Continuance = Sanction = Requested:
REF:- G.O.No.MS.2368, Education, dated 5th Nov.1947. (J/3)

I have the honour to state that the sanction accorded in the G.O. cited above for the continuance of the post of Assistant Librarian in the Government Oriental Manuscripts Library will expire on the 8th December 1948. The post remained vacant for over 8 months for want of a qualified candidate and was filled up only on 5th August 1948. Hence no ~~provision~~ progress could be made in the work of cataloguing manuscripts in Persian, Urdu and Arabic. In regard to the work yet to be done in this section, the Crator reports as follows:

"At present there are on stock 1080 Persian manuscripts 276 Arabic Manuscripts and 218 Urdu Manuscripts. Out of these descriptive slips have been prepared for 741 works in Persian, 218 works in Arabic and 105 works in Urdu and slips have to be prepared for the remaining works in each language. Proof of Descriptive Slips for Volume II sent to the Press have to be revised with reference to the originals and the various indexes have to be prepared for the second volume. Some of the manuscripts belonging to the Mackenzie collections contain copies of Firmans in Persian which are of historical importance. They are to be listed and catalogued separately. In order to attend to these items of work, it is necessary that the post of the Assistant Librarian should be continued."

In the circumstances stated by the Curator, I consider that ~~there~~ is need for the continuance of the post and I request that Government may be pleased to sanction its continuance for a further period of one year from 9th Decr.1948.

Yours faithfully,

A. M. S.
