OFFICE OF THE DIRECTOR OF
PUBLIC INSTRUCTION, MADRAS.
DATED 11th August 1948.

SUB: MUNICIPAL COUNCIL, VILLUPURAM - Secondary Schools -
Sri.M.S. Sankaranarayanan, L.T. Assistant - Fixation
of pay - Reckoning of service in South Arcot Dt. Board
for fixation of pay in Villupuram Municipality.

REF: i. Petition from Sri.M.S. Sankaranarayanan dated 9-2-48.
ii. Letter No. B2-862/48 dated 19-2-48 from the
Commissioner, Municipal Council, Villupuram.

Fund Accounts.

COPIES SUBMITTED.

2. The Services of the petitioner Sri.M.S. Sankaranarayanan were transferred from District Board, South Arcot to Municipal Council, Villupuram with Director's approval accorded in Proceedings L.Dis.590-G1/47 dated 18-4-47 subject to the conditions laid down in G.O.No. 988 L.A. dated 7-4-41. He requests that his services of 3½ years in the previous local body may be reckoned for fixing his pay in Municipal Council, Villupuram. The Examiner of Local Fund Accounts in his references cited above however points out that the Director's approval to the transfer will not confer any right on the teacher to count his service in the previous local body for purposes of pay in the local body to which he is transferred except for leave, leave salary, transit pay and travelling allowances. According to the instruction issued with G.O.No. 988 L.A. dated 7-4-41, the seniority of the teacher in the local body to the service of which he is transferred shall be determined by the date of his confirmation in a post in that category in the establishment of the local body from the service of which he is transferred. As such, I consider that it a hardship to teachers if their service in the previous local body is not reckoned for fixation of pay in the local body to which they are transferred when it counts for seniority in the latter local body.

3. In the circumstances stated above I feel that

P.T.O.

the Director's approving the transfer has its full meaning only if the above concessions are also shown to the teachers when they are transferred from one local body to another.

I therefore recommend that provision may be made in the rules to the effect that such teachers may also count their service in the local body from which they are ~~transferred~~ transferred for fixation of pay as well as of advance increments in the local body to which they are transferred in addition to the concessions allowed in G.O.No. 988 L.A. dated 7-4-1951 1941.

SUB: ESTABLISHMENT - Secondary Education - Municipal High School - Villupuram - Sankaranarayanan Sri.M.S. - Fixation of pay and sanction of increment - petition.

I forward herewith the appeal petition dated 9-2-48 from Sri.M.S. Sankaranarayanan, L.T. Assistant, Municipal High School, Villupuram against this office proceedings R.Dis. 5865/46 dated 13-11-47 regarding the refixation of his pay and sanction of increment taking into account his pay and services under the District Board, South Arcot.

2. The services of the appellant was transferred from the South Arcot District Board to this Municipal Council as a permanent measure and was approved in the Director's Proceedings L.Dis.590-G/47 dated 18-4-47. The District Inspector of Local Fund Accounts who was consulted regarding the revision of his pay consequent on ~~the~~ the transfer, was of opinion that the case could not be regarded as one ~~of~~ of transfer ordered by competent authority. Accordingly it was ordered in this office proceedings R.Dis.No.5865/46 dated

P.T.O.

dated 13-11-47 that the services of the appellant rendered in the Villupuram Municipality alone would count for increment.

3. The Director approved the proposal of his permanent transfer, subject to the fulfilling of the conditions laid down in G.O.No.988 L.A. dated 7-4-41. The appellant who was in the permanent employ of the Dt. Board, South Arcot till 23-2-44 was granted extra-ordinary leave with permission to take up employment under this Municipal council and he joined service here the very next day. On receipt of the Director's approval of the transfer, the pay of the appellant should have been refixed with reference to his pay under the Dt. Board service and steps taken to pay the leave salary and P.F. contribution to the Dt. Board until he is ~~at~~ substantively appointed in this Municipal service. But the order in Proceedings No.A.6.25857/DB of 47 dated 29-4-47 of the Special Officer, Dt. Board, South Arcot was to the effect that his services were permanently transferred with effect from 24-2-47, the date of expiry of three years extraordinary leave granted to him. Consequently the appellant could be confirmed with effect from 24-2-47 even though the permanent vacancy was existing from 1-4-46.

4. In the above, circumstances the appellants case can be favourably considered by.

- (i) Cancelling the leave without pay granted to him 24-2-44;
- (ii) treating the appointment of the appellant under this council from 24-2-44 as a foreign service & retaining his lien to the Dt. Board service;
- (iii) refixing his pay from 24-2-44;
- (iv) paying the leave salary and P.F. contribution to the South Arcot Dt. Board by this council till 1-4-46 from which date he could be substantively appointed under this council.
- (5) The appellant's service (2 Vols.) and this office

Copy of application of Sri.M.S. Sankaranarayanan, L.T.
Assistant, Municipal High School, Villupuram.

