5. OCT. 48.

Sir,

In free India communalism is rampant even in schools. This must be checked. The school subscribes even for "சரீரம்" paper. This means the school is injecting hatred among boys. It spreads like epidemic disease. The school is not place for the dirty politics. It exists

for culture, art and education.
And also I was informed that in all most all schools the communal papers are read with interest. By this letter I am giving the information only.
Yours,
Muthusamy.

EDUCATION DEPARTMENT.

THE DIRECTOR OF PUBLIC INSTRUCTION,

THE SECRETARY TO THE GOVERNMENT OF MADRAS,
EDUCATION AND PUBLIC HEALTH DEPARTMENT,
FORT ST. GEORGE, MADRAS.

R.O.C.No.946-F/48 dated 14th November, 1948.

SIR,

BOOKS AND PUBLICATIONS--Purchase of periodicals
for school uses--Subscribing for "Viduthalai".

Reference:-Government Memorandum No.76158/48-G3-1
Education dated 19.10.1948.

Since Newspapers and periodicals are not used
in class-rooms, no Approved list of journals is maintained.
Further institutions under aided managements are not
allowed any grant on expenditure on supply of Newspapers
and Periodicals. In regard to schools maintained by
local bodies Newspapers are not supplied from public
funds. In the case of Government institutions a few
journals of educational interest, but no newspapers
are supplied and these are approved by me. Each ins-
titution has its own approved list.

I consider that it is neither practicable
nor desirable to ban the use of particular newspapers
only by school pupils as such prohibition often
defeats the purpose of stimulating interest. But in
regard to journals, as distinct from newspapers, I
agree that it is desirable to exercise some kind of
control. Some journals are obviously unsuitable for
young people, though they are not objectionable, and
they should not find a place in school reading rooms
even if the expenditure is met out of collections made
from pupils. I request Government to empower me to
prohibit the purchase or supply to educational ins-
titutions of journals which I do not consider suitable.

Yours faithfully,

For Director of Public Instruction.

Secretary, E. & P. H.

Please see herewith a letter. "Viduthalai" is one of the worst papers from the point of view of dignity and culture. I think we have issued a rule that only approved periodicals should be purchased at the cost of the school. I would like to know the newspapers and periodicals that are approved for school uses.

The letter from the D.P.I on p 5 of
may be perused. He has stated that ~~no newspapers~~
and ~~periodicals are not used in the class rooms~~
~~at present~~ ~~there is no approved list~~
of journals or periodicals to be for
purchase by the schools. It may be
observed that in the case of Govt. Institutions
only a few journals of educational interest
are supplied and no newspapers are supplied.

He has also requested that X on p 5 of
he may be empowered to prohibit
either the purchase or supply to educational
institutions of ~~unsuitable periodicals~~
which he does
not consider suitable
~~and also public libraries~~

With reference to his H.M's
P.T.O. orders

orders at p. 1 ante regarding the news-
paper "Viduthalai", the Director's
view is that it is neither prac-
ticable nor desirable to ban the
use of particular newspapers by
schools as such prohibition defeats
the purpose of stimulating interest.
Moreover such action is likely to
raise controversy. It is for orders
whether the Director's view may
be accepted, and whether it
will suffice if he is authorized
to prohibit journals -
