do not exist at present. Where there is more than one University in a Province, the Universities in the Province may set up a joint Board for this purpose. Such Boards should have a Secretary and necessary staff for the efficient discharge of their duties. The Central Board while furnishing from time to time all relevant information with regard to the students abroad to the Advisory Boards and while periodically preparing pamphlets and leaflets containing upto-date information about the courses, conditions of admission, conditions of stay and expenditure involved and the facilities available overseas for students proceeding abroad, should help the Universities in obtaining admission for their students. The Board welcomes the steps taken by the Government of India in constituting overseas Bureaux in United Kingdom and United States and suggests similar steps to be taken in countries where a fair number of students desire to proceed.

3. The Board recommends the proposal to the Indian Universities for favourable consideration and suggests that wherever possible some seats may be provided for students from foreign countries; and for such purpose the Board is of opinion that the Universities concerned should directly correspond with one another."

Summary of replies received:—

1. AGRA

1. This University approves of the idea of setting up a Joint Board of Information for students going abroad for the five Universities in the U. P.

3. The proposal will be considered when any foreign University writes to this University in this connection.

2. ALIGARH

1. This University already provides this information through a University Bureau.

3. If any neighbouring country so desires, the University will consider the matter in a helpful spirit.

3. ANDHRA

The University agrees, but it has no plethora of seats nor the students from neighbouring friendly countries know this regional language.

4. ANNAMALAI

1. There is a Students' Information Bureau and a Board consisting of the Deans of Faculties to advise students desirous of proceeding abroad for higher studies.

3. The University will gladly consider cases of students from neighbouring countries seeking admission to this University through their respective Universities.

5. BOMBAY

1. In this University there is already a Foreign Universities Information Bureau which furnishes the relevant information to the students intending to go abroad and arranges for their admission.

3. Departments of this University are only four. Except in the Department of Military Studies, owing to the pressure of admissions and the limited resources of the University, it has been found necessary to restrict admissions, but in the Departments of Economics and Sociology students from neighbouring countries are admitted. In the Department of Chemical Technology, however, until it is possible to increase the number of admissions, the suggestion cannot be acted upon.

6. CALCUTTA

1. This University has a University Students' Advisory Bureau (Overseas).

3. The University welcomes the proposal and will consider favourably any such proposal subject to fulfilment of preliminary qualifications and payments of necessary funds by Government.

7. CEYLON

1. Not applicable to Ceylon.

3. This University agrees.

8. MADRAS

1. The recommendation be agreed to.

3. The recommendation be agreed to.

9. MYSORE

1. There is a Students' Advisory Board in this University.

3. This University is agreeable to the recommendation of the Board.

10. NAGPUR

1. Noted.

3. Noted.

11. TRAVANCORE

1. A Students' Advisory Bureau has been constituted in this University. The Bureau consists of eleven members, teachers of the University and officers of Government of Travancore, each of them representing one particular branch of study or group of subjects and all with

knowledge and experience of overseas Universities. The Secretary is in charge of the office of the Bureau. The main work of the Bureau at present is to give students desirous of proceeding for higher studies to other Universities in India and abroad up-to-date information regarding courses of studies, minimum qualifications required, probable expenses and other relevant factors. In addition to this, the Bureau is endeavouring to establish personal contact with students and their guardians.

Whilst agreeing with the usefulness of a Central Board of Information, this University doubts the practicability of Joint Boards for Universities situated in the same Province. As students desire to consult the Bureau personally, this University is of opinion that each University should have a Students' Advisory Bureau.

3. This University is willing to consider the requests from foreign Universities to reserve seats for their candidates.

12. UTKAL

1. Under consideration.

3. Under consideration.

APPENDIX I.

Physical Education in Indian Universities.

Resolution No. XXXIII of the Jaipur Meeting (1946).

"The Board while emphasising the need for Physical Education in all Universities resolved that the memorandum presented by the Sub-Committee be forwarded to the constituent Universities and they be requested to forward a statement of the present position in regard to Physical Education in their Universities."

Summary of replies received :—

1. ANNAMALAI—Statement of the present position regarding Physical Education in this University is enclosed.

2. ALIGARH—Under consideration.

3. ANDHRA—A Physical Director and a University Physician are attached to the University Colleges. Every Affiliated College also has a

Physical Director on its staff and the medical inspection in those colleges is conducted by a qualified medical practitioner.

4. BOMBAY—In this University physical training is compulsory for the first two years of the courses in the Faculties of Arts and Science. Further-more, this University incurs annually a total expenditure of Rs. 51,000/- under the head 'Physical Culture' wherein are included items relating to the Inter-Collegiate Sports, Inter-University Tournaments, University training corps, etc.

5. CALCUTTA—A note on the memorandum will be forwarded later on.

6. CEYLON—No provision is at present made for Physical Education, but the question will be taken up when the University moves to its permanent quarters in Peradeniya.

7. MADRAS—Statement of the present position regarding Physical Education in this University is enclosed.

8. MYSORE—

1. Physical Education is made compulsory in the Intermediate College, Mysore, and the Maharani's Intermediate College. It is not yet introduced in the Maharaja's College, the Medical College and the Teachers' College.

2. (a) Classes in compulsory Physical Education are held in the mornings and evenings with suitable adjustments to the academic time-table.

