GOVERNMENT OF MADRAS

Sir,

With reference to your R.o.c. No.32/47 dated 17-3-48 and R.o.c. No. 4/48 dated 18-4-48 of the Deputy Inspector of Schools Hosur Range, Hosur.

The Hosur Taluk Uplift Committee submitted a Mahazar requesting the authorities to open a Telugu Training School at Hosur in November 1947.

The Northern part of Salem District (Hosur Taluk and Northern part of Krishnagiri) is predominantly a Telugu area. This is geographically, educationally and economically peculiar place. Being a Telugu area in a Tamil District it requires ~~largx~~ a very large number of Telugu Trained teachers. Trained teachers from distant Telugu Districts find it difficult to stick on here due to the peculiar conditions of this place. This is the extensive taluk in the whole of the district, but very backward in all respects. So we submitted a mahazar. But we are surprised to see that the District Educational Officer of Salem has asked us ~~xx~~ in his letter R.o.c. No. 32/47 dated 17-3-48 to state if the taluk people would be willing to provide accommodation, equipment etc., to start a Training School.

I consulted several people of this taluk and find that they are not likely to offer any contribution in kind or cash. This is due to their poor economic condition and backwardness in education. Hosur is a poor and backward taluk. Due to lack of education this taluk has been in the same miserable condition nce decades while the adjoining places like Dharmapuri etc., e advanced wonderfully in various directions.

We have also represented our grievances in this direction

p.t.o

6

(education) to the Hon'ble V. Kurmayya, Minister of Development and the Hon'ble Sivashanmugam Pillai, Speaker ~~xm~~ of the Assembly during their visits to this place in January '48. They have also found this taluk really backward and have promised to improve this taluk.

Besides there is not a single Telugu Training School for the whole of the Coimbatore Division.

Hence we feel that unless the Government sympathetically considers the extreme backwardness of this taluk in education and opens a Telugu Training School here I am compelled to say that it will remain in this deplorable condition for ever. So there is an imperative need for opening a Telugu Training School at Hosur.

~~x wish~~ Sites are available at low cost here. It appears that Government is pubchasing sites for the Hope Silk Farm situated here. I wish to add shat a portion in that may be taken for constructing sheds etc., for the training School.

Once again we request the Department to kindly consider our deserving prayer and start a Telugu Training School at Hosur from July 1948.

Sir,

Sub: Prayer for opening a Telugu Training Higher Grade Training School at Hosur.

With reference to your letter Roc No. 32/47 dated 17-3-48 we submitted our reply on 1-6-48 requesting you to kindly consider our prayer and open a Higher Grade Telugu Training School at Hosur from this year itself.

As we have not heard anything in this connection till now, we are again submitting our letter for your favourable consideration and immediate orders.

The Hosur Taluk Uplift Committee submitted a scheme requesting the authorities to open a Telugu Training School at Hosur in November 1947.

The Northern part of Salem District (Hosur Taluk and northern part of Krishnagiri) is predominantly a Telugu area. This is geographically, educationally, and economically peculiar place. Being a Telugu area in a Tamil District it requires a verly large number of Telugu trained teachers. Trained teachers from distant Telugu Districts find it difficult to stick on here due to the peculiar conditions of this place. This is the extensive taluk in the whole of the district but very backward in all respects. So we submitted scheme. But we are surprised to see that the District Educational Officer of Salem has asked us in his letter R.O.C. No. 32/47 dated 17-3-48 to state if the taluk people would be willing to provide accommodation, equipment etc., to start a Training School.

I consulted several people of this taluk and find that they are not likely to offer any contribution in kind or cash. This is due to their poor economic condition and backwardness in education. Hosur is a poor and backward taluk. Due to lack of education this taluk has been in the same miserable condition since decades while the adjoining places like Dharmapuri etc., have advanced wonderfully in various directions.

We have also represented our grievances in this direction (education) to the Hon'ble V. Kurmayya, Minister of Development and the Hon'ble Sivashanmugam Pillai, Speaker of the Assembly during their visits to this place in January 48. They have also found this Taluk really backward and have promised to improve this taluk.

Besides there is not a single Training school for the whole of the Coimbatore Division.

Hence we feel that unless the Government sympathetically considers the extreme backwardness of this Taluk in education and opens Telugu Training School here I am compelled to say that it will remain in this deplorable condition for ever. So there is imperative need for opening a Telugu Training School at Hosur.

Sites are available at low cost here. It appears that Government is purchasing sites for the Hope Silk Farm situated here. I wish to add that a portion in that may be taken for construction sheds etc., for the training School.

Once again we request the Department to kindly consider our deserving prayer and start a Telugu Training School at Hosur from this year itself.

