Sir,

Sub: Grant - Building - Pachaiyappa's College
 and Hostel - Additional accommodation.

I have the honour to report that Government in their order No.Ms.2276 Edn., dated 26-11-1946 sanctioned the inclusion in the list of approved works, of the scheme for the construction of two blocks of additional Hostel rooms, one additional kitchen block etc. for the Pachaiyappa's College, Madras at an estimated cost of Rs.2,39,540 and rendered the institution eligible for a grant, not exceeding Rs.1,19,770/- Again in their Memo No.40362 G3/47-1 Edn., dated 22-7-1947 the Government authorised me to obtain from the management, the necessary detailed plans and estimates and arrange for their scrutiny and determine the amount of the estimate to be admitted for purposes of grant.

Detailed plans and estimates were called for from the management, and they have been scrutinised by the Consulting Architect to Government. He has recommended that an estimate of Rs.2,74,970/- submitted by the management may be altered to Rs.2,68,580/- and that this altered figure may be approved. This estimate will render the institution eligible for a grant of (not exceeding) Rs.1,34,290/- as against the amount of Rs.1,19,770/- sanctioned in G.O.No.2276 Edn., dated 26-11-1946.

In the circumstances, I have the honour to request that Government may be pleased to issue the necessary alteration to their order No.793 Edn., dated 18-4-1947 and to permit me to approve the plans and estimates.

GRANT - Building - Pachayappa's College and hostel -
Request for increase.

From the D.P.I.R.C.No.621-K/47 dated 4-6-1948.

Please see the letter from the D.P.I. on p.l c.f. In G.O.No.2276 Edn., dated 26-11-1946, sanction was accorded for the inclusion in the list of approved works, of the scheme for the construction of additional hostels etc. for the Pachayappa's College, Madras, and the scheme was made eligible for a half-grant of Rs. 1,19,770/-. Subsequently, the D.P.I. was asked to obtain detailed plans and estimates, arrange for their scrutiny, and determine the amount of estimate for purposes of grant. The Consulting Architect, after scrutinizing the plans and estimates, has now recommended to the D.P.I. the approval of the scheme for Rs. 2,68,580/-. The half-grant on such revised estimates will be Rs. 1,34,290/-. The D.P.I. ~~suggests~~ now suggests ~~that based on the revised~~ plans and estimates, ~~may be approved~~ and the grant payable ~~to the College~~ ^{for the scheme may} be increased from Rs. 1,19,770/- to Rs. 1,34,290/-.

2. It may be mentioned in this connection that recently Government have fixed a maximum limit of Rs. 75,000/- in respect of building grants to First Grade Colleges. Normally this limit should be applied to this scheme. The limit has not however been applied in the case of the scheme relating to the construction of auditorium and library hall in the Loyola College (estimated to cost Rs. 5 lakhs) which was originally included in the approved list in 1946 making the college eligible for a half-grant of Rs. 2.5 lakhs. ^{It has been} And it ~~was~~ decided to make a grant of one-fourth of the estimated cost of the scheme, i.e. Rs. 1.25 lakhs only, out of which a sum of Rs. 50,000/- has been sanctioned during the current year and the balance of Rs. 75,000/- ~~is proposed to~~ ^{is proposed to} be paid next year or any subsequent year, taking into account

the ~~the~~ financial position of the Province. It has been suggested separately that the grant for the ~~Loyola College~~ scheme may be increased to Rs. 2.5 lakhs and that the Govt. of India may be asked to treat that scheme as a Post-War Scheme for 1948-49 so that it may be eligible for a grant of Rs. 1.25 lakhs (i.e. 50 per cent of Provincial grant) from the block grant ~~of~~ from the Govt. of India. The Provincial Government's liability ultimately will then be only Rs. 1.25 lakhs in respect of that scheme.

3 Incidentally, it may be mentioned that while making provision in the B.E. for 1948-49, the limit of Rs. 10,000/- fixed for equipment grant for Non-Government Colleges, was applied to the scheme relating to the purchase of equipment for the Pachayappa's College even though the scheme as previously included in the approved list was eligible for a half-grant of Rs. 27,709/-.

The proposals referred to above in respect of the Loyola College buildings are tantamount to proposals for a half-grant from Government out of which 50 per cent will be ~~payable~~ payable by the Government of India. If they are eventually accepted, the decision to give a half-grant for the Pachayappa's College scheme may stand and ~~this~~ this scheme may also be treated as a post-war development scheme.

