GOVERNMENT OF INDIA.

Delhi, 3, the November 10, 1948

I have just received your wife as well as your letter dated November 6, 1948. The dates of the Central Advisory Board of Education were fixed after a great deal of correspondence with the U.P. Government. The Science Congress is meeting from the 2nd to 6th January and the Lucknow University is having its Silver Jubilee from the 10th. No alteration of dates is, therefore, possible. I regret this very much but have no option in the circumstances. I do hope you will make it a point to attend as your presence is necessary in connection with the resolution of which you have given notice.

Yours sincerely,

Humayun Kabir