(b) Each period is for about an hour and consists of the following lesson plan generally :

Warming up exercises	10 minutes.
Conditioning exercises & Rhythmic Activities	15 minutes.
Athletics or Leadup games	30 minutes.

(c) The Junior Intermediate students have 3 periods per week and the Senior students have 2 periods per week. The terms more or less correspond to the academic terms.

(d) Attendance: 75 %, is the minimum required of each student.

(e) Exemptions are given in cases of—

i. Students certified as unfit by the University Medical Inspector.

ii. Students who are members of the U. T. C. and

iii. Students residing in near-about moffusil places.

3. Games and Sports : All the popular games like Cricket, Football, Hockey, Tennis, Basketball, Gymnastics, Volleyball, Aquatics and Athletics etc., are encouraged. The students participate in those games by their own choice and the repsesentative teams are formed by the best in each game who participate in tournaments in the season.

9. NAGPUR—Action is being taken.

10. PATNA—Provision has been made in the Patna University Regulation for holding examinations for the certificate and diploma in Physical Education. (Details attached).

11. TRAVANCORE—Under consideration.

12. UTKAL—Under consideration.

Copy of letter No. P. E. 255/47—8, dated 9th August 1947, from the Director of Physical Education, Annamalai University to the Registrar Annamalai University.

This University started a Compulsory Scheme of Physical Education at the very inception of the University and the scheme has been successfully worked till now. Every aspect of work suggested by the Inter-University Sports Board has been considered; and, whenever practicable and with due regard to economy and subject to our financial limitations and the economic status of our students, the most thorough-going programme has been worked out from year to year.

Section 3 of the memorandum of the Inter-University Sports Board (PP. 58 to 61) contains suggestions which to us have no special value as these have been borne fully in mind since the foundation of the University.

It is, however, necessary to point out specially to the Board that we have made the playing of major games compulsory for all students upto the Degree Examination and IV Year Honours Classes and the taking of Physical Training exercises in Calisthenics and indigenous forms compulsory upto the Intermediate standard or the first two years of college classes.

Follow-up work after the annual medical examination of the students has not been undertaken for want of clinics and special hospital facilities in the neighbourhood; but students are advised to take any treatment considered necessary. Corrective exorcises have generally been given, special classes being organised when a number require attention. These have generally been few. The data obtained from medical examination etc. to be collected.

Special studies have been initiated in Yogic Physical Exercises, and in Posture Study.

These apart, the Department of Physical Education has undertaken the training of students for Physical Education work in summer sessions and as a part of the Teacher Training Course for Pandits. Work at these classes has been done in Tamil — the local vernacular.

As the University is a Unitary Residential University, the University runs its own Intramural Tournaments as well as External Tournaments to maintain and improve standards and to stimulate interest in achievement.

Specialists have been employed during some years to coach students in Cricket, but regular coaching work is done by the Director and his assistants especially for games like Cricket, Tennis, Athletics and Boating. Photography has been used as an aid and a large library has been built up.

Regarding Health Education, lectures have been regularly given to all the Junior students (i.e. I and III Year classes) in English or Tamil according to need, special emphasis being given each year to knowledge of Nutrition and Sex.

Effiiciency Tests were tried in the beginning; but limitations of personnel, want of specialised equipment needed for certain tests, and the poor condition in which most of our freshmen enter the University still make the conduct of these tests impracticable. There is a Shield instituted especially for these efficiency tests; but no award could be made for years.

In your reply to the Board, a copy of our rules and three copies of our form of medical examination—the adaptation of the form originally recommended by the Inter-University Board itself—may be enclosed for reference.

Sd.....
Director of Physical Education.

UNIVERSITY OF MADRAS.

The Special Committee on Physical Education which met on the 17th October 1947, at 4-30 p.m., at the University Buildings, Chepauk, Madras, has reported as follows:—

Considered the memorandum of the Special Committee of the Inter-University Sports Board asking for a statement of the present position regarding Physical Education in Universities and

RESOLVED that the following statement of the present position in regard to Physical Education in the Madras University be placed before the Syndicate for approval, in reply to the recommendations of the Inter-University Sports Board.

2. (a) Compulsory Physical Education has already been introduced as part of the Intermediate course in the University.

(b) May be recorded.

(c) May by recorded.

(d) May be recorded.

3. (a) & (b) Medical Examination is being conducted in Colleges by a doctor, but not in consultation with the Physical Director. No standard form similar to the one adopted by the Punjab University is kept for recording the results.

(c) There is no regular course of Introduction in Health, Hygiene and First Aid; but occasional voluntary courses are arranged when necessary.

(d) Students take regular part in the major games and a great variety of Inter-Collegiate games. Yogic exercises are arranged in some colleges.

(e) No standard test regarding Physical Efficiency is made.

(f) Compulsory Physical activity and game periods are insisted on in the Intermediate course, but not in the Degree Course.

(g) A University Physical Director as contemplated in the recommendation of the Board has not been appointed

(h) Each college has on its staff one or more qualified Physical Directors. The University has recommended the following salary for them: Rs. 100—250.

(i) There are full-time or part-time doctors as the case may be in many of the Colleges which have hostels attached to them. In others the doctor only conducts the periodic medical examination of the students.