I beg to leave to submit this appeal against the Proceedings of the Commissioner, Villupuram Municipality R.Dis.5865/46 dated 13-11-47 for your kind consideration and favourable orders.

I was a permanent L.T.(Science) Assistant in Secondary Schools under the South Arcot District Board for about 3½ years. While serving under the District Board, I was given to understand that the need of a Science L.T. Assistant was keenly felt in the Municipal High School, Villupuram, and I applied for it through the District Board.

The District Board permitted me to seek employment elsewhere granting me extra ordinary leave. After getting relief from the District Board on 23-2-44, I joined the Municipal High School as an L.T. Assistant on 24-2-44.

On an application from me the Villupuram Municipality in its resolution No. 1039 dated 10-2-47 agreed to have my services in the South Arcot District Board, transferred to this Municipality and the District Board in its resolution dated 21-12-47 sanctioned to transfer my services to Villupuram Municipality and agreed to bear my leave charges; and the Director of Public Instruction in his Proceedings L.Dis.590-G/47 dated 18-4-47 approved the transfer.

After completing my probation in the Municipality, I requested the Commissioner to fix my pay taking my service in the Dt. Board into consideration. But the Commissioner issued proceedings stating that "services rendered in the Villupuram Municipality alone will count for increment."

In this connection I may be permitted to submit that my case may have to be considered as one of transfer and not as one of fresh appointment in the Municipality especially when the transfer

P.T.O.

has been approved by the Director of Public Instruction. The Proceedings of the Commissioner has hit me hard and I have to lose a service of 3½ years. I therefore request that the Director of Public Instruction may be pleased to issue an order to count my service in the Dt. Board for ~~xxx~~ increment if not for seniority.

(Sri.)M.S. - Assistant - Municipal High School,
Villupuram - Fixation of pay and increment.
Ref: Your Ldt. Rec. No. 462-G/48 dated 4th March 1948.

The appellant was an Assistant in the South Arcot Dt. Board and he got himself employed under the Villupuram Municipal ~~High School~~ Council. This was approved by the Director of Public Instruction under rule 3(1) of the rules issued with G.O.No.3580 L& M dated 7th September 1932, as amended for the grant of permission to officers and servants of Dt. Board to enter the service of the Local Bodies. This permission would confer only the right to carry forward the leave earned under the Dt. Board to the extent of the liability undertaken by the District Board. A copy of this department letter L.No. 619 dated 8th November 1947 to the Commissioner of the Villupuram Municipality is enclosed.

The service under each local body is independent and the permission granted to enter the service of any other local body will not ordinarily confer any privileges or concessions not contemplated in the rules. The individual will practically be considered as a new entrant in other respects. The concession of counting service in other local bodies for seniority and increment will be admissible only when a transfer is ordered by the competent authority in public interest as in the case of transfers of public Health subordinates by the Director of Public Health under the

the Public Health Act.

The request of the appellant is, therefore, not admissible.
The enclosures received with your endt. are returned herewith.

pay of Sri. M. S. Sankaranarayana Pillai, L.T. Assistant, Municipal
High School, Villupuram.

The appointment of the teacher in question in the Villupuram
Municipality is only a case, the teacher voluntarily leaving Dt. Board
service permanently and entering Municipal Service under Rule 3
of the rules relating to transfer and grant of permission to
officers and servants to enter service in other local bodies and the
proceedings of the Director of Public Instruction No. L.D. 590.4/47
dated 18-4-47 ~~xx~~ accord ~~x~~ only the permission contemplated in the proviso to
to this rule, as otherwise the teacher will have to resign his service
in the Dt. Board for taking service in Villupuram Municipality.

The case cannot be regarded as one of transfer ordered by competent autho-
rity. Under the above mentioned rules the teacher can have allowed
benefit of the leave earned under the Dt. Board to the extent to which
liability is accepted by the Dt. Board and no other privilege is conferred.
Accordingly service rendered in the Villupuram Municipality alone ~~xx~~
can count for increment ~~and the~~ ~~for increment~~ and the teacher
can get his increment raising his ~~xx~~ pay to Rs. 75/- only from
23rd March 48 in the usual course.

The service book of the teacher is returned herewith.

M. S. Sankaranarayanan, Assistant, Municipal High School,

P.T.O.

The case has been examined in detail and the points raised are
answered below seriatim.

(1) The Municipality has no power to reckon service in the
Dt. Board and allow concession not contemplated by the Rules. As
each local body is independent, service under each should be taken
as separate except to the extent provided by the rules.

