Ref: G.O.No.Ms. 2342 Edn., dated 3rd November 1947.

I request that Government would be pleased to extend the period by one more year from 3rd November 1948 of the posts of two additional despatchers in the scale of pay of Rs 35-65 as the work of individual distribution of the Grow More Food Journals in Tamil and Telugu have been taken up for 11 districts. The complete mailing list from the other districts are still due from the Director of Agriculture, Madras. A detailed report as to the total number of subscribers for the presidency and the staff that may be required for distributing the journals from this office direct to the subscribers will be submitted to Government later.

The delay for applying for the extension of the staff is regretted.

Superintendent.