In conclusion, it should be pointed out that the University General Inspection Commission has been examining various items including Medical Inspection in Colleges and the Commission's recommendations would be placed before the University authorities shortly.

PATNA UNIVERSITY REGULATIONS.

The Examination for the Certificate in Physical Education.

41. An examination shall be held for the grant of a certificate in Physical Education.

Qualifications for admission.

42. (1) Any registered student of the University, who has completed a regular course of study for not less than one academical year after passing the Matriculation examination (or some other examination recognized by the Syndicate as equivalent thereto) in one or more institutions approved in this behalf by the Syndicate or under a qualified teacher or teachers so approved, may be admitted to the examination for the Certificate in Physical Education.

(2) The fee payable by a candidate for admission to the examination shall be thirty rupees.

Courses of Study.

43. The courses of study shall extend over one academical year and shall comprise the following subjects :—

(a) (i) History of Physical and Health Education,

(ii) Principles and theories of Physical and Health Education.

(b) Physical exercises.

(c) Games and Sports.

44. The examination shall consist of—

Subjects of examination.

(1) Two papers, each of three hours' duration carrying 100 marks, in the subjects specified in clause (a) of regulation 43;

(2) A practical examination or examinations in the subjects specified in clauses (b) and (c) of regulation 43, carrying 200 marks.

Pass marks.

45. In order to pass the examination a candidate must obtain 36 per cent of marks in each paper and in each practical examination.

Marks for Distinction.

46. A candidate who passes the examination and obtains 240 marks in the aggregate shall be declared to have passed with distinction.

Grant of Certificate.

47. Each successful candidate shall be granted a Certificate in a Form to be prescribed by the syndicate.

The Examination for the Diploma in Physical Education.

48. An examination shall be held for the grant of a Diploma in Physical Education.

Qualification for admission.

49. (1) Any registered student of the University, who has completed a regular course of study for not less than two academical years after passing the certificate examination in Physical Education in one or more institutions approved in this behalf by the Syndicate, may be admitted to the examination for the Diploma in Physical Education.

(2) The fee payable by a candidate for admission to the examina tion shall be forty rupees.

Courses of Study.

50. The course of study shall extend over two academical years and shall comprise the following subjects :—

(a) (i) History of Physical and Health Education.

(ii) Principles and Theories of Physical and Health Education.

(b) Physical Exercises.

(c) Games and Sports.

51. The examination shall consist of—

Subjects of Examination.

(1) Two papers, each of three hours' duration carrying 100 marks, in the subjects specified in clause (a) of regulation 50.

(2) A practical examination or examinations in the subjects specified in clauses (b) and (c) of regulation 50, carrying 200 marks.

52. In order to pass the examination, a candidate must obtain 36 per cent of marks in each paper and in each practical examination.

Pass marks.

53. A candidate who passes the examination and obtains 240 marks in the aggregate shall be declared to have passed with Distinction.

Marks for Distinction.

54. Each successful candidate shall be granted a diploma in a form to be prescribed by the Syndicate."

Grant of Diploma.

By order of the Governor of Bihar,

Sd. M. Z. KHAN,
Deputy Secretary.

APPENDIX K. (i).

Proceedings of the Eighth Meeting of the Inter-University Sports Board held at the University of Nagpur, Nagpur, on Monday the 22nd March 1948 at 10-30 A. M.

The following members were present:—

1.	Professor N. K. Sidhanta	(Chairman).
2.	Dr. I. W. Jennings	Ceylon University.
3.	Mr. M. Sultan	Lucknow ,,
4.	Professor D. B. Deodhar	Bombay ,,
5.	Dr. C. S. Pichamuthu	Mysore ,,
6.	Mr. K. Narayana	Madras ,,
7.	Mr. D. K. Chowdhury	Calcutta ,,
8.	Mr. L. K. Govindarajulu	Annamalai ,,
9.	Professor B. C. Das	Utkal ,,
10.	Mr. M. P. Major	Nagpur ,,
11.	Mr. O. P. Bhatnagar	Allahabad ,,
12.	Mr. S. K. Ghose	Patna ,,
13.	Lt. Col. N. Ganguli	Representative of All-India Hockey Federation.

A resolution expressing grief at the tragic death of Mahatma Gandhi was adopted.

The minutes of the last meeting were confirmed.

I. The report of the Secretary was adopted.

II. The reports of the Organisers of the Inter-University Tournaments in Athletics, Basket-ball, Cricket, Football, Hockey, Tennis and Wrestling were adopted.

III. The following allocation of responsibility was made for running Zonal and Inter-Zonal tournaments in 1948-49:—

	Tournaments	*North Zone*	*South Zone*	*Finals*
1.	Athletics			Lucknow
2.	Basket Ball			Mysore
3.	Badminton	Allahabad	Bombay	Bombay.
4.	Boxing			Nagpur.
5.	Cricket	Calcutta	Ceylon	Bombay.

6.	Foot Ball	Calcutta	Nagpur	Calcutta.
7.	Hockey	Aligarh	Madras	Aligarh.
8.	Swimming			Madras.
9.	Tennis	Patna	Annamalai	Annamalai.
10.	Wrestling			Lucknow.

Draws and Dates.

The proposal of the University of Ceylon that the Organizers of the Inter-University Tournaments should inform the Universities the draws and dates of the tournaments at least six weeks before their commencement was accepted.

