Sir,

Subject: Secondary Education - Tirupur
Municipality - appeal against the appointment of
Headmaster overlooking the claims of senior
teacher.

In Continuation of my appeal against the
appointment of the headmaster overlooking my
seniority, submitted direct on 30-7-47, I pray
that I may be permitted to add the following
facts for Consideration and disposal along
with my appeal submitted on 30-7-47, praying
for Relief and the barest justice.

I submitted a copy of my appeal through
the Commissioner, Tirupur Municipality on
30-7-47. On 5-10-47, I received a Communication
from the Commissioner informing me that my
appeal was not forwarded as my name was not
in the panel and the headmaster's post was a
selection post.

Since the appointment of the headmaster
was made on the panel, my appeal against the
appointment of the headmaster is to be
considered and disposed of as an appeal
against the irregular creation of the panel
wherein the name of senior men has been
omitted and the name of the junior most
assistant has been included. The panel and
the appointment of the headmaster are two
integral parts of one unit. So I have
requested the authorities to cancel the order.

and to forward my appeal to Government.

Now, I definitely come to know that my name is not in the panel for the appointment of Headmaster. The creation of the panel omitting the name of senior men and including the name of the junior most teacher is not fair and it is irregular. While creating the panel my claims, as a senior, loyal and devoted servant of the Municipality, with no adverse remarks, have not been fairly considered. There has been no adverse remarks to disqualify me for including my name in the panel. Hence I bring to your notice that my claims have not been fairly considered while creating the panel. So my appeal is ^{really} against the irregular creation of the panel for the appointment of headmaster.

I may that my appeal may be considered as an appeal against the formation of the panel and the appointment of the headmaster based on it.

Hence I humbly pray that the facts submitted above may be considered along with my appeal submitted on 30-7-47. ^{may not need.}

I pray that suitable orders may be passed to reconstitute the panel so as to include my name in it and to appoint me as the headmaster. K.C.S.H.S. Frustur, and thereby mete out the barest justice to a devoted employee.

I beg to remain,
Sir,
your most obedient servant,
N. Venkataraman.
