R.O.C.No. 656-A2/47 dated 30th January, 1948.

Colleges--Engineering, Guindy and Anantapur--Purchase of surplus stores--sanction to incur expenditure--Requested.

In submitting herewith a copy of the letter R.O. No. 46-3k/47 dated 20.12.1947 from the Principal, College of Engineering Guindy, I request that Government may kindly sanction an expenditure not exceeding Rs. 15,300/- (Rupees fifteen thousand three hundred only) on the purchase of three sets of Generators (Electric Station Diesel Driven, 110 V x 7½ K.W. fitted with lister diesel engine, Grempton Parkinson Generator, with engine and generator spares) required for the Engineering Colleges, Guindy and Anantapur. The stores are available for sale in the Royal Naval Depot, Avadi and the Regional Commissioner of Disposals, Madras is reported to be agreeable to sell them at Rs. 5,000/- per set though the book value is higher. The Principal is however, negotiating with the Regional Commissioner with a view to reducing the price of each set to about Rs. 3,000/-.

2. As one generator set is intended for the Engineering College, Guindy and the other two for the Engineering College, Anantapur, the expenditure is debitable as shown below:-

(a) Rs. 5,100/- (Rupees five thousand one hundred only) to the head "37(d) Education--University--Government Professional Colleges--(d) B. Engineering College--(d) B. S. Workshop Maintenance--Voted".

(b) Rs. 10,200/- (Rupees ten thousand two hundred only) to the head "37(d) Education--University--Government Professional Colleges--(d) E. Postwar Reconstruction--(ii) Engineering Colleges, Vizagapatam and Anantapur - (d) E. (ii) 4. Other charges--Voted"

3. The expenditure in the case of the Engineering College, Guindy, can be met from the provision allotted to the college for the current year if the stores are received before 31.3.48. As there is no provision in this year's budget for the expenditure in respect of the Engineering College, Anantapur, Government may kindly sanction the expenditure pending provision of funds and I shall apply for the necessary additional funds in due course.

4. The indent received from the Principal, Engineering College, Guindy is being forwarded to the Fiscal Officer (Joint Director of Industries and Commerce, Madras) in anticipation of the financial sanction of Government.

For Director of Public Instruction.

Copy to the principal, College of Engineering, Guindy with reference to his letter No. 46-3k/47 dated 20.12.1947.

Copy to the Fiscal Officer (Joint Director of Industries and Commerce) with the indent (in triplicate with ref. to his 1329-D36/47 dated 13.1.48) for transmission to the Regional Commissioner of Disposals, Madras. The Commissioner may be requested to release the stores at an early date.

Copy to Budget.

ks. 3-2.

P.T.O.

Copy of letter R.C.No.46-SK/47 dated 20th December 1947 from the Principal, College of Engineering, Guindy to the Director of Public Instruction, Madras.

Disposal of Generator, Electric Station, Diesel Driven 110-V-x 7½ K.W. fitted with Lister Diesel Engine.

Ref: -Your Proceedings No. 2827-W1/47 dated 1.10.1947.

I am herewith submitting an indent on the Directorate of Disposals for three 7½ K.W. Diesel Generating Sets referred to in your above Proceedings with the request to forward them to the Joint Director of Industries and Commerce, Madras for necessary action. One of the Generating Sets is for the College of Engineering, Guindy. The other two sets are for the College of Engineering, Anantapur. The Engines of the two Sets are for the Mechanical Engineering Laboratory and the Generators are for the Electrical Engineering Laboratory of the Anantapur College.

2. Funds for the Generating Set for the Engineering College, Guindy, can be provided from the unspent amount in the allotment of the College as some of the articles for which funds have been provided cannot be purchased during the current financial year. No allotment has yet been made for the purchase of machinery for the Anantapur College, but I have requested for a grant of Rs.8/- lakhs in my letter No.13-1-A/46 dated 25th April 1947, as well as in the revised budget estimate for 1947-48. The two Engines of the two Generating Sets are absolutely essential for the Mechanical Engineering Laboratory of the Anantapur College, as no Engines have been purchased for that College and it requires about 6 to 8 Engines for experimental work of the students in the Mechanical Engineering Laboratory of the College. The Generators of the two Sets are essential for supplying D.C. to the Electrical Engineering Laboratory of that College. I therefore request that permission may be granted for ordering two Generating Sets for the Anantapur College pending the sanction of funds that I have already requested for.