The dates for the closing of entries shall be each year as follows:—

Athletics, Boxing and Hockey.....1st November.
Basket Ball.....15th September.
Badminton.....1st October.
Cricket and Wrestling.....15th October.
Foot Ball.....30th July.
Swimming.....23rd August.
Tennis.....20th November.

Entries must reach the Organising Universities by these dates; provided that late entries shall be accepted if accompanied by late entry fee of Rs. 25/- for each team so entered, within a period of 15 days from the last date as given above. The draws are to be made immediately after the closing of the late entries; the particulars of the entries, draws and dates immediately communicated to all Universities concerned and to the Secretary, Inter-University Board, six weeks before the commencement of the tournament.

The Tournaments shall be held between the following dates:—

Athletics	1st January to 8th January.
Basket Ball	15th November to 30th November.
Badminton	1st December to 31st December.
Boxing	1st January to 31st January.
Cricket	15th December to 15th January.
Football	15th September to 30th September.
Hockey	1st January to 31st January.
Swimming	23rd October to 31st October.

Tennis	20th January to 31st January.
Wrestling	15th December to 31st December.

IV. Resolved that Mr. M. P. Major, Officer-in-charge, Physical Education, Nagpur University, be appointed to attend the next meeting of the All-India National Association of Physical Education reported to take place in Nagpur and submit his findings on the policy and objectives of the Association which will be laid before the next meeting of the Inter-University Sports Board to enable the latter to take suitable action on the subject.

V. Resolved that the Inter-University Sports Board reiterates its resolution No. 7 of the Lucknow Meeting held in March, 1947, and requests the Board of Control for Cricket in India to reconsider their decision regarding the affiliation fee of Rs. 150/- per year from the Inter-University Sports Board.

VI. Resolved that the rules of the All-India Federations in Boxing, Badminton, Basket Ball and Wrestling be adopted.

VII. Resolved that the Chairman of the Inter-University Board be authorised to approach donors for the Running Trophies of Inter-University Tournaments in Boxing, Badminton, Basket-Ball and Wrestling.

VIII. Resolved that no Inter-University tournaments be held unless at least four Universities enter for it.

IX. Resolved that the proposal of the Bombay University to introduce a few Women's events be approved in the case of Athletics and Badminton and the Universities of Lucknow and Bombay be allocated the responsibility of conducting these tournaments.

X. Resolved that Mr. M. Sultan be requested to draft an uptodate edition of the entire Rules Book for the conduct of Inter-University tournaments and send it to the Inter-University Board Office by the 30th June, 1948, for printing.

XI. Resolved that the Inter-University Sports Board should approach the All-India Federations or Associations for their affiliation to them in respect of the Inter-University Tournaments in Boxing, Basket Ball, Badminton, Swimming and Wrestling.

XII. Resolved that the Board of Control for Cricket in India be approached to entrust the Inter-University Sports Board with the responsibility of selecting a Universities Cricket XI to play against the West Indies Cricket Team; and if agreed upon, a Committee consisting of Professor Deodhar, Mr. M. Sultan and Mr. M. P. Major be appointed to select such a team.

XIII. Resolved that if a team drops out after having entered a tournament, it shall be required to show good grounds to the Chairman of the Inter-University Board for its inability to participate in the tournament.

The Meeting terminated at 12-30 p. m. with a vote of thanks to the Chair.

Nagpur.
22nd March, 1948.

N. K. Sidhanta.
Chairman.

APPENDIX K (ii).

Inter-University Sports: 1947-48.

Report of the Chairman.

The Inter-University Sports Board at their Seventh Annual Meeting held at the University of Lucknow on 31st March, 1947, introduced tournaments in Basket-ball, Boxing and Wrestling in addition to the existing ones in Athletics, Cricket, Football, Hockey, Swimming and Tennis. The Sports Representatives and the Registrars of Universities were duly informed of the allocation of responsibility suggested by the Sports Board at their last meeting for organising the nine tournaments mentioned above. Out of the 11 Universities which were entrusted with this responsibility, 3 did not respond until quite late in the season, when they decided to carry on with their responsibility. I would request that the Universities should respond in time to avoid unnecessary correspondence by the office and inconvenience to the Universities which want to participate in the tournaments. Due to the unsettled condition of the Punjab, that University which had already accepted the conduct of Swimming and Wrestling had to give them up. Bombay volunteered to organisze Swimming, but it could not be held, the Benaras Hindu University being unfortunately the only participant in the contest. Wrestling was taken up by the Benaras Hindu

34

University besides their own responsibility of North Zone Hockey, and the rules for this new game were drawn up by Mr. V. L. Powar, the representative of the University. The Inter-University Sports Board is thankful to those two Universities and specially to Mr. V. L. Powar, for their kind help in the matter. The University of Bombay which had been requested to conduct Tennis South Zone and Finals later on intimated their inability to do so and the University of Madras agreed to take them up for which the board feels very much obliged. The Universities of Calcutta and Lucknow who agreed to conduct Boxing and Basket Ball (North Zone), unfortunately could not do so owing to lack of accommodation for the members of the teams, and lack of time.

