Sir,

Sub: Subsidy - Maintenance of Middle and High Schools for boys newly opened by Local bodies during 1947-48 in Taluks not served by such schools - Maintenance Subsidy - Payment of advance ~~in~~ grant.

2. Nellore -do- - Board Middle School, Podili

Issued in connection with Part II Schemes
Copy on file

Attention is, in this connection, invited to Govt. Memo. No. 80328-B.1/47-3 Edn dated 10-12-1947 wherein it was stated that an advance teaching grant of Rs. 1500/- for each school may be made in the current year to the three middle schools under reference. I accordingly recommend that Govt may be pleased to authorise payment of Rs. 1500/- to each of the schools referred to in items 1 to 3 above, the expenditure being met out of the appropriation under 37-H-Edn - Secondary - Grants to Local bodies for Secondary Education - L.A.1-Teaching - Voted in the Civil Budget Estimate for 1947-48.

As regards items 4 and 5 it is not clear whether any and if so how much advance grant has to be paid to these schools during the current year. Government Memo. No. 61495-B.1/46-5 Edn dated 8-4-47 allows subsidy to these schools upto a maximum of Rs. 4000/- per annum and it is presumed that this figure relates to all the three forms (i.e) IV to VI. It may kindly be stated whether this presumption is correct; if this is correct the question of payment of subsidy to these schools upto a maximum of Rs. 4000/- arises only after the year 1949-50. Since these schools can normally open VI form only during 1949-50 because according to the Government Memo. referred to, they have to open form IV during the current year and forms V and VI in the succeeding years and hence payment. The question arises, therefore, now whether any advance teaching grant has to be paid to these schools also during the current year as in the case of middle schools and if so on, what basis. It is submitted in this connection that only form IV has been opened in the

Board

Board High School, Palladam this year according to the Govt. Memo, referred to, and though Forms IV and V were sanctioned in the Board High School, Pattur, the sanction for the opening of Form V was accorded subject to the condition that no subsidy would be paid by the Government towards its opening and maintenance- Vide Govt. Memo.No.53150-B.1/47-1 Ean dated 5-7-1947. Therefore, it is only form IV in both these schools that needs to be paid subsidy from the ~~Government~~ Provincial funds. According to the statement of probable receipts and charges for 1947-48 received from the Special Officer, ~~the~~ District Board, Chittoor in respect of Board High School, Pattur (Form IV above), the net cost to the District Board towards the maintenance of this form comes only to Rs.20/- (after deducting the income out of school-fees from the expenditure relating to the admissible items according to rule 32 Grant-in-aid Code) and this will be the case more or less with regard to form IV in the Board High School, Palladam also. ~~It~~ Separate figures for probable receipts and charges have not been furnished by the District Board in respect of Form IV opened in this school in the current year. It is therefore for the consideration of Government whether any and if so how much advance teaching grant should be paid towards the ~~xx~~ maintenance of form IV in these two schools during the current year. It is however submitted that provision has been made in the Budget for 1947-48 for the payment of subsidy in respect of these two schools also- vide para 2 of Govt. Memo. No.61495-B.1/46-5 Ean dated 8-4-47.

Further it is presumed that so far as payment of regular teaching grant in full to these two High Schools next year is concerned, the Middle School Department, which has been in existence in these schools before the introduction of the scheme under the Government Memo.No.61495-B.1/46-5 Ean dated 8-4-47, has to be assessed grant as in the case of all other local body secondary schools according to the revised policy of Government enunciated in their order No.975 Ean dated 10-5-47, while the Higher Forms (i.e) Form IV to VI have to be granted subsidy, in accordance with the Govt. Memo.No.61495-B.1/46-5-Ean dated 8-4-47. It may kindly be stated whether this presumption is correct and it may also kindly be clarified on what basis the amount of subsidy to be paid has to be determined in respect of forms IV, V and ~~xx~~ VI respectively in these schools which are opened in successive years and for which a maximum limit of Rs.4000/- laid down in the Government Memo. referred to above.

SCHOOLS - Secondary - Local Bodies - Schools newly opened in taluks not served by schools - payment of advance teaching grant during 1947-48 - Sanctioned.

From the D.P.I. Re.No.2294-G2/47, dated 29-1-1948.

Order No., 304 Ean., dated 17.2.48
Ms.

Sanction is accorded to the payment during 1947-48, of an advance teaching grant of Rs.1,500/- (Rupees one thousand and five hundred only) to each of the undermentioned local bodies for the middle school newly opened in the current year specified against them.

Cuddapah Dt. Bd. -	1.	Board Middle School, Sidhavatam.
Nellore Dt. Bd. -	2.	" Podili
Vizagapatam " -	3.	" Hiramandalam.

2. The A.G. is requested to place the amount at the disposal of the local bodies concerned in the current year. The S.Os. of the ~~local bodies~~ ^{St. Boards} concerned should present the necessary bill at the treasury and obtain payment.

3. The expenditure will be met from the appropriation under '57 h. Education - Secondary - Grants to local bodies for secondary education. A ordinary areas - I. Teaching Voted' in the C.B.E. for 1947-48.

4. The D.P.I. is informed that his presumption that the maximum limit of Rs.4,000 fixed for teaching grants to the middle schools developed into high schools ^{in taluks} not served by such schools is for the whole high school department comprising

p.t.o.

Forms IV to VI, that the grant for the middle school Deptt. of such high schools should be calculated on the basis of half the net cost and ^{the} for the higher forms with reference to the actual net cost subject to the maximum limit ^{specified above} ~~prescribed~~ is correct. As the teaching ^{grant} for Form IV in the ⁱⁿ complete Board High Schools at Puttur and Palladam on the basis of the actual net cost of running the forms in 1947-8 will be small, it may be paid in 1948-9 and no advance teaching grant need be paid to the Chittoor and Coimbatore Dt. Eds. in the current ^{year} in respect of the newly opened form.

3. Middle Schools Converted into High Schools

The presumption of the Director in para 5 of his letter on page 3 of that teaching grant for the middle school dept of the incomplete high schools at Pultur (under the Chittoor Dt Bd) and Palladam (under the Coimbatore Dt Bd) for 1947-8 should be calculated on the basis of half the net cost, ~~and~~ for Form IV newly opened in 1947-8 with reference to the actual net cost according to Memo No 61495 M/46-5 Edu D 8.4.47 and that the maximum limit of Rs 4000, is for the ^{whole} high school dept comprising Forms IV to VI is correct. As the grant to be paid for Form IV will be negligible, no advance grant need be paid in the ~~present~~ current year the teaching grant for the newly opened Form IV may be paid in 1948-9 along with the grant for the middle school. ^{dept} So far as the middle school dept is concerned, a special grant will be paid in the current year separately ~~under the~~ in accordance with Co.
