No. IPDM/5779, dated 23rd November 1948.

Sub: Rationing - Coolies - Temporary Employment
G.O.No. Ms.2813 Edn., dated 10th November 1948.

The unused forms and registers etc. pertaining to rationing received from the various de-rationed areas have not yet been completely sorted out and arranged though supplies to the towns where rationing have been re-introduced have been made to some extent. The 4 temporary coolies appointed (vide G.O. referred to above) for one month from 26-10-48 are found insufficient. A few more towns have since been brought under re-rationing and there is every possibility a few more being added in the near future. In view of the urgency and heavy work that lie ahead, I request Government to sanction the extension of the period for the 4 coolies by one more month from 26-11-48 and also to increase the strength by 3 more coolies to speed up the work. The additional three coolies are being appointed from 26-11-48 in anticipation of sanction and my action may kindly be approved. Their services if not required further will be terminated on 26-12-48 or earlier if the necessity ceases.

The expenditure may be met from the provision under F. Other Expenditure - 6. other charges - other petty charges or by re-appropriation if necessary.