SIR,

SCHOOLS--Opening of an Higher Elementary Training School with Telugu Medium in Hosur--Salem District.
Reference:-Government Memorandum No. 42932-C1/48-1 Edn., dated 9..7..1948.

In resubmitting herewith the enclosures received with the Government Memorandum cited above, I have the honour to state as follows:-

The proposal for the opening of an Higher Elementary Training School with Telugu medium at Hosur was examined by me. It is reported that there is need for about 85 Telugu trained teachers in Hosur Range and that about 50 candidates are likely to join the Training School. The President of the Taluk Uplift Committee who has also represented to me the need for the opening of a Telgu Training School at Hosur at first stated that the public of the Taluk were prepared to co-operate with the Government in fortifying the scheme; but later reported that such co-operation was not forthcoming. The District Educational Officer, Salem did not recommend the proposal as no accommodation was available at Hosur for housing the school. He doubts whether the school will have economic strength if opened at this part of the year. In the circumstances it is not possible to open the school during the current school year. If a suitable building is secured or temporary building put up before the beginning of the next school year, a school with only one section with admissions in alternate years may be opened. I am requesting the District Educational Officer, Salem to report

P.T.O.

Copy to Budget and K Section.

Sir,

Sub: Schools - Training - Opening of a Government Training School for Masters at Hosur proposals - Submitted.

Ref: My letter Rc.No.28-K3/48 dated 14-8-48 in reply to the Govt. Order No. 42932-C1/48-1 Edn. dated 9--7--1948.

In connection with the Part II of the Budget Estimates for 1949-50, I have the honour to submit for favourable consideration of Government the following proposal for the opening of an ~~xd~~ Higher Elementary Government Training School for Masters with Telugu as Medium of instruction at Hosur, Salem District.

2 Representations havd been made to Government as well as to me by the President of the Taluk up Lift Committee for the opening of a Training School with Telugu as medum of Instruction. Hosur taluk which is reported to be predominantly a ~~tx~~ Telugu area, is in need of about85 Telugu trained teachers. The Dt. Educational Officer reports that about 50 candidates are likely to join if a training school is opened at Hosur and suggest that a building, known as the Conoration hall, can be secured for the opening of the Training School on a monthly rent of Rs. 25/-. The building in question is reported to be a trust property and the Sub Collector of Hosur is the President of the Trust Committee. There appears to be no vacant space round the building for play purposes and the Dt. Educational Officer reports that sites have to be acquired for this ~~x~~ purpose. Since this building is reported to a furlong from the Dt. Board High School, Hosur, the pupil-teachers of the Training School may with the consent of the President, District Board use the High school play ~~gx~~ ground if necessary. The Board Elementary ~~s~~ School which is situated ~~x~~ near the proposed building may be used as a model school.

B

3 The opening of a training school at Hosur will also necessitate the opening of a Hostel as wihout a Hostel, the pupil teachers will find it difficult to secure suitable lodging and facilities for Boarding.

4 As already suggested in my letter cited above adnissions in to the training school may be made in alternate years.

5 In the circumstances I request that Government may be pleased to sanction the opening with effect from the next school year of the Higher Elementary Training School with Telugu as medium of Instruction at Hosur and ~~kx~~ also a Hostel attached to the School.

The financial effect of the proposal is worked out

pto

is worked out below:

22 SEP 1948

R.C.No. 1952-K3/48 dated 16th September, 1948.

SIR,

Government Training School for Masters--Opening of a Secondary Training section with Telugu as medium of instruction--Proposals--Submitted.

—

70274

In connection with the Part II of the Budget Estimate for 1949-50 I have the honour to submit for favourable consideration of Government a proposal for the opening of a secondary Training section with Telugu as medium of instruction in the Government Training School for Masters, Madras.

2. The District Educational Officer, Madras has brought to my notice the desirability of opening of a Secondary Training Section with Telugu as medium of instruction in one of the Existing Government Training schools for Masters in Madras and requested permission for giving due publicity to the formation of a Telugu section from the next school year. It is reported that there we a few Telugu secondary grade untrained teachers in schools in Madras, and that in connection with the opening of a Secondary Training Section (Tamil) permitted by ~~the~~ me during the current school year about a dozen Telugu candidates have applied for admission. The District Educational Officer is of the opinion that about 30 candidates may be expected if due publicity is given for the opening of a Telugu Secondary section in 1949-50.

I have instructed the District Educational Officer to give due publicity for the formation of the Telugu secondary Training section in 1949-50 as I consider that there is need for the same in Madras. Accommodation for this section can be found either in the Government Training School for Masters, Egmore or Mount Road.

