S i r,

Sub: Madras Edl. Service - Conversion of one post
of Lecturer in History in the Queen Mary's
College, Madras into the post of an Asst.
Lecturer in the Madras Edl. Sub. Service -
Reduction in the cadres of service rules, 1934 -
Not applicable - Report submitted.

Ref: G.O. Ms.No.2551 Edn., dated 7th October 1948.

Attention is invited to G.O. No.600 Public Services dated 18th March 1940 issuing an amendment to clause 2 of the Proviso to rule 2 of the Special Rules for the Madras Educational Service and also sub-rule e(2) of rule 2 of the Special Rules for the Madras Educational Service. According to these, posts connected with a particular subject are to be regarded as constituting one unit and substantive vacancies arising in the permanent cadre of each subject-unit are reserved to be filled alternately by direct recruitment and by recruitment by transfer from the Madras Educational Subordinate Service.

2. Attention is also invited to rule 7 of the General Rules for the Madras Provincial and Subordinate Services which lays down that probationers and approved probationers who were recruited direct shall not be discharged for want of vacancies. Other probationers and approved probationers shall be discharged for want of vacancies in the order prescribed therein. Under these rules, therefore, Miss M. Achaya who was directly recruited to one of the substantive vacancies cannot be discharged and Mrs. Devaki Damodaran, the juniormost in the unit of promotees in the subject of History, will have to be reverted. Similarly, Sri V. Gopalan Nair who was directly recruited for appointment as Lecturer in English in the Men's branch could not be discharged and Messrs. S. Palaniswami and C.P. Kesava Tharagan, the juniors in the unit of promotees in the subject of English had to be reverted to their permanent posts in the Subordinate Educational Service.

3. The Madras Reductions in the cadres of Services Rules issued in 1934 in G.O. No.1224 Public Services dated 4-12-1934 cannot obviously be applied to the cases under reference, in so far as the said rules were issued prior to the constitution into separate units of the posts filled by direct recruitment and promotion by transfer in the amendment which was issued in G.O. No.600 Public Services dated 18th March 1940 and the discharge or reversion of the officers for want of vacancies in these separate units is governed by rule 7 of the General Rules for the Madras Provincial and Subordinate Services.

M.E.S. - Discharge of certain Lecturers consequent on abolition of certain posts - Mr. J. S. H. (A)

Secretary, E. & P. H.

Recently, the Queen Mary's College Principal was here in another connection and she told me that final orders have not been received on the matter of which of the two History M.E.S. posts occupied by two persons is to be abolished. There are now 3 M.E.S. posts in the Queen Mary's College. One is the Principal. We said that unless there is an Hons. course, there is no need for 2 History M.E.S. posts. The dispute was of the two persons holding M.E.S. posts, of which one is to be abolished. We have issued definite orders that Mrs. Damodaran, as the Senior and more experienced person, may be retained in the post. I understand that final orders have not yet been issued over the matter. It is many months since we put up the proposal and I do not know why this should be delayed. The matter may be put up.

H.M. Education. 24-11-48

After detailed consideration, orders were issued on 7-10-48 applying the Madras Reductions in the Cadres of Services Rules, 1934, to the posts of ~~xxxxxx~~ Lecturers converted into Asst. Lecturers' posts. Acceg. to those rules, probationers in the order of Juniority shd. be selected first for discharge. In the History Unit of the Women's Branch, Miss M. Achaya ~~was~~ is the junior-most probationer. Hence, she shd. be discharged. But, apart from the ^{post of} Woman History Lecturer, ~~about~~ six English Lecturers' posts in the Men's Branch had also been converted. ^{into sub. senior posts} As the no. of posts involved was large, lest any mistake should occur, it was ^{found} necessary that the DPI who maintains seniority lists, should be allowed to put up proposals for the discharge of persons. He was ^{accordingly} asked to send those proposals ^{at a very early date}. He has been reminded twice ^{second} ^{receipt of the} ^{the Dir's} reply as possible. N. M. (Edu) may see

The file will be closed for orders as soon as possible.