Except for the changes and omissions mentioned above, resulting in delayed tournament for Football, the tournaments were run according to schedule. Besides a couple of disqualifications, the games were played smoothly and in a most friendly manner. It is requested that the Universities should follow the rules for the conduct of Inter-University Tournaments more strictly to avoid any unpleasant event during the tournament. The details of the tournaments will be found in the reports of the Organizers. It is unfortunate that inspite of reminders and express telegrams, the reports of only seven Zonal and inter-zonal tournaments have been received in this office although these were wanted by the 10th of February, 1948. As such, I am not in full possession of the details of the tournaments. From the reports that are before me, it appears that 15 Universities participated in the various tournements as against 12 last year.

The following are the results of the Championships :—

Athletics — Raja Sir Annamalai Chettiyar Athletic Shield, won by Bombay University.

Basketball — Won by Mysore University.

Cricket — Rohinton Baria Cricket Trophy, won by Bombay University.

Football — Sir Ashutosh Mukherjee Memorial Football Shield, won by Madras University.

Hockey — Jaffar Memorial Hockey Cup, won by Benaras Hindu University.

Tennis — Maharaja Sree Vikrama Deo Varma Tennis Shield, won by Madras University.

Wrestling — Won by Allahabad University.

It is really unfortunate that the Lucknow University team could not go to Madras and Travancore to play the finals in Tennis and Basketball. On behalf of the Board it is my privilege to offer our heartiest congratulations to all the winners in general and the Universities of Madras and Bombay in particular who have the distinction of annexing two trophies each.

I should request the Universities on behalf of the Inter-University Sports Board to arrange for decent Trophies for the newly started games of Basketball, Boxing, Wrestling and Badminton, if the latter is also adopted, so that these trophies may be awarded to the winners from next year. I would also request the Inter-University Sports Board to lay down definite rules for the conduct of these new tournaments to ensure smooth running of them.

I have to inform the Board that the Punjab University, Lahore, had won the Inter-University Tournament in Athletics, Hockey, Swimming and Tennis last year, i.e., in 1946-47, and so the Trophies of these tournaments are with that University. The University and its Director of Physical Education, Mr. Henry Lall, were requested by the Office to return the Trophies to the Organizers of these tournaments this year so that they could be awarded to the winners. Mr. Henry Lall replied in his letter dated 23rd December, 1947, that it was not possible to do so for lack of proper transport and the partition of India. The matter has also been referred to the Vice-Chancellor of the Punjab University on 9th January, 1948, but no reply has been received from him as yet. I am taking up the matter with the High Commissioner for India in Pakistan. The matter has been included in the agenda of the meeting of the Sports Board and any suggestion from them will be greatly valued.

Of 23 Universities including Rajputana, the Universities of the Punjab, Andhra, Calcutta, Lucknow and Delhi have not yet paid their annual subscription of Rs. 200/- each, for the current year. It is hoped that these Universities will do so at an early date as these subcriptions are urgently needed to foster and further the cause of Inter-University Tournaments, and the Inter-University Sports Board

would be glad to see all the Universities taking active parts in the various games.

In the end, on behalf of the Board, I thank all the Organizers of the Inter-University Tournaments for the very able manner in which they conducted the tournaments and for the kind hospitality extended to the competing Universities.

Sd/ N. K. Sidhanta.
Chairman
Inter-University Board, India

APPENDIX K (iii).

Inter-University Cricket Tournament,

North Zone and Finals, 1947-48.

In accordance with the decision of the Inter-University Sports Board, the Rohinton Baria Cricket Tournament was conducted by the Lucknow University. The following Universities of the North Zone entered in the Tournament:

1 Aligarh, 2. Allahabad, 3. Agra, 4. Benares, 5. Calcutta, 6. Lucknow, and 7. Patna.

The North Zone matches were played from 10th to 28th December, 1947. Agra and Lucknow Universities played the North Zone Finals on the 27th and 28th December and Agra was the winner. The finalists of the North Zone and South Zone, Agra and Bombay, played the Inter-Zonal Finals on the 2nd and 3rd January, 1948, at Lucknow and the Bombay University won the Championship.

Sd/ M. Sultan.
Organiser,
Dated 10th March, 1948. Lucknow University

Report of the Inter-University Tennis Tournament, North Zone, held at the University of Allahabad.

The North Zone Inter-University Tennis Tournament was held at Allahabad from the 11th of November to the 15th of November, 1947, on

the occasion of the University Diamond Jubilee. The Allahabad University reached the Finals after eliminating Aligarh and Patna; in the other half, the Lucknow University got straight to the Flnals stage, getting a walk over Delhi and Benares. The tie between Allahabad and Lucknow was finally decided in favour of the latter by the Doubles match, after an extremely contested game. The tournament on the whole was a great success, although the standard of the game according to public opinion was rather low.

Sd./ S. GHOSH,
Honorary Secretary,
Athletic Association, Allahabad University.

17th February, 1948.

Inter-University Hockey Tournment, South Zone and Finals.

The Nagpur University was for the first time entrused with the responsibility of conducting the Sonth Zone and Final of the Inter-University Hockey Tournament this year.

