No. 11604 M/47-4 dated 14th September 1948

Sir,

Sub: Stationery -- Official tablet diaries
and card calendars -- Supply to the officers
of the Electricity department -- Sanction
requested.

Ref: G.O. No. 2382 Edn. dated 5.11.1947.

The requirements of tablet diaries, card and wall
calendars for the use of officers of this department have
recently been reviewed consequent on the reorganisation
of the department and also on account of posts newly sanc-
tioned subsequent to 1942 and a list of officers who are now
eligible but are not now supplied is furnished in the
annexure.

I request that Government may be pleased to sanction
very urgently the supply of tablet diaries, card and wall
calendars to the officers mentioned in column 3 and also to
instruct the Superintendent, Government Press to include
them in the regular distribution list from 1st January 1949
onwards.

3. As the Chief Engineer for Electricity in this
No. 53 M/48-1 has stated that the names of the three
officers may be deleted from the list as they are included
independently their requirements of Tablet Diaries and Card
Calendars will be supplied by this office as hitherto.

FOR CHIEF ENGINEER (ELECTRICITY)
A. The additional copies referred by the Chief
Engineer for distribution to his subordinate officers are
48 Tablet Diaries, 48 Card Calendars and 48 Wall Calendars
and they may be sanctioned for supply from 1949 onwards.
