R.G.No. 1589-G1/48 dated 19th July 1948

Sir,

SCHOOLS--Secondary--Local Bodies--Permission
* to write notes on text books for class-use--
instructions solicited.

A question has arisen whether permission may be granted to teachers under local bodies to write notes on text-books for class use and for S.S.L.C., M.S.L.C. and such other public Examinations under Rule 6(3)(iii) (a) and (b) of G.O.No.1175-L.A. dated 30.4.1941. This rule contemplates grant of permission to write text books for class use not for writing notes on text-books. I request to be informed whether permission can be granted to teachers under local bodies to write notes on text books for class use and for public examinations as there are no specific instructions in the matter.

I should however recommend that the practice of writing notes for text-books by teachers is something which should only be discouraged.

Yours faithfully,

K. S. Narayana

Ref: Government T.M. dated 3-8-1948. f 3ank

In Government institutions, permission for writing notes
on text-books for class-use or for the S.S.L.C., T.S.L.C., or
other public examinations has not been given in any case by the
Director. However attention in this connection invited to G.O.
No.Ms.535 Edn dated 8-3-39 wherein permission was granted to one
School Assistant, Sri S.Subramanyam to publish notes on lessons
prepared by him on the subject "Organisation and Discipline".

2. In aided institutions no cases of this type have
come to the notice of the Director. The management of the
institutions were perhaps exercising their discretion in such
matters.

This is provided for
in the agreement from

From the D.P.D. Re.no. 1589-61/48 dated 14-9-48
Order 3094 Edn dated 6.12.48

1. The Director of Public Instruction has raised the question whether permission may be granted to teachers employed in secondary schools under local bodies to write notes for text-books for class-use and for public examinations with reference to rule 6(3)(iii) of the rules relating to the official conduct of officers servants of local bodies in G.O.No. 1175 L.A. dated 30-4-41.

2. The Govt. considers that no general permission need be given to teachers in secondary schools under local bodies for writing notes on text-books; but, if on educational grounds or on grounds of exceptional qualifications it is considered that an exception should be made in particular

cases, those cases may be submitted to Govt. for orders.

Schools - Secondary - Local bodies -
Teachers - permission to write notes on text books for class use.

The D.P.I. requests instructions whether teachers in secondary schools under local bodies may be permitted to write notes on text books for class use and for S.S.L.C, T.S.L.C & other public examinations. Under rule 6(3) (iii) of the rules regulating the personal conduct of officers and servants of local bodies, the executive authority of a local body may, in consultation with the educational authorities, accord permission to teachers to write text books for class work or for use in libraries in exceptional cases subject to the conditions laid down therein. The rules do not provide for the grant of permission to teachers for writing notes for text books.

2/ please see para 2 of the D.P.I.'s letter on p.c.f. ~~that~~ ~~It is suggested~~ ~~that~~ ~~As suggested~~ by the Director, it does not seem desirable to encourage the practice of writing notes for text books by teachers. For orders whether the D.P.I. may be informed that the teachers in secondary schools under local bodies need not be permitted to write notes for text books.

3/ The remarks of L.A. may be invited. May be circulated to Am (edu) for orders

Is there a ban as at 'A' above in respect of teachers employed in Govt. institutions and institutions under private management?

15cf. Teachers in Secondary schools under private management can undertake work of a remunerative kind with the sanction of the school authority - vide condition 5 of the agreement to be entered into between a teacher and the management of an aided secondary school appended to G.O. No 2406 (d) d 7-11-1947.

2/ As regards the teaching staff in Govt. Secondary schools, the D.P.I. states that, heretofore permission for writing notes on text-books for class use or for the S.S.L.C. T.S.L.C. or other public examinations has not been given in any case by him. The permission granted to Sri S. Subrahmanyam to write notes on lessons prepared by him on a particular subject in G.O. No 535 (d) d 8-3-1939 cannot, it appears, be taken as a ground for allowing general permission to teachers in secondary schools under local bodies for teachers.

The notes with G.O. No 234 Education, dated 31-1-39 contain discussions on the question of grant of permission to teachers in Govt. service to write books for publishers and to receive remuneration for the extra work. Finance accepted the general principle of allowing teachers to do work of this kind. Following the decision in this case, permission was granted subsequently to certain teachers in Govt. educational institutions to write books or notes subject to the condition that the work did not interfere with their legitimate duties and that they did not retain any interest in the sale of the publications or in the copyright thereof.

Rule 6 (3) (iii) of the rules relating to

2. ~~the rules concerning~~ the personal conduct of officers and servants of local boards and municipal councils empower the Presidents of ~~boards~~ local boards and Executive Authorities of M.C.s. to grant permission to teachers in consultation with inspecting officers, to write text-books for class work or for use in libraries in exceptional cases, subject to the following conditions:-

(i) the teacher shall not retain copyright in or interest in the sale of copies; he may accept only a definite lump sum as remuneration from the publishing firm or any other party; and (ii) no teacher who is a member of the Text Book committee shall write or edit any text-books for use in recognised schools during ^{the period of} his membership of the committee.

3. The D.P.I. asks whether teachers employed by local bodies may be permitted to write notes on text-books for class use and for public examinations. He is of the opinion ~~of~~ that this practice should be discouraged. In the case disposed of in G.O. No 535 (d) dated 8-3-39, a School Asst. in the Govt. ^{Secondary and} Training School

(K)

for ~~notes~~ ^{men} at Nellore, was permitted to publish ^{secondary} notes on lessons prepared by him. Teachers in ^{schools} under private managements can undertake work of this kind with the permission of the management of the school in which they are employed, under clause 5 of the agreement executed by them. Nowadays there is practically no distinction in the scales of pay allowed to aided school teachers and local board teachers. There seems to be no reason why teachers employed by local bodies ^{alone} should be precluded from writing notes on text books and for public examinations so long as the conditions specified in form 2 overleaf are adhered to. Only few teachers are likely to take up work of this kind.

~~12-11-48~~ It does not seem necessary to grant general permission to local board teachers to write notes on text books and for public examinations. The D.P.3 may ^{perhaps} be told that he may inform the inspecting officers that each case should be considered on its merits with reference to the rule mentioned in form 2 overleaf.

m
19-11-48

^{only}
A.L.H. (L.C. Ed.) was decided ^{at} last. The matter to be considered in its merits: no general permission was given to local teachers.

The present proposal would be a widening of the scope of the rule referred to in form 2. There is no justification for giving further general permission in this respect - thereby giving further scope which has been done in the case of local teachers.

D.P.3 to be permission kept the way open with reference to educational purposes & or benefit of the principle of (L) it is left an exception that he may be made the case may be submitted to the principal for orders. ^{at} ^{of} ^{the} ^{case} ^{may} ^{be} ^{submitted} ^{to} ^{the} ^{principal} ^{for} ^{orders}.

I agree with the Secretary's note above. No general permission need be given. Permission may be given in exceptional cases, if people are properly qualified and can do so without detriment to their work.
