Dear Mr. Avanesalingam,

I understand that orders have been issued to hold the S.S.L.C. Public Examination in March 1949 only at district or taluk headquarters. This arrangement may not be objectionable in districts where there is only one high school in each taluk. I am afraid this will cause considerable hardship in other districts. The boarding and lodging arrangements are far from satisfactory even if available in these days of scarcity. The facilities for transport, let alone the cost involved, are trying. It is a pity the Government should have thought of this altered arrangement just at this time. While there may be one centre for all high schools in a place instead of each school being a centre, it is not desirable to make district and taluk headquarters alone Centres for Public Examination. The retrenchment in expenditure effected is more than set off by the expenditure incurred by pupils. There is no means to assess the value of inconvenience caused.

The best way of effecting retrenchment is to do away with the Assistant Examiners' meetings. They involve unnecessary expenditure; they cause inconvenience to Assistant Examiners especially to lady teachers; they confer little or no benefit. Such instructions as are given during these meetings can as well be communicated at greater length by means of communications.

Yours Sincerely,

R. Suryanarayana Rao

THE HON. SRI. T. T. AVANESHI

SECRETARY
GOVERNMENT OF MADRAS
CHENNAI

I understand that at the time of the 1948 examination in Tamil Nadu only at the 2.5.1.0. Public Examination in Tamil Nadu only. This arrangement may not be objectionable in districts where there is only one high school in each taluk. I am afraid this will cause considerable hardship in other districts. The difficulty of lodging arrangements are far from satisfactory even if available in these days of scarcity. The facilities for transport for the candidates are also very poor. It is a pity the Government should have thought of this before making the arrangement. If the Government have to be one centre for all high schools in a place instead of each school being a centre, it is not desirable to make distant and take candidates from distant places for public examination. The Government is expending a lot of money more than that of the expenditure incurred by public. There is no means to assess the value of the expenditure caused.

The best way of effecting retrenchment is to do away with the Assistant Examiners' meeting. They involve unnecessary expenditure; they cause inconvenience to Assistant Examiners especially to the schools; they cost little or no benefit. Such instructions are given during these meetings and as well be communicated at greater length by means of communications.

Yours sincerely,
T. T. AVANESHI

Sir,

Sub:- Fixing of centres for S.S.L.C.
Public Examination March 1949.

Our Head Master tells us that it is the proposal of the Government to hold the S.S.L.C. Public Examination in District or Taluk Head Quarters only and as such our High-School which had been a Centre for the past 6 Years or even more is likely to lose it. Our boys 88 in number will be put to great hardship - boarding as well as lodging - if they are made to sit for the Examination at Kumbakonam. We desire you to fix Tiruvadamardur as a centre and free our boys from the hardship arising out of boarding and lodging difficulties at Kumbakonam. The request had already been

been made to the District Education Officer, Tanjore on the subject and we desire you to help our boys by allowing our High School at Tiruvadamarudur to continue to be a Centre for the Public Examination as heretofore.

Further Tiruvadamarudur is a Sub-Taluk with a Deputy Tahsildar's Office and a Police Station with a Sub-Jail.

To

The Hon'ble Sri K. Chendramouli,

Minister for Local Self Government,

Government of Madras, Fort St. George, AND P. M. DIST.

Sir,

We, the parents of the pupils appearing for the S.S.L.C. Public Examination of March, 1949, beg to represent the following for your Honour's kind consideration and necessary action.

We regret to note that the Government, in their notification published in Fort St. George Gazette dated 14-9-1948, have ordered that the S.S.L.C. Public Examination of March, 1949 should be held at Taluk Head Quarters only. The decision of the Government in this respect is unjust as the pupils sitting for the said examination will be put to much hardship in so many respects.

Previously in the regime of the Advisers, such a step was taken and on the representation of several Parents' Associations and Students' Associations, the holding of the examinations in the said manner was given up purely in the interests of young pupils sitting for the examination.

Further, scarcity of accommodation for a large number of people, Indecent hotel meals and their consequent bad effect upon the health of young pupils, answering of papers at places other than their own institutions, will greatly tell upon their success in the examination and we believe the Popular Government will realise the difficulties of the young pupils.

If efficiency in conducting the examinations is the only consideration of the Government, they can retain the old centres and take stringent steps for efficient supervision.

We, therefore, request the Government to consider the difficulties of the pupils in the light of our representation and revise their decision for the benefit of the pupils. For which we shall be highly thankful to the Government.

U N D I,

4-10-1948.

Secretary, E. & P.H.

I have been receiving many representations about the proposal of the D.P.I. that only Taluk headquarters will be fixed as centres for the S.S.L.C. Examination. I hope final orders havenot yet been passed by the D.P.I. in this matter. This seems to affect many thousands of students studying in schools other than at Taluk and District headquarters. He may be asked to submit his opinion in the matter before taking final steps.

[Memo No. 73678-93-48-1 Dt 5.10.48]
From the C. & E. No. 75-13-48
Dt 28.10.48

The suggestions contained in Mr Suryanarayana Rao's letter and the letter from the Correspondent of the A. High School, Tiruvadanagundur, and in the memorial from the parents of the pupils in the arrangement under which the S.S.L.C. Examination is held only at the District and Taluk centres.

is inconvenient to the pupils,
 in view of the difficulties in
 respect of lodging & boarding
 etc in the new centres -
 As regards this, the Com-
 missioner, realizing apparently
 the difficulties, has separately
 reported that he proposes
 to have S.S.L.C Examination
 centres at schools presenting
 not less than 75 candidates
 for the Examination, for boys,
 while girls' schools present-
 ing not less than 30 candi-
 dates ~~to be~~ centres for
 girl candidates - It is proposed
 under this arrangement to club
 schools with smaller number
 of candidates than the number
 above specified, and have a
 common centre for a school
 having adequate accom-
 modation and furniture -
 The T. A. School, Tiruvadamangudi
 will be a centre under
 these arrangements -
 These proposals seem to be
 satisfactory