The under mentioned eight Universities intimated their intention to participate and the following dates were fixed for the Tournament :—

No. 1.	Mysore vs. Travancore	9-1-48.
2.	Madras vs. Saugar	10-1-48.
3.	Nagpur vs. Bombay	11-1-48.
4.	Osmania vs. Annamalai	12-1-48.
5.	Winner of No. 1 vs. Winner of No. 3	13-1-48.
6.	Winner of No. 2 vs. Winner of No. 4	14-1-48.
7.	Winner of No. 5 vs. Winner of No. 6	16-1-48.

and the Final between Winner of South Zone vs. Winner of North Zone on 18-1-1948.

As the Travancore University later on communicated its inability to participate, Mysore University was given a walk over in the first round, and as Saugar University had its Convocation on the 10th, the match was fixed for the 12th January, 1948, at 2-30 p.m.

The Tournament, therefore, started on the 11th and the first tie was between Bombay and Home Team. It was a well contested affair and Bombay won by a solitary goal scored in extra time.

On the 12th, there were two matches. Saugar played Madras at 2-30 p.m. and the match ended in a gool-less draw in spite of extra time allowed. The match would have been re-played the next day, but the Tournament Committee scratched the Saugar Team, when they found that their scrutiny form, which was submitted late, in fact after their match, was not in order, two players being ineligible as per Inter-University Rules. The 2nd match on the 12th was between Osmania and Annamalai, which the Osmania won by one goal to nil.

On the 13th, Mysore played Bombay in the 2nd round. It was a thrilling match. Bombay won the match at the last moment on the strength of the extra goal scored. The Score were 3-2.

On the 14th, Madras met Osmania and the former won the match by 3 goals to nil. There was a break on the 15th. On the 16th, the South Zone Final was played between Bombay and Madras, which ended in a draw, neither side having scored. The match was replayed on the 17th and the result was again a draw (one all). The match, therefore, had to be replayed a third time on the 18th, which Madras won by the only goal scored in the match.

The final between Madras, the Winners of South Zone, and Benares, the Winners of North Zone, was was played on the 19th January, 1948. The game ended in favour of Benares with score at 1-0.

The Vice-Chancellor, Nagpur University, gave away the Certificates to the Winners and the Runners-up. The Jaffar Memorial Trophy could not be presented as the Punjab University, last years' Champions, had not returned it either to the Inter-University Sports Board or to Nagpur University.

The Tournament passed off very smoothly and in a most friendly atmosphere. Before I close, I must thank all the participating University Teams for their sporting behaviour and co-operation throughout the Tournament.

Sd./ M. P. MAJOR.
Organiser,
Nagpur University.

18th February, 1948.

Inter-University Cricket Tournament, South Zone.

The Osmania University was entrusted to conduct the Inter-University South Zone Cricket Tournament for the year 1947-48, which was held in the month of December, 1947. Following were the Universities which participated in the above Tournament :—
1. Ceylon, 2. Madras, 3. Osmania, 4. Mysore and 5. Bombay.

The first round of the Tournament was played between Madras and Osmania on the 15th, 16th and 17th December, 1947. It was a very interesting match in which Osmania won by 155 runs.

The second round was played between Ceylon & Osmania on the 19th, 20th & 21st December, 1947. Both the teams exhibited their fine play and at last, Osmania defeated Ceylon by 65 runs.

Bombay University, after defeating the Mysore Team at Bombay, visited Hyderabad to play the Finals of the South Zone from the 25th December onwards, and defeated Osmania by an Innings and 76 runs.

Arrangements for boarding and lodging of all the above mentioned teams were made in the University Dining Hall and Hostels where all the facilities were provided to them.

Sahebzada Nawab Basalat Jan Bahadur, brother of H. E. H. the Nizam of Hyderabad & Berar, many times graciously witnessed the matches. Many Govt. High Officials, Professors, Students and a great number of other people used to come to the University ground to watch these matches.

I am glad to conclude that it was a very successful tournament and all the visiting teams went back satisfactorily.

Sd/ B. Habibullah Hussaini
Organizer, Osmania University.

19th February, 1948.

Inter-University Football Tournament, South Zone and Finals.

Out of the six Universities scheduled to compete, only Madras actually participated in the Tournament, Osmania and Travancore calling off at the last moment. The Zones final between Madras and Mysore was played on the 23rd January, 1948, on the Sullivan Police

37

grounds and ended in a win for Madras by three goals to two. The match itself did not rise above mediocrity, as Madras Team who were infinitely superior to that of Mysore were finding it very difficult to adjust themselves to the fast ground and were able to assert themselves only during the closing stages of the game. A special word of praise is due to players of both teams who displayed cordiality of the highest order and played clean football.

The final match between the winner of the North and South Zones which had been fixed for the 28th had to be played at Madras, as information regarding the arrival of the Aligarh team was received only on the morning of the 26th. Madras University very kindly made arrangements to stage the match at Madras, The final as reported was a tame affair, Madras winning the match by a huge margin. They thus qualified to retain the Trophy. I only wish that Aligarh had informed us earlier of their arrival. Mysore was thus deprived of staging the final at Bangalore.

Sd/ C. S. Pichamuthu.
Convener,
Inter-University Sports Selection Committee.

Mysore University,
Bangalore, 18th February, 1948.

Inter-University Hockey Tournament, North Zone.

