The Tamil Nad Congress Committee is organising an Exhibition. It is expected to be visited by about ten lakhs of people. I think we should take the full benefit of this Exhibition so that the benefits of the reorganisation of education may be brought home to the children, the teachers and the parents. The Exhibition will show both Basic Education and the Reorganisation of Secondary Education. It must be so organised that the cost to Government in the re-training of teachers in basic education must become less because of this exhibition. I think the cost will become considerably less if we can spread the ideals of basic education and the reorganisation of education through this exhibition.

B

The cost of the stalls may come to about Rs.1,500. I think it may cost about Rs.3,000 to organise the exhibition. These funds may be sanctioned to the D.P.I. so that the exhibition may be ordered. The matter is urgent as the exhbition opens in the second week of next month. The necessary sanction may be obtained in consultation with Finance.

~~The expenditure of Rs 9000 proposed to be incurred in connection with the exhibition appears to be very high. In view of the Minute of H.M.(Edn) on page 1 above, it seems that the expenditure will have to be restricted to Rs3,000. Subject to this remark~~ the draft order may be accepted.

The D.P.I. may be informed that he may so make his preparations for the exhibitions ~~and~~ that the charts and other things prepared may be retained as a permanent exhibition in our two Teachers' Colleges, so that ~~they~~ may remain as a permanent exhibition. It should also be useful to us to be taken to exhibitions in other places, wherever there is necessity for an educational exhibition. We must be able to maintain, with the help of these things, a good educational exhibition or museum continuously by reinforcing them with the help of the trainees in both the colleges.