Devt.(P.& D.) and Finance may see for remarks.

The Principal of the Hindu College, Mamillapet, has asked for reconsideration of the order limiting the payment of equipment grant to Rs. 10,000/- The decision on the request may have to be applied to this case also, as both the schemes are similar.

Development (P&D VI) Department.

Please see the note of E & P.H on pages 1-2 above. The file has been sent to this Department for remarks on the point whether the scheme "Grant to the Pachaiappas College for the Construction of Hostels etc", can be treated as a post-war scheme on the analogy of the scheme relating to the grant to the Loyola College, Madras for the construction of an Auditorium and Library. In the case of the latter scheme, this department had agreed to treat it as a post-war scheme and include it in the ^{Supplementary} programme for 1948-49 as it was considered desirable that as many new schemes as possible should be included in the programme so that the block grant of Rs. 442 lakhs sanctioned for 1948-49 may be utilised to the fullest extent. It is not known whether the grant to the Pachaiappas College, will be paid during the current year. If so, this department need not object to the scheme being treated as a post-war scheme and included in the programme in order that the block grant may be utilised to ^{that} the fullest extent. It may however be pointed out that the Government of India have stated that in preparing the programme for 1948-49, new schemes not yet initiated, should be confined as far as possible to schemes which add to the material wealth of the country. As the above schemes do not come under this category, it is doubtful whether the Government of India will agree to approve them as post-war schemes.

Please see the letter from the D.P.I. on p. 1 of. and the notes of

the E.P.H. and Devt (P.H.) Departments on pp 1-3 above.

2 So far as the building grant is concerned, it is submitted that in view of the note of Devt (P.H.) at A on p 3 above, it seems very doubtful whether the Govt of India will agree to approve the ~~present~~ scheme now under

consideration as a post-war scheme for 1948-9

for ^{the} purpose of ~~granting~~ ^{Contributing against the Central Block,} grant for that year.

In the circumstances, Finance

may advise that the plans and estimates for the work may be

approved on the definite understanding

that the institution will be ^{a maximum grant of} eligible ~~only~~ for Rs. 75,000/-, only

according to the existing policy

of the Govt. The ~~amount~~ ^{grant} will be payable

only in 1949-50 as it is unlikely that any ^{* appreciable expenditure will be incurred in the current year.} Finance need not, however,

object to the Govt. of India being

addressed in the matter. (On the basis of the revised estimate, the grant payable by the P.H. Central Govt will be Rs. 67,145/- each year.)

3 As regards equipment grant, E.P.H. have stated that the decision in the case relating to the Hindu College, Masulipatam,

will apply to this case. This view may be agreed to in Finance, as ~~the~~ ^{two} cases are similar.

E. & P.H. (C.3)

The file relates to the request of the Pachaiyappas College, Madras, for the payment of an increased grant based on revised estimates. The scheme relating to the construction of ^{additional} hostels for the Pachaiyappas College, Madras, was included in the approved list for Rs. 2,39,540/- and the scheme was rendered eligible for a half-grant of Rs. 1,19,770/-. The D.P.I. was asked to submit detailed plans and estimates and have them scrutinised by the Consulting Architect to Govt. The Consulting Architect after scrutiny of the estimates recommended the approval of the scheme for Rs. 2,68,580/- on the basis of the revised estimate will be. The half-grant on such basis being Rs. 1,34,290/-. The D.P.I. now suggests that based on the revised estimate, the grant payable to the College for the scheme may be raised from Rs. 1,19,770/- to Rs. 1,34,290/-. It may be mentioned in this connection that it has been recently decided that the maximum grant for building schemes for first ~~and~~ ~~grade~~ grade colleges should be limited to Rs. 75,000/- ^{each. Finance suggest that} and this limit should now apply to this scheme also. But it has been suggested that in view of the proposal to treat the scheme relating to

* Constructed as proposed & taken up early in Jan'y 1949 after making tender.

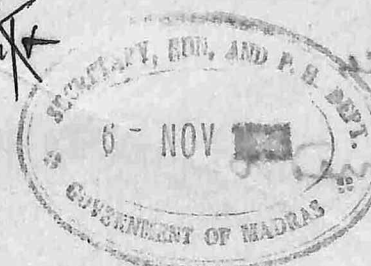

1. Total 1,34,290 being half the amount of estimate.

construction of buildings for the Auditorium and library hall in the Loyola College, Madras, as a post-war development scheme for 1948-49 and address the Govt. of India for inclusion of the above scheme in post-war programme for 1948-49 so that it may be eligible for grants from the central block grant, the scheme relating to the construction of buildings for the hostels in the Pachaiyappas College may also be included in the post-war scheme for 1948-49 so that the scheme may be eligible for a half grant. The file ~~referred~~ relating to the Loyola College building scheme ~~has been~~ sent to Devt. (P. & D.) and Finance.

