Office of the
Director of Public Instruction,
Madras, Dated 31-8-1948.

From The Director of Public Instruction, Madras.

To The Secretary to Government,
Education and Public Health Department.

Sir,
Sub: Buildings - Government Secondary and Training School for women, Udipi - Construction of a block of 3 class-rooms at an estimated cost of Rs.27,500 - Approval and provision of funds in Part II of the Budget Estimate for 1949-50 - Requesting.

Ref: G.O.No.Ms.971 Edn dated 24-4-1948.

With reference to the orders in the G.O. quoted above, I have the honour to renew the proposal for the construction of an additional block of 3 class-rooms for the Govt. Secy and Trg. School for women, Udipi at an estimated cost of Rs.27,500 for the approval of Govt. and provision of funds in Part II of the Budget Estimate for 1949-50. The plan and estimate for Rs.27,500/- were already submitted to Govt. with my letter ROC.No.3745-G.3/46 dated 31-7-48.

Yours faithfully,

G. Sankaranarayanan 2.9.48.

for Director of Public Instruction.

G. Sankaranarayanan

In March 1946, the D.P.S. forwarded proposals for the construction of a new building to provide additional accommodation for the Govt. Training School for women, Indipi at an estimated cost of Rs. 1,25,000. The building proposed was intended to accommodate not only the training and the middle school sections but also forms IV, V and VI when opened. In this connection the Director reported as follows:-

"[H.E. paragraphs 2 and 6 on p. 104(A)]
2/ The scheme was agreed to by the D.P.W. and Finance Department, but in circulation it was ordered that as yet there was no high school, it was not necessary to construct a building providing accommodation for that purpose and that a comprehensive plan might be prepared and only that portion of the work required for the school might be taken up. The Director was therefore asked to submit revised plans and estimates

2/10/48 3/10/48

He accordingly forwarded revised plans for the construction of a building at an estimated cost of Rs. 27,500. The P.W. Department agreed to this revised scheme. The Fin. Dept. suggested that the ^{scheme} proposal might be deferred till the cost of materials and labour came down to normal level and that steps might be taken to secure additional rented accommodation or if that were not feasible to construct a temporary thatched shed to meet immediate requirements. This department pressed for the introduction of the scheme immediately to which the H.H. (Edu) agreed. The H.H. (Fin) minutes that the S.F.C. might see. The scheme was accordingly placed before the S.F.C. which decided that it should be deferred for consideration as a Part II scheme for 1949-50. In pursuance of this decision the scheme is now brought forward as a part of the sum of Rs. 27,500 may be provided in the budget estimate for 1949-50.

Finance (B.E.IV)

Part II Scheme for 1949-50.

Construction of a new building to provide additional
accommodation for the Government Training School for
Women, Udipi - Cost Rs 27,500 (Non-recurring).

The draft Part II Scheme Note put up below explains
the proposal fully. The reasons given by this department on
page 8 N.F. of (A) for deferring the proposal till the cost of
materials and labour come down to normal level still hold good.
The latest orders of the Government are that all building
schemes, except those that are immediate and essential, should be
deferred. It does not seem that the proposal need be

2/3
sanctioned now.

E. & P.H. may be requested to take orders in circulation in the first instance including H.M. (Finance) and H.Pr. whether the proposal ^{should} ~~may~~ be brought forward as a Part II Scheme for 1949-50.

DN 18.10.48
The proposal may be deferred in pursuance of the present anti-inflationary policy.
