From the D.I. Rc. No. 2444-G1/48 dt-9/11/48

Sri A. Ramaswami Gounder, Principal, Salem College
Salem, has been appointed by the M.P.S.C. as an additional
examiner for the ensuing examinations. He has requested the
Commissioner ~~Rmxx~~ to permit him to accept the same, stating
that that work will not in any way interfere with his legiti-
mate college duties. Rules relating to personal conduct of
officers and servants of ~~Municipal~~ Municipal Councils, provide for
consultation with the D.E.O and the Dy. Inspector of Schools,
respectively in the case of teachers employed in secondary
schools and elementary schools for boys before according
~~permission~~ permission. But ~~it~~ no such consultation is provided
for in the case of Principals and lecturers of colleges
maintained by Municipalities before according sanction for
acceptance of examinerships. The Commissioner, Salem Municipa-
lity, wishes to know whether he can accord such permission,
without consulting any higher authority. The D.P.I. who
was consulted in the matter states that under S.R.3 under F.R.
46 and F.R.47 provide that a Govt. servant may accept without
the sanction of any competent authority any examinership offer-
ed by the M.P.S.C. and the remuneration therefor, provided that
such acceptance will not prejudice his ordinary duties, and
the Municipal Commissioner may therefore be informed that under
the above provision Sri Ramaswami Gounder may accept the addi-
tional examinership offered by the Commission, provided
the management is satisfied that the additional work would not
detrimentally affect his regular duties in the College.

The Director's views may be accepted. The Director's
views may be accepted.

Please see L.A. Deptt. note above. Regarding A, it may be pointed out that the management of the Salem Municipal College vests in the Governing Body of which the Chairman of the Municipal Council, Salem, is the Chairman, and the Commissioner, Salem Municipality, is the Secretary. Please see in this connection the bye-laws relating to the management ~~of the~~ and maintenance of the Salem Municipal College. The bye-laws have been approved and they have also been published in the Gazette. Under Bye-law 9 of those bye-laws, the Governing Body has powers of appointment and punishment in respect of the College teaching staff. It is therefore doubtful whether A above in L.A. note is correct. It is ~~open~~ for consideration whether the draft order already put up by this department is not sufficient. ~~Do not see the case again for remarks.~~