The North Zone Inter-University Hockey tournament allotted to Benares Hindu University was held at Benares from the 10th January 1948. Invitation letters were sent to all the Universities of the North Zone but due to the disturbed conditions in the country the response was very poor. Only three Universities namely Allahabad Lucknow and Benares Hindu University sent in their entries. Aligarh Muslim University was not allowed to take part in the tournament as the entry was received very late

The draw for the tournament was as follows :—

Allahabad vs Lucknow — 10-1-1948. } 12-1-1948.
Benares Hindu University — Bye }

The first match between Allahabad & Lucknow ended in a draw on the first day. The replay again resulted in a draw on the second day. On the third day, Lucknow having failed to produce satisfactory

evidence for including some players was scratched from the tournament and the final was played between Allahabad and Benares Hindu University which the B. H. U. won by two goals to one.

Sd/ V. L. Powar
Organiser.
Benares Hindu University.

Inter-University Wrestling Championship.

Punjab University having expressed its inability to conduct the Championship which is started for the first time this year, Benares Hindu University was asked to take up the responsibility of conducting the same. Accordingly invitation letters were sent to all the Indian Universities but the response was very poor. Five Universities namely Allahabad, Lucknow, B. H. U., Travancore and Mysore intimated their willingness to join the championship. The tournament was held from the 10th January, 1948, with only three Universities participating, Mysore having expressed its inability to come at the last moment and Lucknow not turning up. In all 19 competitors took part in the tournament for the various events. (Draw-attached).

The following were the winners for the various events.

	Winner.		*Runner-up*	
Bantam weight,	Mr. Yash Pal Singh,	Alld.	Mr. A. N. Chaturvedi.	B.H.U.
Feather ,,	,, M. U. Qureshi	,,	,, S.S. Shukla	,,
Light ,,	,, W.G. Deshpande	B.H.U.	,, Balaram Singh	Alld.
Welter ,,	,, C.B. Singh	,,	,, S. P. Singh	B.H.U.
Middle ,,	,, K. P. Rai	Alld.	,, A. N. Bhargava	,,

The Allahabad University and Benares Hindu University having secured equal points, 10 each, Allahabad was declared Champion by virtue of having more first places in the tournament.

As there is a lot of confusion regarding the rules of Wrestling, I would request the Secretary, Inter-University Board, to set up a Committee to frame rules and regulations to govern the wrestling tournament in future.

Sd/ V. L. Powar
Organiser,
Benares Hindu University.

10-1-1948.

Inter-University Football Tournament, North Zone, 1947-48.

The Aligarh Muslim University was entrusted to conduct the North Zone matches. Owing to the disturbed condition in the Western Districts of this Province, invitations could not be issued to the Universities till December, 1947. The Univesities of the Indian Union falling

in the North Zone were invited to participate in the tournament which was fixed to take place in the third week of January, 1948, as Mysore University had changed the dates of the Inter-Zone Final to be held in the last week of January, 1948.

I regret to say that response to the invitation was extremely poor. Only two Universities, Benares and Alligarh, sent their intimation to enter the tournament. Others either regretted their inability to participate or did not reply at all.

As only two teams entered the tournament the match was fixed for 23rd January, 1948, but at the last minute, information was received from Benares that the University team shall not be able to participate. Aligarh University was, therefore, allowed to proceed to Mysore to play the Inter-Zone Final.

Sd/ S. M. Tahir Rizvi
Organiser,
North Zone Football Tournament.

Dated 10-3-1948.

Inter-University Basketball, South Zone & Finals 1947-48.

The Inter-Varsity Sports Board which met at Lucknow on 31st March, 1947, resolved to include Basketball also in the list of Inter-Varsity Competitions and the Travancore University was accordingly entrusted with the responsibility of conducting the first South Zone and Inter-Zonal Tournaments with Lucknow as the organising University for the North Zone. In pursuance of the above resolution, invitations were sent out to the various Universities of the South Zone and the Universities of Madras, Mysore, Hyderabad and Travancore agreed to participate in the Tournament. The Fixtures were drawn in the room of the Vice-Chancellor on 10th December, 1947, and the competing Universities were informed of the matches immediately. The Fixtures were as follows :

Madras } Osmania }	26th January, 1948.	South Zone Finals 29th January, 1948.
Mysore } Travancore }	27th January, 1948.	

Finals.

Winners of South Zone Vs Winners of North Zone	31st January, 1948.

39

Travancore lost against Mysore on the 27th January, 1948, by 10 points to 18. Osmania withdrawing from the Tournament at the last moment, Madras was conceded a walk-over. The Finals of the South Zone was played between Mysore and Madras on the 29th January, 1948, Mysore winning the match by 26 points to 19.

All the matches were played on a court newly laid out for the purpose and a special feature of the Board was that it projected very nearly 8 feet from the up-rights. The proximity of the up-rights to the Board is very often considered to be a source of great inhibition to players especially for making running shots and I think that an eight feet projection of the Board will help very much to improve the standard of the game. Special galleries were provided for the spectators and all the matches attracted very large crowds.