Women candidates will also be admitted into the Telugu Secondary section.

B

In the circumstances I request that Government may be pleased to sanction the opening of a secondary Training section with Telugu as medium of instruction in one of the Government Training School for Masters, Madras, and also the employment of a L.T. Assistant therefor.

The cost involved in the proposal in 1949-50 is (85 x 9) .. Rs. 765/- and Rs. (137 x 12) .. Rs. 1644/- ultimately.

I am including the necessary provision in the Part II of my Budget Estimate for 1949-50.

Part II Scheme

Schools - Opening of a Telugu Training school at Hosur - Govt. Trg. Schools, Madras - Opening of a Telugu section

The current file contains the following ~~two proposals~~ part II proposals of the D.P.I.:—

p 19 cf (1) Opening of a Telugu Higher Ele. Grade Training School at Hosur with a hostel for the students; and

p 25 cf (2) Opening of a Telugu Secondary grade training section in ~~the~~ one of the Govt. Training Schools in the city.

(1) above In the circumstances stated at pp 15-16 cf. and p 19 cf, the proposal to open a higher elementary grade training school in Hosur with a Telugu as the medium of instruction, along with a hostel for the students may be accepted. The expenditure involved in the proposal is given at pp 21 & 23 cf. This may be provided in the budget for 1949-50.

(2) above In the circumstances stated at p 25 cf, the proposal to open a secondary grade training section with Telugu as the medium of instruction ~~in~~ in any one of the Govt. Trg. Schools the city may be agreed to. The

(Part II Scheme for 1949-50)

In connection with the Part II schemes for 1949-50, the D.P.I has proposed

i) Opening of a Telugu Higher Elementary Grade Training school at Hosur, Salem with a Hostel attached to it, and

ii) Opening of a Secondary Training section with Telugu as medium of instruction in one of the Training School for Masters, Madras.

The proposals involve the employment of the following additional staff:-

2 L.T. Assistants.
1 Drawing Master
1 Physical Trg. Instructor
1 Part time Music Teacher
1 clerk
1 Peon.

The proposal also involves the payment of stipends at the rate of Rs 12/- each p.m for about 40 trainees in the Training School at Hosur and at Rs 18/- each p.m for about 30 trainees in one of the training schools for Masters Madras. The extra cost involved in the proposal will be as ~~follows~~ shown below:-

	Ultimate cost Recurring Rs.	Ultimate cost Non-Recurring Rs.	Cost in 1949-50 Recurring Rs.	Cost in 1949-50 Non-Recurring Rs.
Staff (including the allowance to warden)	8,810		4,788	
Stipends	12,240		9,180	
Rent	600		450	
Contingencies	500		300	
Equipment Furniture etc.	300	3,500		3500
Total Rs	22,450	3,500	14,718	3,500

17

The statement of extra cost on p.2 above, does not include the cost on Furniture, Equipment and contingencies with regard to the proposed training section in the Government Training School for Masters, Madras. If these are also included the extra cost will be still higher. E. & P.H. department support the proposals.

A

Proposal (i) above:- In view of the general policy of the Government to give priority to regional languages and promote Basic Education, it seems doubtful whether any useful purpose will be served by opening merely Secondary Training Sections, and Higher Elementary Training Schools, as these teachers will have to be trained again in Basic Training Schools for teaching basic education, which means the payment of stipends to the trainees twice, in addition to waste of time and energy. As the Hosur Taluk is stated to be predominantly a Telugu area, it is not known whether there are ~~no Telugu Secondary~~ Higher Ely. grade Training sections in other Training schools in the District. Further the proposal does not satisfy any one of the criteria laid down in G.O.765, Fin. dated 6-8-48, for the consideration of Part II schemes. In the circumstances this department may advise against the proposal.

Proposal (ii) above:- It has been stated by the D.P.I. that in connection with the opening of a Secondary Training section (Tamil) during the current school year, about a dozen Telugu candidates have applied for admission and that if due publicity is given for the opening of a Telugu Secondary section during 1949-50, about 30 candidates may be expected. As it is stated that only a dozen people ~~have~~ have applied for the present, and as the D.P.I. himself is not sure about the number of admissions to this section unless enough publicity is given, and in view of the reasons stated by this department at 'A' in para 2 above, this department may advise that this proposal may also be negatived.

25/X/48 D.R. 25.x.48

In view of the financial stringency,

4 Cl -4- E III

proposals should be deferred

25/x/48

E-P.H.

