In the circumstances explained the Officer commanding 1st Madras Battalion, this Dept may agree to the retention till the end of this month, of the surplus staff of 5 lascars and 6 peons, over and above the scale of N.C.C. for the employment of civilian personnel. A

As regards the surplus sweeper (Conservancy staff) the Officer commanding has not stated any reasons for the further continuance of this surplus staff, which has not been included in the scale of the N.C.C., and this Dept may suggest that the staff may be retrenched with the end of this month along with the rest of the staff.

This rule was allowed by the Secy Dept. when the U.O.T.C was under their control. The O.C, 2nd Madras Battalion may be informed that when the strength of the establishment is reduced, but the pay of menials (of whom the sweeper is one) should be fixed in consultation with the local Revenue authorities.

The sweeper is a menial paid from contingencies and it has not therefore been included in the regular establishment as per scale of the N.C.C. This will clear how the office premises can be kept clean without a sweeper. This Dept may therefore press for the continuance of the sweeper employed in the office of the 1st Bn. N.C.C. There is a sweeper employed in the office of the 2nd Bn. N.C.C. also. The pay of the sweeper in the 2nd Bn. is rather high. The Officer commanding 2nd Bn. N.C.C. may be informed that the pay of the sweeper should be fixed at Rs 60 in the case of the sweeper employed in the 1st Bn. N.C.C.