According to the original arrangements, the Inter-Zonal Finals should have been played here on the 31st January between Mysore and the North Zonal winner. But on the 28th January a telegram was received from the North Zone Organiser, Lucknow University, that the team was not coming. Subsequently a letter was also received from him. The Organiser stated that no University of the North Zone participated in the tournament fixed to be held at Lucknow and that it looked rather awkward for the Lucknow University to enter the Inter-Zonal Final without having played against anybody in the North Zone. The argument advanced by the Organizer does not appear to be sound. Since the Lucknow University was the only one which entered the North Zone tournament, it should have come down to play the Zonal Finals at Trivandrum. In pursuance of my suggestion my University recommended to the Inter-University Board that the only possible course left open was to arrange for the Inter-Zonal final being played in Mysore between Mysore and Lucknow Universities and in case, the Lucknow University was unable to participate, the Mysore University to be declared as having won this year's Inter-University Basketball Tournament and awarded the Trophy.

Goverment was pleased to place one of its bungalows at the disposal of the University for accommodating the visiting teams and food was arranged in the University Hostel by the side of the bungalow. All the teams were received at the station and were conveyed to their living quarters in buses specially arranged for the purpose. At the time of departure also all the teams were conveyed back to the Railway Station in special buses.

The University Board of Physical Education was 'at Home' to the members of all the Teams on 30th January, 1948. Mr. H. C. Papworth, Vice-Chancellor, University of Travancore welcomed the guests on behalf of the Travancore University and Dr. Pitchamuthu. Principal of the Intermediate College, Bangalore, who accompanied the Mysore Team responded on behalf of the visitors. Several members of the Travancore University Syndicate, Principals of Colleges and other distinguished guests were present at the function.

In conclusion, I may be permitted to convey my sincerest thanks to all the Universities which participated in the South Zone Tournament and to the Secretary of the Inter-Varsity Board for all the help and co-operation he always extended to me.

Sd/ P. I. Alexander,
Director of Physical Education.

Travancore University,
Dated 15th March, 1948.

Report of the eighth Inter-Varsity Athletic Sports

Calcutta University was entrusted to conduct the Eighth University Athletic Sports Meet this year. Invitations were sent to all the Universities in India and Ceylon.

Seven Universities sent in teams; Aligarh Muslim University, Allahabad University, Benares Hindu University, Bombay University, Madras University, Patna University and Calcutta University.

In all, 74 members participated as follows :—

Aligarh University	...	6
Allahabad University	...	5
Bombay University	...	12
Benares Hindu University	...	9
Calcutta University	...	21
Madras University	...	14
Patna University	...	7

On the 29th and 30th of January 1948, the Inter-Varsity Athletic Sports took place on the Mohan Bagan—East Bengal Ground.

The Committee did all in their power to accept competitors of the various Universities, however late their names were submitted. This explains why some of the names of competitors which reached us too late could not be printed in the programme.

The opening ceremony was performed on the 29th at 2-0 p. m. The Vice-Chancellor of the University of Calcutta was garlanded and took his seat on the "Tribune of Honour" as the band was playing. The Vice-Chancellor then proceeded to hoist the National Flag. The athletes grouped by Universities, following their respective emblems marched round the stadium saluting the President and the National Flag. The march past being finished, the athletes came back and formed themselves in groups facing the public gallaries. The Vice-Chancellor proclaimed the games open. The Captain of the Calcutta University Team took the Olympic oath. The band played the Bande Mataram. The events started and were continued as announced in the programme.

The next day, Friday, the 30th, before a large crowd of enthusiastic spectators the games were resumed. We had the pleasure of seeing them graced by the presence of the Chancellor of the University, His Excellency Sri C. Rajagopalachari and of Srimati Namagiri.

The standard of performance will be evident from the fact that no less than three previous Inter-Varsity records were broken. M. Kaunds, Captain of the Bombay team, set up a new record of 2 min. 2.4 secs. in 800 Metres, M. Haque of the Aligarh University broke the record for 110 Metres Hurdles in 15.8 secs and H. Rebello of Madras broke the records for the Hop-Step and Jump by clearing a distance of 49 ft.—½ inches.

All the events having been concluded, His Excellency the Chancellor, the Committee of the Calcutta University Athletic Sports Association and all the athletes competing gathered together for a group photo. This was followed by the distribution of certificates by Srimati Namagiri. His Excellency addressed the students in a most pleasant and fatherly way.

The President, Sri Sachindranath Banerjee concluded the meeting by thanking His Excellency and Srimati Namagiri, the officials of the Committees of the Mohan Bagan and East Bengal Clubs, the athletes participating and all who had helped to make this function a success.

The competitors from visiting Universities were given accommodation in the Senate Hall which was put at our disposal through the good offices of the Vice-Chancellor of the University. Arrangements for meals were made in the Broadway Hotel. The visiting students were taken care of and piloted through the Town by members of the Calcutta University Institute and they expressed freely their satisfaction and their gratefulness. On the 29th evening, all the ateletes of the seven Universities and the members of the Committee were invited to a common dinner party by the Vice-Chancellor of Calcutta University. The Athletic Sports were carried out quite smoothly. The competition proved keen, the sporting spirit good, and quite creditable performances were achieved in several events.

The team championship was annexed by Bombay University with a full and well-balanced team, followed by Calcutta University and Madras University.

For the success of the sports, credit is due to the efforts of Sri Keshab Chandra Ghosh and Sri Ananda Kumar Mukherjee, Under-Secretaries under the leadership of the President of the Calcutta University Athletic Sports Association, Sri Sachindra Nath Banerjee.

A complete result is appended.

Sd/ S. C. Chakravarti
Hony. Jt. Secretary,
C. U. A. Sports Association.
