EDUCATION AND PUBLIC HEALTH

Department.

Sir,

In G.O.No.Ms.897 Edn., dated 30-4-46, sanction was accorded for the payment of a building grant of Rs.54,325/- during 1946-47, for the Civil Orphan Asylums, Kilpauk, Madras towards the construction of school buildings.

2. In my Proceedings Rc.No.5015 E/46 dated 14-10-46 the above scheme was officially included in the list of approved works maintained by me aft at an estimated cost of Rs.1,73,605/- after scrutiny by the Consulting Architect to Government and a half grant not exceeding Rs.86,803/- was promised as and when funds become available.

3. During 1946-47, the Correspondent of the school submitted vouchers and statement of expenditure to the value of Rs.27,283/-. Part grant of Rs.13,000/- was sanctioned by me in my Proceedings R.C.No.5015 E/46

CTD
28/5/48

dated 19-3-47.

4. In March 1948, the Correspondent sent a further instalment of vouchers to the extent of Rs.62,423/-. He expects to submit a further instalment of vouchers by the end of July 1948 to the extent of Rs. 30,000/- for the work now in progress. The work up to this stage will complete the first storey. As there is little likelihood of obtaining the balance of the steel required for the second storey for some months, the Board of Directors of the school ^{has} decided to defer further construction until the supply position of the materials improves.

5. The Correspondent of the school now requests that a half grant of Rs.31,000/- on the vouchers submitted by him in March 1948 may be sanctioned and that a further grant of Rs.15,000/- may be made available to him during the year 1948-49 for the work now in progress and which he expects to complete by July 1948.

6. In the Circumstances stated above, I request that the Government may be pleased to authorise the Director to sanction a half grant of Rs. 31,000/- on the vouchers submitted by the Correspondent in March 1948, during the current year 1948-49 and to sanction the additional budget provision required during 1948-49 under 37(c) Edn-Secondary-Direct grants to non-Government Secondary Schools - B. Civil Orphan & Asylum, Kilpauk - Building
Scheme.
Ref: Govt. Memo. No.39352-01/48-2 Edn. dated
4-9-1948.

@32

The scheme for the construction of additional school building in the Civil Orphan Asylum, Kilpauk, was entertained by me only as per Govt. D.O. No. 28952A/45-2 Edn. dated 30-4-1945 10.7.1945. In G.O. No. Ms.897 Education dated 30.4.45 Government sanctioned a grant of one half of the actual cost of this building scheme, the maximum grant admissible being Rs. 54,325/-. The actual cost was then based on rough estimate and before the plans and estimates were approved by the Consulting Architect to Government. When the plans and estimates were scrutinised and finally approved by the Consulting Architect to Government on 27-9-46 the estimated cost of the work was Rs. 1,73,605/-. In my proceedings Re.No.5015-E1/46 dated 14-10-46, the scheme was included in the list of approved works maintained by me, rendering the institution eligible for a half grant not exceeding Rs. 86,803.

2. As a promise of a half grant of Rs. 86,803/- was made as far back as 14-10-46 it does not appear equitable to restrict the payment of the grant to the limit of Rs. 35,000/- mentioned in Govt. Memo. No.27236-B1/47-17 Education dated 15-6-1948.

3. There is no objection to limiting the Government Grant payable in respect of fresh schemes submitted for approval to Rs. 4000/- in the case of Primary schools and Rs. 35,000/- in the case of middle and high schools.

Yours faithfully,

Quisk...

Grant - Civil Orphan Asylum Mixed Middle School, Kilpauk - Contn. of additional buildings.

12/1/50

In the budget for 1946-47, the Govt. made provision for the payment of a half grant of Rs. 54,325 towards the cost of construction of certain buildings for the Civil Orphan Asylum Mixed Middle School, Kilpauk, estimated at Rs. 1,08,650/- when the R.E. for 1942-43 was being framed the D.P.S. reported that the revised estimate for the work was Rs. 1,55,136 and the grant admissible was Rs. 77,568. The balance of Rs. 23,242, was therefore provided in the budget for 1947-48. When the budget was framed, it was proposed that the management were to pay again when the budget proposals for 1948-49 were being considered, the D.P.S. reported that no provision need be made, as the cost of shortage of building material and management were not proceeding with the work. Accordingly no provision was made in the budget for 1948-49 for payment of a grant for the work.

the management has however proceeded with the work and has presented a claim for the payment of a grant of Rs. 31,000/- in addition to the Rs. 20,000 already paid. As there is no provision in the budget, the sanction of Govt. is necessary for payment of the grant. In the circumstances, the D.P.S. at pp. 2 of, the claim for the payment of a half grant of Rs. 31,000/- may be sanctioned on the basis of the estimate for 1948-49.