3. Soon after the receipt of your Proceedings quoted above, I arranged to inspect the Generating Sets (four in all) at Avadi along with the Professor of Mechanical Engineering of the Guindy College and the Instructor in Mechanical Engineering of the Anantapur College. We found on a reference to the records at Avadi, that the book value of each set is Rs. 5355-5-4 and not Rs. 5888-5-4, as given in your Proceedings, which I presume is copied from the letter of the Director of Industries or the Disposals Directorate. We also found that the Generators had been lying unprotected in the open for months and had been exposed to sun and rain. I pointed this out, as well as the correct book value of these sets, to the Regional Commissioner (Disposals) Madras and requested him to reduce the price of the Sets to Rs.3,000/-. I was informed by the Regional Commissioner that the Director General of Disposals has been addressed, in the subject of reduction of price and his orders were awaited. I was also informed that according to the order of the Government of India, all equipment in military surplus stores had been frozen and the Sets would not be available until the freezing order has been lifted.

4. Some time back, the Regional Commissioner (Disposals), Madras wrote to me that a priority customer has offered to buy a Set at the erroneous book value of Rs.5888-5-4, but he was prepared to sell the remaining sets at Rs.5,000/- each.

6. I have written to the Regional Commissioner (Disposals) requesting him to reduce the price of the Set to somewhere near the figure of Rs.3,000/- that I had offered not only for this college, but also for the other priority customer who has already ordered this Set, particularly as the priority customer and ourselves are educational institutions under the same administrative head. We may therefore expect a reduction in the price of the Sets. Even if no reduction is made, we would be justified in purchasing the Sets at the price of Rs.5,000/-. It will cost about Rs.300/- to pack and transport these Sets to Guindy. It is therefore requested that a sum of Rs.15,300/- may be provided for the purchase and transport of these Sets.

FOR DIRECTOR OF PUBLIC INSTRUCTION.

Sub: Colleges - Eugg, Guindy and Anantapur
Purchase of surplus stores - Expre. - Sact.

C.No. 8741 From the D.P.O. No. 656-A₂/47 d. 30.1.48

G.O. No. Ms. 308 - Edu. d. 17-2-48.

Sanction is accorded to expre. not exceeding Rs 15,300/- (Rupees fifteen thousand three hundred only) in the current year on the purchase of three sets of generators required for the Eugg. Colleges, Guindy and Anantapur.

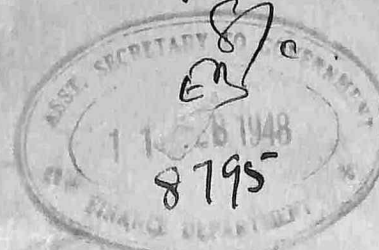

2. The expre. may be debited as follows:—

para 2 a) Eugg college, Guindy. Rs 5,100/- (Rupees five thousand one hundred only) 37. Edu. B. U. G. Fort. Professional colleges - B. Eugg College - 3. Workshop Maintenance Voted.

para 2 b) Eugg college, Anantapur. Rs 10,200/- (Rupees ten thousand two hundred only) 37. Edu. B. U. G. Fort. Professional colleges - E. P. W. R. - (i) Eugg colleges, Vizagapatnam and Anantapur - 4. Other charges - Voted.

3. The expre. in respect of the Eugg. college, Guindy & will be met from the provision ~~not existing~~ in the current year's budget. As there is no provision in the budget for the expre. in respect of the Anantapur Eugg college, the A.G. is requested to admit it in audit, pending provision of funds. The D.P.O. is requested to apply for the necessary addl. funds in due course.
