To,

The Secretary to the Government Of Madras,

Department of Education, Fort St George,
Madras

Sir,

I have been asked by the Arayaajana Social Service League to make the following representation

As you are no doubt aware the Araya-Mukkuva Community Fishermen of the West Coast of Madras Presidency is very backward in Education, Social and Economic matters. The Arayaajana Social Service League was organised some years back with the object of ameliorating the Economic & Social condition of the community. In pursuance of its objects the League has been able to collect one thousand rupees which it is proposed to utilise for the award of an annual prize to a student of the community. The amount will be deposited in the Imperial Bank of India under the administrative control of the Director of Public Instruction, Madras, with the permission of the Government of Madras. The interest accruing on the sum will be utilised annually for the award of a prize in the shape of books to a student belonging to the community who passes in the S.S.L.C. examination obtaining the highest number of marks in the aggregate among those eligible for the prize.

I am to request you that the Government of Madras may be pleased to grant the necessary permission for the institution of the prize and to authorise the Director of Public Instruction to administer the prize fund after which steps will be taken to deposit the amount in the Bank under his directions and to draw up the rules and regulations governing the prize fund.

Yours faithfully,

Mahe