The D.P.D.'s letter on p 7 cf. and the subsequent notes on pp. 3-4 above may be perused.

For the reasons given by the D.P.D. and in as much as the scheme is a work in progress (-a grant of Rs. 13,000/- having already been sanctioned to it), Finance may agree with E.P.H. that the grant in respect of the Civil Orphan Asylum, Kilpauk, need not be restricted to Rs 35,000/-. The draft order below may be accepted.

As regards fixing limits of building grant in respect of European middle, primary and High Schools, it is not known whether the order in Memo. 27236 B/42-47 Edu of 15.6.48 ^{do not} cover European Schools also. E.P.H. may be requested to verify the point. If it does not, the limits suggested by the D.P.D. which have been agreed to by E.P.H. may be accepted in this dept. IN G.O. MS. NO.3026 Education dated 1st December 1948,
I have been authorised to sanction the payment of a half grant
not exceeding Rs.31,000/- to the Civil Orphan Asylums, Kilpauk,
as a part-payment towards the construction of certain buildings
for the Middle School attached to the Asylum.

2. A sum of Rs.13,000/- was paid in April 1947 as part
payment towards the construction of the additional building.
Now the correspondent has sent necessary vouchers and comple-
tion certificate for the work so far executed to the extent
of Rs.11,3954/- and a half grant on this comes to Rs.56,977/-.
Deducting the sum of Rs.13,000/- already paid by me the balance
of Rs.43,977/- has still to be paid to the Management. In the
G.O. cited above Rs.31,000/- has been sanctioned as a part-
payment towards the scheme during the current financial year
1948-49.

3. With regard to the execution of a mortgage deed under
Article 148(11) of the Code of Regulations for Anglo-Indian
Schools, Correspondent states that, as the land and the build-
ings of the school are vested in the Treasurer of Charitable
Endowments and are not the property of the Governing Body, the
Governing Body is unable to execute a mortgage deed. The land
and the buildings of the school were vested in the Treasurer of
Charitable Endowments as per G.O.No.46 dated 5-4-1904. I may point
out in this connection that Government exempted the same manage-
ment from executing a mortgage deed in G.O.MS.No.2809 Education
dated 15-12-1939 when a sum of Rs.11,191/- was paid in 1939 to-
wards the grant paid for the other scheme relating to the sani-
tary installations of the Asylums.

4. Under the circumstances explained above, I request that Government may be pleased to exempt the Management from executing a mortgage deed for the payment of the sums of money that may be due to the management by way of half-grant in connection with the construction of certain additional buildings for the Middle School attached to the Asylum.

5. As the Correspondent of the Asylum is pressing for the payment of the sum of Rs.31,000/- already sanctioned by Government, I request that early orders may kindly be passed.

Yours faithfully,

for Director of Public Instruction.

I have been authorized to sanction the payment of a sum of Rs.31,000/- to the Civil Orphan Asylum, Kilpauk, not exceeding Rs.31,000/- towards the construction of certain additional buildings for the Middle School attached to the Asylum.

A sum of Rs.13,000/- was paid in April 1947 as part payment towards the construction of the additional building. In the G.O. cited above Rs.31,000/- has been sanctioned as a part-payment towards the scheme during the current financial year 1948-49.

3. With regard to the execution of a mortgage deed under Article 148(ii) of the Code of Regulations for Anglo-Indian Schools, Correspondent states that, as the land and the buildings of the school are vested in the Treasurer of Charitable Endowments and are not the property of the Government, the Government Body is unable to execute a mortgage deed. The land and the buildings of the school were vested in the Treasurer of Charitable Endowments as per G.O. No. 46 dated 2-4-1904. I may point out in this connection that Government exempted the management from executing a mortgage deed in G.O.