(2) In as much as each local body is independent, it does
not seem unfair that service rendered under each should alone
be taken into account, with reference to the apparent hardship to the
teacher if he were to lose his previous service under the local body and
it must be pointed out that the transfer was of his own seeking and
not forced upon him and that he must be fully alive to the
consequences. Further the hardship to him would be comparatively
less than the hardship that may be caused to those already serving in
the local body in which he seeks service, & if he is given the
benefit of his previous service for seniority etc. The ~~xxxxxxx~~
approval of the ~~xxxxxxxxx~~ Director ~~xx~~ ~~Rmk~~ enables only to count
service for carrying forward the leave at credit and earned under the
local body prior to transfer and that ~~x~~ too if the local body is willing
to bear the liability as provided in the rules. Please see Rule 3
of the rules relating to transfer of Officers and servants of Dt.
Boards issued with G.O. No. 3580 L & M., dated 7th September 1932
as amended. The rules do not provide for the local body permitting
the employee entering its service to count his previous
service under another local body for purposes of increment etc.

(3) As already stated, above the approval of the Director ~~xx~~
confers no right except to carry the leave earned under the previous local
body and ~~not~~ that too when the liability is accepted by the local
body and not otherwise. A reference is invited to the ~~xxxx~~ penultimate
paragraph of my endorsement L.F. 552 dated 10th April 1943. ~~page~~

2. If in your opinion any special consideration seems called
for in this case, the matter may be referred to Government.

Sub:- Establishment - Secondary Schools, Board High School, Villupuram - Sri M.S. Sankaranarayana Pillai, L.T. Assistant - Counting of Dt. Bd. Service for increment.

Sri M.S. Sankaranarayana Pillai was L.T. Assistant for 3½ years ^{upto 24.2.44} under the South Arcot District Board, and on his own application, was appointed as an L.T.. Assistant in the Municipal High School, Villupuram from the 24th Feb. 1944. It is stated that both the Dt. Bd. and the Municipal Council have passed resolutions formally agreeing to the transfer of the Assistant's services from the Dt. Bd. to the Municipal Council, and that the D.P.I. in his proceedings dated 18th April, 1947, has approved the transfer. The Municipal Commissioner, Villupuram, has passed orders to the effect that the service rendered by the teacher under the Villupuram Municipal Council will alone count for increment in his case. The Assistant has requested the Director to order that his service of 3½ years under the Dt. Bd. may also be taken into account for purposes of his increment in the scale of L.T. Assistants. The D.P.I. considers it a hardship to the teacher transferred from one local body to another, if service in the local body under which he formerly worked does not count for seniority and pay in the service of the local body which the teacher serves subsequently. The Director recommends that suitable provision may be made in the rules for this purpose, on the analogy of the provision in the orders in G.O.No. 988 L.A. dated 7th April, 1941 relating to the transfer of servants from the service of one local body to that of another in the public interests.

2. The Examiner of L.F. Accounts has observed that each local body is independent, that the transfer in this case was on the teacher's own application and that he can only count the service under the

page 5-64

local body (Villupuram Ml. Cl. in this case) under which he is now employed. *In fact, the D.B. when permitting him to seek other employment, granted him only extraordinary leave. Naturally, therefore, the Examiner draws a distinction between the cases governed by G.O.No. 988 L.A. dated 7th April, 1941, which are cases of*

transfer in public interests, and cases of transfer such as the one dealt with in this file. His view is that the approval accorded by the Director under the rules relating to the transfer of officers and servants of local bodies will serve only the purpose of counting for leave the service put in by the servant in the local body which he served first. This view seems to be correct. In the circumstances, ~~it~~ it does not seem to be possible to grant the teacher's request in *this case* - ~~the case~~. The Director is inclined to think that provision should be made in the rules on the lines of the directions in para 4 of G.O.No. 988 L.A. dated 7-4-1941. As pointed out by the Examiner, however, the servant seeking a transfer on his own application, does so in his own interests and with a knowledge of the consequences. This is not the case in respect of the P.H. and other servants ~~who~~ ^{who} are transferred by the Head of the concerned deptt. as the servants ^{in these cases} have to submit to the transfer even against their own personal interests. In this view it does not appear that any rule is necessary, ~~to enable teachers to count their previous service for seniority and pay~~ ^{to enable teachers to} ~~para 2 of G.O. No. 988 L.A. dated 7th April, 1941, so as to~~ ⁱⁿ cases of transfer sought by teachers and agreed to by the D.P.I. etc. in the interests of the servants themselves.

3. L.A. may see the case for remarks.

20.11.48

In Govt. service if a person is transferred in public interest or on his application to another post carrying the same ^{or} scale of pay, his previous service counts for increment in ~~the time-scale of Teachers and Headmasters employed~~ ^{But the categories mentioned in the margin belong to one unit} in institutions under the control of local bodies are allowed uniform scales of pay. Hence the two suggestions of the D.P.I. on page 2 of, seem to be acceptable.

22-11-48
S. I. L.A. P. Mr. the local board are different units & the principle cannot be applied to them. The fact that the transfer was made, not in the public interest but on the request of the teacher himself, is important.
