No. 2393-D-VII/48-2, dated 15th November 1948.

Sir,

10 NOV 1948

Sub: Dutch Records - Reprints of - Supply of copies to
Prof. Dr. W.Ph. Coolhaas, Landsarchivaris; Molenvliet,
West III, Batavia.

I enclose herewith a copy of a letter I have received from Prof.
Dr. W.Ph. Coolhaas, Landsarchief, Batavia, in which he requests that he

may be supplied
with 2 copies each
of the 15 volumes
of the Selections
from the Dutch
Records of the Madras
Government. These
volumes were printed
and issued between
the years 1908 and
1911 under the autho-
rity* of the Madras
Government and 10
copies of each of
the volumes were
distributed to the Netherlands India Government. As, however, the Professor
states that no copies of these volumes are now available in his library

and

and as there are 150 to 300 copies of each of these publications lying in stock in this office without any demand whatsoever, there is perhaps no objection to supplying him with 2 copies of each. I, therefore, request that I may kindly be permitted to supply the Professor with 2 copies of each of these publications. If the Government approve of the proposal, I shall ask the Professor to make the necessary arrangements with the Consul of his Government at Madras, to receive the copies from this office and to forward them to Batavia.

2. The publications which the Professor offers to supply in exchange may be accepted and added to this office library.

Yours faithfully,

W. H. H. H. H.
CURATOR.

Copy of letter No. 233/C dated 16-7-1948 from Prof. Dr. W. Ph. Coolhaas, Landsarchivaris, Molenvliet, West III, Batavia, to the Keeper of the Madras Record Office, Madras, India.

In the years 1908-1921 fifteen volumes of Selections from the records of the Madras Government, Dutch Records, were published. These interesting books are failing in my library. You would very much oblige me in sending me, if it is possible, two copies of each of these books. Though most fortunately during the Japanese occupation and afterwards no records of my Archives were destroyed, nothing could be published in these years and I am afraid that in the first years to come it will be impossible to do appear new publications.

So in return to the books I am asking for, I can promise you only old books. I can send you a copy of each of the following books.

1. Dr. J. A. van der Chijs: Inventaris van's Landsarchief te Batavia (1602-1816). 1882 (inventory of my archives)
2. Dr. E. C. Godee Molsbergen: Geschiedenis van Minahassa tot 1829. 1928 (History of the Northern Part of Celebes).
3. 4 volumes of Dr. P. C. Bloys van Treslong Prins: Genealogische en heraldische gedenkwaardigheden betreffende Europeanen op Java, 1934-1939 (genealogical and heraldical curiosities of Java)

4. Some booklets on the "Landsarchief" published by my predecessor, Dr. F.R.J. Verhoeven just before the war.

If it gives trouble to you to send me these books by the ordinary post, I am sure that our Consul (before the war Mr. A.D. Charles, P.O. Box 2) can help us.

Yours truly,

(Sd.) xxxxx