FIN.U.O. 92222/E III-1
25-x-48

The Finance Department recommend that proposals may be deferred for the reasons stated at 'A' on page 3 ante. As stated by Finance it is the policy of Government to encourage the study of regional languages and to give priority to schemes for imp~~e~~lementing this policy ~~and~~ it is therefore ~~is~~ all the more necessary to have teachers trained in the respective languages.

Basic education is to be introduced gradually and for a considerable time in the meanwhile there will be ordinary elementary schools. Teachers are required to staff these schools and ordinary training will have to be continued. // This department may therefore press the proposals. Of course the classes will be opened actually only if sufficient number of candidates are available for training.

For orders as to circulation.

It is not the policy of Government to open ordinary Training Schools hereafter. Training Schools may be Basic Training Schools, or else, we will have to incur the expenditure of retraining them later on. And so, the suggestion of Finance may be accepted.

Hosur. (Salem Dt.)

To

The Hon'ble Minister for Education,
Government of Madras,
MADRAS.

Honoured Sir,

PP. 5-9 infra

I have the honour to enclose a copy of the resolutions passed in the Hosur Taluk Kisan Conference held at Hosur on 21-10-50 for your kind consideration.

(See Pl. Resln. No. 4 on page 5 infra)

In this connection, I beg to state the following. I beg to submit that Hosur Taluk in Salem District is a Telugu Taluk. It is in need of Telugu trained teachers for Elementary and Higher Elementary schools. At present, there are a large number of untrained teachers. Many hundreds of students of school-going age have to be brought under instruction. There is no Telugu Training School in the whole of ~~of~~ the Coimbatore Range. Educated youngmen find it difficult to go to distant Telugu Training Centres as Chittoor or Ananthapur; thus there is difficulty in getting a large number of trained teachers. It is much more difficult to secure women teachers under these circumstances.

We have been requesting the Government, since 1937 for opening a Training School at Hosur and expected it this year itself.

Hence, on behalf of this Taluk, I again pray for favourable consideration and necessary orders for the same atleast for the next year.

Yours faithfully,

T.

President.

22-11-1950.

HOSUR.

The following resolutions were passed in open session of the Taluk Kisan Congress Committee, Hosur held on 21-10-1950.

1. This Conference recommends to Government to abolish immediately rural rationing system so far as foodgrains are concerned and in the meanwhile to remove restrictions over the movements of such grains from one place to another within the Taluk. It further recommends that with a view to minimise the much levelled criticism of harassment in procurement by Government officials, the Taraf Kisan Congress Committee which consists of the ryots with local knowledge be consulted at the time of preparing demand notices and actual procurement, as the local Taraf Kisan Congress Committees undertake to act as laison bodies in getting good understanding between the Kisans on the one hand and the procurement officials on the other.

2. Resolved that useful agricultural implements, seeds manures and fertilizers required for the use of ryots be supplied in larger quantities and in proper time, as there were occasions, when implements supplied with were either unsuitable or found insufficient, when suitable and that the Taluk Kisan Congress Committee be consulted in the matter of selection of articles obtained and the distribution of the same.

3. Resolved that this conference requests that the Government be pleased to arrange for the proper representation of the Taluk Kisan Congress Committee on the Taluk Food, Food production, and prohibition Committee, since it is the only organisation that comprises the actual tillers of the soil, who could voice the grievances and needs of ryots authoritatively on matters of food and food production.

4. This conference request that the proposal regarding the opening of Higher Grade Telugu Training School at Hosur, already under the consideration of the Government be expedited and the school opened with effect from next school year and further resolves that a Committee be constituted to lead a deputation to the Hon'ble Education Minister, so as to impress on the Government the urgent need for opening the School.

5. Resolved that this conference respectfully enters its emphatic protest against the policy of coercive action that is being taken against the poor occupants of cultivable waste lands in getting them evicted irrespective of the period of their occupancy and the acreage under their cultivation and assigning the same land to others ignoring the claims of those that are already in possession and this process of discomfature caused to the poor ryots, who are solely depended on such lands has caused the greatest unrest among them and impairs the scheme of Grow More Food Campaign" launched by our popular Government Further this Conference requests the Government to cancel the lands assigned to big pattadars under the Grow More Food Campaign and allot the same to the needy and land less poor.

6. Resolved that the dismantled Railway line from Morappur to Hosur be restored and linked to Bangalore, so as to facilitate easy and quick transport of foodgrains and other commercial commodities from the places of production to places served on the route.

6

22

HOSUR TALUK KISAN CONGRESS COMMITTEE
HOSUR

B 7. Resolved to constitute a committee to collect funds for the opening of a hostel in Hosur for students studying in Board High School, Hosur. This conference further requests the Government to grant adequate financial aid for this purpose. In this connection, it is resolved to send a delegation to meet the Hon'ble Chief Minister, the Hon'ble Minister for Finance and the Hon'ble Minister for Education.