Devt. (P. & D.) state that ~~it has been decided~~ ^{they have agreed} to ~~include~~ the Loyola College building scheme in the post-war programme for 1948-49. They add that if the grant to the Pachaiyappas College is likely to be paid during the current year, they do not object to the scheme being treated as a post-war scheme and included in the programme in order that the block grant from the Central Govt. may be utilised to that extent. They however point out that the Govt. of India have stated that in preparing the programme for 1948-49, new schemes not yet initiated should be confined as far as possible to schemes which add to the material wealth of the country, and hold that as the ~~this~~ Pachaiyappas college hostel scheme does not come under that category, ~~and hence~~ it is doubtful whether the Govt. of India will agree to approve them as post-war schemes.

Finance state that it is very doubtful whether the Govt. of India will agree to approve the scheme now under consideration as a post-war scheme for 1948-49. They therefore advise that the plans and estimates for this scheme may be approved on the definite understanding that the institution will be eligible for a maximum grant of Rs. 75,000/- only according to the existing policy of this Govt., and ~~and~~ that the grant will

be payable only in 1949-50, as it is unlikely that any appreciable expenditure will be incurred during the current year. Finance however do not object to the Govt. of India being addressed in the matter. On the basis of the revised estimate, the grant payable for the scheme will be Rs. 1,34,290/- of which 50%, viz. Rs. 67,145/- will be met from the block grant of the Central Govt., this Government's liability being restricted to Rs. 67,145/- only. (i.e. the remaining 50% of the grant). *In view, however, of the measures under contemplation by the G. of I. to combat inflation, and of their proposal to restrict expenditure on schemes designed to add to the wealth of the country, it is very problematical whether the Govt. will get a favourable response from India to any request for their financial aid towards a scheme of this type. It is for consideration whether it is worthwhile addressing them.* The file may now be circulated to ~~AM. (Com)~~ for orders whether the revised plans and estimates submitted by the College may be approved, on the definite understanding that the institution will be eligible for a maximum grant of Rs. 75,000/- only, and ~~and~~ also whether the Govt. of India ~~should~~ be addressed to include this scheme also in the Post-war programme. ~~for~~

Please see the orders in circulation on p. 7 ante. The draft order approving the revised plans and estimates is sent for approval. After issue, action will be taken to address the G. of India to include this scheme in the post-war programme.

2. In their note on pages 4-5 ante Finance have stated that the grant for this scheme will be payable only 1949-50 as no appreciable expenditure will be incurred in the current year. A grant not exceeding Rs 75000

has been agreed to for this scheme and it is proposed to address the Govt of India to have the scheme included in the P.W. Development programme for 1948-49 and to ask for a grant from them for the scheme. The Manag-ment propose to take up the work in January next and it is likely that they will incur some expenditure between January and March.

In the circumstances the Fin. Dept's view referred to above seems to require reconsideration and it may be necessary

Necessary to make some provision for a grant in the current year. Also a provision of Rs 69000 was made in the B.E. for the purpose, but as it is unlikely that this amount will be utilized in full it is proposed in the linked file relating to Part I estimates that the A.E. provision for a grant may be Rs 25,000 on the assumption that about Rs 50000 may be carried out before 31st March 1949.

This is for orders - It may be stated that if the Govt. of India agree to give a grant for the scheme, it will be unnecessary for this Govt. to pay Rs 75000, in full; this Govt. share on the basis of a half-grant for the scheme as now revised will be only about Rs 67,150.

Please see herewith the other memorandum sent herewith. They say they have taken steps to file a suit in the High Court with regard to the admission of non-Hindus also. I have told them that in view of the rule obtaining in Government and the feeling in the country that all institutions should be open to all communities, they must amend their scheme as soon as possible. I have told them that any capital grant they may get for their institutions may be given after they throw open the institutions to all communities. They have also agreed with the reasonableness of our proposal. And so, the capital grant to be given to them can be payable to them only after they throw open to other communities also.