8. This conference request the Government to issue instructions to the local officials to grant interviews to the President and Secretary of the Taluk Kisan Congress Committee to represent the grievances of the ryots.

9. This conference requests the Government to supply electricity to Hosur Taluk for agriculture, industrial and household purposes.

C 10. This conference resolves to request the Government to run a Telugu Adult Education Training Course at Hosur in order to provide trained teachers for the spread of adult education in this educationally backward Taluk.

11. This conference resolves to request the Government to open dispensaries at the following important Village Centres: 1. Bagalur 2. Berikai 3. Kelamangalam 4. Muddugonapalli. 5. Uddanapalli. 6. Andevanapalli.

12. Resolved to request the Government to instal free radios in the following Centre villages for the betterment of the Villagers, who are very backward: 1. Berikai 2. Bagalur 3. Muddugonapalli. 4. Shulagiri. 5. Uddanapalli. 6. Andevanapalli.

13. Resolved to request the Government to provide drinking water facilities at Hosur Town, at an earlier date.

14. Resolved that the present gravel road between Kelamangalam and Muddugonapalli be extended upto Thalli and to metal the road, so as to provide direct and easy access for the transport of commodities to the Marketing Society at Kelamangalam and also be extend the Berikai--Vepanapalli Road upto Kupram border and to metal it, so as to provide direct route from Kupram area to Bangalore and to construct a new road from Perandapalli to Kelamangalam.

15. Resolved to request the Government to abolish the estates in this Taluk as early as possible to provide the same facilities as enjoyed by the ryots in Government villages.

16. Resolved to request the Government to widen the narrow River bridges at Perandapalli, on the South Pennar and near Thandrai on Sanathkumar.

17. This conference resolves to request the President, District Board, Salem to open a High School at Thalli, which is an important and thickly populated centre in this Taluk.

18. Resolved to request the President, District Board, Salem, to sanction the Junior Telugu Pandit at an early date to handle Telugu Classes in the Middle School section in the Board High School, Hosur.

19. Resolved to request the Government to constitute a committee to investigate the natural resources of Anchetty firka, and to develop the Forest area.

20. This conference resolves to request the Central Government and the Government of Madras to construct a Model Town at Hosur, the birth place of Rajaji in token of the great services rendered to the country by Sri C. Rajagopalachariar.

21. Resolved to request the Government to construct the dams across South Pennar either at Kodiyalam or near Samanapalli and to construct a dam on Doddahalla (Podda Vanka) near Anchetty, and to remove the silt in the tanks of the Taluk.

22. This conference resolves to bring to the notice of the Government that the proposed arrangements to construct a dam on Chinnar (Sanathkumar) at Boduguttapalli will affect extensive ~~xx~~ wet lands yielding fruitful crops and containing many useful gardens due to the immersion of lands under water near Nammandahalli in Hosur Taluk. Hence requests the ~~proposal~~ Government to give up the proposal and instead raise the bund of Panjapalli Tank and construct the dam at "Kondamadugu" ~~f~~ on the same river, which will bring more lands under cultivation and provide natural facilities for the construction of the dam. Hence, necessary arrangements to investigation may be kindly made.

ASSISTANT SECRETARY
41670
28 DEC 1950
EDUCATION DEPARTMENT

Resubmitted with the following remarks:

p.5 ante

Resolution No. 4 opening by Government of a Telugu Training school at Hosur:

Proposals for the opening by Government of a Higher Elementary ~~school~~ Grade Training school at Hosur with Telugu as medium of instructions, were submitted to Government for consideration in connection with the part II schemes for 1949-50 but Government ordered that they should be deferred vide G.O.Ms.No. 3068 Education dated 3-12-1948. The question was again considered by me this year, and it was decided that the economical arrangement would be to reserve seats in the Government Training school for masters Chittoor for the Telugu students coming from Hosur Taluk. Accordingly orders have been issued to the effect that 20 seats should be reserved every year in the Higher Elementary Grade training sections in the Government Training school for Masters, Chittoor for the students from Hosur Taluk.

c.7.

p.7 ante

Resolution No. 7: Financial aid for starting a hostel attached to the Board High school, Hosur.

The District Board should be approached for starting a hostel attached to the school. If the District Board cannot find suitable building for locating a hostel, they may apply for building grant.

p.7 ante

Resolution No. 10: Opening of an Adult Training centre for Telugu people at Hosur.

~~The opening of~~ A Training centre for Adult school teachers may be opened in Hosur if economic strength for the conduct of one course at least can be secured.
